

"Pirates"

LIONS CLUBS INTERNATIONAL DISTRICT 4-C4 CONVENTION

May 15 - 19, 2013

RED LION HOTEL WOODLAKE CONFERENCE CENTER
SACRAMENTO, CALIFORNIA

Ahoy mates! Your District Convention is coming soon. Skipper Bob looks forward to mooring his galleon in the Red Lion "harbor." Aaargh, all Lions are encouraged to attend this annual weekend of fun and excitement. Invite your families and friends and get ready for a swashbuckling time!

Our convention returns to Sacramento to the newly named Red Lion Hotel Woodlake Conference Center (the former Radisson Hotel). The Red Lion is anxious to show us their improvements both in services and amenities.

As you may have guessed, this year's convention theme is "Pirates" and the colors are Black and White. The convention will again offer the Golf Tournament on Thursday; the Partner In Service event, Barbershop Quartet, Costume Parade and Amateur Show on Friday; the Memorial, Tail Twister Contest, International Food Fair and Gala Dinner on Saturday. Of course, there will be hospitality suites and parties offering plenty of food and drink. Additionally, we will welcome guests from neighboring Districts and our International family.

The Convention Committee is considering some changes and surprises that will provide additional fun. Hopefully, you will agree when the final schedule of events is released. However, the best thing that hasn't changed is the price. We are pleased to offer the same room and meal prices as last year.

Our District Convention, arguably the best in California, continually offers great fun and experiences for all who attend. You will meet new friends and catch up with old acquaintances. You will hear first hand what's going on in our District and Lions International. More importantly, you will celebrate a year of service with your club and our great organization.

I have enclosed the Convention Registration Form and applications for the various convention activities and contests. I ask that you review these materials with your club members and seriously consider attending your District Convention. (Additional forms are available on the District website)

On behalf of District Governor Bob Wilson and the Convention Committee, I again invite you to the 2013 District Convention - "Pirates." We look forward to seeing you in Sacramento!
