DISTRICT GOVERNOR MESSAGE

Lion John Hui

Dear Lions of District 4-C4!

Dear Lions of District 4-C4,

Thank you for a fantastic convention in Redding! We had a record attendance!

Congratulations to PDG Helen Casaclang and the convention committee on a job well done. I hope you had a chance to meet my guests, ID Ben Apeland and his partner in service PDG Christine Lank from Montana; and DG Gary Nip and Joyce Nip from D50 in Hawaii. They all enjoyed judging the contests and meeting those who attended the convention. They all said it was the best convention they ever attended. For the upcoming 2023-2024 Lions year, let's congratulate Lion Kevin Guess as your incoming District Governor; Lion Clayton Jolley as 1st Vice Governor and Lion Cindy Zheng as 2nd Vice District Governor. There is no doubt in my mind that they exemplify passion and qualifications to lead District 4-C4 in the coming years. A very special welcome to 2nd VDGE Cindy as she is joining this dedicated leadership team. Our future is bright; I am confident that our District is in good hands. I am happy to report that Foster City Lions Club is back to serving the community. All of LCI's Global Causes were successfully led by our Regions and Zones chairs. All projects

were completed on schedule and made an impact on our communities. New Officers training was completed on two different days. First, there was Region and Zone Chair training with 100% attendance of those leaders. Second, there were close to 100 Lions who participated in six breakout sessions: President/Vice Presidents, Secretaries, Treasurers, Service Chairs, Social Media/Communications and Membership. Thank you to PDG Mario Benavente and his GAT and training team for facilitating. It has been an honor for myself as your District Governor and Lion Venetia to have been able to represent the District. Let's continue to build on our successes; learn from past challenges; remember to be kind; serve from the heart, and evolve to thrive!

Yours in Lionism,

Lion John Hui

LCI Foundation News

Greetings Lions of District 4-C4,
With LCIF Support, Lions Always Answer

LCIF is the only foundation to empower the compassionate service of Lions across the globe. With 100% of donations benefiting grants and programs, your continued support of LCIF magnifies hope for a world in need.

And your continued support of LCIF inspires others to give and enables our global foundation to award life-changing grants. With 100% of donations benefiting grants and programs, **every donation to LCIF brings hope to a world in need.** In the past year 1250 grants were paid out in constitutional Area 1 which translates to about \$4,000,000. Think of the service that money has provided.

So thank you very much Lions of District 4C4! You have once again stepped up to the plate and shown your monetary support. As this newsletter is being written, there are just a few clubs who have yet to donate even \$20, which we need in order to be a **100% participating District. Are you one of those clubs?** (*By year's end, we got 100%!)*

Through the District & Club Community Impact Grants program, 15 percent of unrestricted contributions (Area of Greatest Need) to LCIF are transformed into grants that fund local projects on a club and/or district level. In other words, we get a "kick back" at the end of the year for those funds that were donated.

The District & Club Community Impact Grant requires a US \$5,000 minimum donation for clubs and a US \$10,000 minimum donation for districts. The minimum donation must be achieved within the fiscal year. We have a number of clubs that have benefited from this every year. It's a win-win.

We are counting on you to designate an LCIF person on your board as soon as your year starts on July 1. Please consider passing the hat around at every meeting and sending in a check quarterly. It's so easy. It's so appreciated!

Thanks again for your great support!

Lions Amy Fink and Mike Coffaro

Dear Lions of District 4-C4,

Much thanks and gratitude to the San Francisco Chinatown Lions Club for their gift of \$1,000 to the California Lions Foundation. Their Teen Chinatown event resulted in donations to several foundations, including CLF. Thank you, SF Chinatown, for your generosity!

We are continuing to offer matching grants from \$500-\$5,000 (2 open grants per district at any one time.). This is especially valuable for smaller clubs and smaller projects. Your club could be the next to receive a grant!

The application process is relatively quick, simple and, once funded, we only ask for receipts demonstrating proper use of the funds, a few photos of CLF dollars at work and a little bit of recognition for the foundation to help us in our fundraising efforts. Visit our CLF website for more information: Matching Grants — California Lions Foundation.

Are you planning a hunger project on the near future? Do you have an affiliation with a Leos Club? CLF is currently offering a non-matching grant program to benefit hunger projects while working hand-in-hand with your Leos Club. This program does not require club funds for matching purposes. This grant program runs from March 1, 2023 and has been extended through October 31, 2023. Maximum grant per club/district is \$1,000 (\$2,000 total per district). Check the website for details.

Please consider making a club or individual donation to CLF! We can't do this without your support! Consider honoring a club member with a CLF Life Membership (\$500), a Kay K. Fukushima Award (\$1,000) or a Reginald Harris Award (\$2,500). All donations, large or small, are appreciated. You can also donate old cars, trucks, RV, boats! And don't forget to see if your employer offers matching gifts. Again, check our website to see how your donations are put to use.

On a personal note, I am pleased to say that I will be serving as the CLF President for the 2023-24 Lions year. It is my honor to serve an organization that is helping Lions Clubs serve their communities.

Lions of Diversity Seminar By: Lion John Gill

When it comes to discussion about diversity, often the first thought that comes to mind is race. But what about diversity when people look alike? In May, I attended Lion Melite Wood's *Lions of Diversity* Seminar that she held to complete her Faculty Development Institute program. We learned about various forms of diversity such as religion, marital status, handicap status, etc. can apply to various people who look alike. An example I

took heart to since I am usually the one called upon to give the prayer at my club meetings, we learned how giving the invocation at a meeting can alienate some groups of people. For example, some chaplains will give a prayer that mentions verbiage related to a Christian prayer and how that might make non-Christians feel like that they don't belong. I think back to when I was a club president and how I felt like I was a single person trying to be a leader in a married person's world. My late dad had told me in my younger days that married people tend not to like to be around single people in social situations. Over time, I'd come to realize that a lot of Lions are single.

Whether it's religion or marital status or income status, etc., Lion Melite's seminar was teaching us that it's important to make all members feel inclusive. She did an excellent job facilitating and leading a discussion on how we can practice diversity. We broke up in groups of 3, 2 tables to a group, to brainstorm diversity challenges in cases she had us discuss among our groups. Then each group had a spokesperson who spoke up to the class about their feedback. Light dinner was served. These types of training seminars are useful for club leaders to provide a Lions membership experience that is welcoming to all members.

San Mateo Lions Visited by International Lion By: Lions John Gill

At the PCL meetings that I routinely attend, I usually give no report, because our activities don't fall in the "upcoming events" window of each meeting. In May, my club, San Mateo Lions Club, had a special visitor. Lion Pk Jha from District 322 A dropped into our May monthly meeting. He was visiting his daughter and son-in-law who live locally. My club wanted to send him to a bigger club like San Carlos as his official visitation. However since he dropped by, we welcomed him with arms and took a picture with him to record the occasion. He also graciously gave us three gifts for the club as seen in our meeting photo below. Lion Pk comes from Bokaro Steel City Lions Club, located in Bokaro Steel City, northeast India.

PCL Homecoming Meeting Featuring ID Ken and Amy Awards, Foster City Lions Welcome Back - By Lion John Gill

2nd VDG Lion Clayton's last meeting as PCL President was a fun meeting that featured a heart felt report from Foster City Lions Club president, Wing Yu, about overcoming the struggle his club had this year and looking forward to upcoming service projects in Foster City. International Director Ken gave out awards with a talk about his journey with his partner in service these past two years. ID Ken and Lion Amy told us how they attended over 32 state and district conventions in USA and Canada the past two years and rode in 3 parades (Rose, Mardi Gras in New Orleans throwing over 100,000 beads to parade attendees, and St. Patrick's Day parade in Belfast Ireland.) ID Ken and Amy traveled over 350,000 miles as their travels also took them to LCI board meetings in Hawaii and Ireland. Amy shared how Ken brought his wild side to the conventions, willing to jump into pools with a suit on or doing snow angels in -10 degree weather. ID Ken told us he'd do anything for a Melvin Jones Fellowship. Amy shared how they conventions would do a collection plate and have the MJF ready for ID Ken. It was fun to hear about their journey. It's over next month but they are expected to attend more conventions in the future as a speaker but ID Ken confirmed he will be in Redding for our convention next year.

Peninsula Special Interest Lions & District Charities...
By: Lion Eleanor Britter

Greetings Dear Lions,

It has been another epic year for our club. We added significantly to our membership and will induct 2 more members in July. We are a 100% donating club to LCIF. We completed 32 services projects serving our community. In addition, we delivered over 350 million pounds of produce and packaged food to pantries. We also amassed over 600 thousand pairs of used glasses. We had several fundraisers, completed MYLION, attended all cabinet and PCL and some SFCC meetings. We served on the Convention Committee with two appointed Chairs. We joint ventured with 34 clubs doing health fairs and attending their events and donating to their projects.

The Global Initiative for Health and Wellness (District Endorsed Project) includes: our free medical and eye clinics in the U.S. and International Lions Clubs; Zenni recycled glasses and free certificates for eyeglasses; we instituted an eKidsPowerUp “All things Health” curriculum K-12 online program of 5000 lessons, why, because HEALTH MEANS EVERYTHING and is cooler than anything else in the world if you have it. It is in most languages and serves the world out of a Lions owned server in the Netherlands.

We serve Lions in Site, Lions Eye Foundation, Canine Companions, Melvin Jones, Helen Keller Fellow, The Multiple 4 as the Hunger Chair and the GIHW Chair and so much more.

Our hope is not to boast but to inspire us that as Lions we are free to establish and serve the pillars of Lions International however, we are able. Our Club and the committees our members serve on bring together the 5 Pillars of LCI under the Global Initiative for Health and Wellness. We are truly a service Club.

Plans for our Veterans BB Qs are ongoing, and we are planning a Stand Down next May.

Most important is we have a new President Elect, Lion Delores Homisak. Please welcome her into our Lions family.

Editor's Note: The Global Initiative for Health and Wellness is a district endorsed project. Lion Eleanor Britter is the Chair. Other Lions serving on the project include Lions Margaret Lee, May Seto, PDG Helen Casaclang, Elizabeth Yulo, PDG Mel Phillips, Rodger and Yolanda Cayabyab. This project strives to help alleviate unnecessary suffering through free health care and education for the underserved.

Editor's Minutes..

Thank You for all our contributors this issue. Thank You for the compliments of our last issue.

Welcome back Foster City Lions! It was good to see a few members at the convention and to hear that their club is back up, ready to serve at Summer Concerts in the Park and 4th of July events.

Congratulations to Lion Cindy, whom I guess decided to not let the ranked choice voting be an issue by winning enough votes on the 1st ballot. All the hoopla about who to decide will be #2, didn't matter.

For the 2nd consecutive year, I won the *Best Club Newsletter* and *Web Presence* awards for my Toastmasters club as their editor and webmaster. I love doing this kind of service.

The content deadline is posted in the weekly District Thread, If you submit content later than the deadline, it may still be included in the upcoming issue but only if space and time to input the article is available. Please submit any desired content to Lion John at lionjohnngill@gmail.com. Suggestions and feedback for content are welcome.

Lions Code of Ethics & Objectives

Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customer and true to myself.

WHENEVER a doubt arises as to the right or ethics of my positions or actions towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not as a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not to destroy.

Objectives

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the choice in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial rewards, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
