## **A message from your District Governor Skipper Bob Wilson**

Dear Winner Circle Gold Lions, We had fun and camaraderie at convention. This year's convention is now history. If you missed it, you missed a great time. We had 70 more

Lions and guests than last year. We all had a rip-roaring time, enjoying great weather and a great food court.

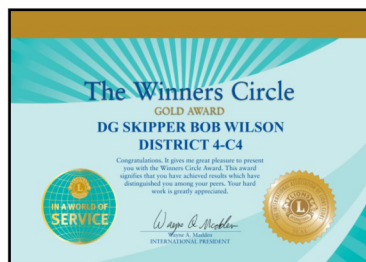

Our convention committee is to be commended and congratulated for all of their hard work. Please make sure you give them a RIP ROARing AAAAARRGGGHH for making this convention so much fun and so successful.

This year's theme was "PIRATES" and Pirates did attend. The costumes were amazing and breathtaking. Friday night was the banquet honing International Director Joe Al Picone; the Grand March of

the Past District Governors; the Amateur Show was hilarious and thoughtful; and the San Bruno Lions Clubs put the finishing touch to this wonderful fun evening with Tube Steaks. Our I.D. Joe Al enjoyed breakfast with us Saturday morning and had to leave to fly back to Texas. We were blessed to have Pirate Past International Director Bob Smith who took over. Also noteworthy were the many Lions who attended the Contest Awards event on Sunday. Great Convention!

Congratulations to our 2013-14 District Governor Elect Steve Picchi, First Vice District Elect Jack Van Etten and Second Vice District Elect Macy Mak Chan. Congratulations to: **Past District Governor & GLT Chair Ken Ibarra** **Region Chair Cindy Smith** **Recipients of the Prestigious 2012-13 MD-4 Excellence Awards**

## A message from 1st VDG Steve

Fellow Lions:

The month of May came and went in a flash. The first week I was at A2's convention the second week I was at A1's 2 day Cabinet meeting and the third week at our convention. Memorial weekend

I took a break from Lions and rested. I will be finishing the month with 5 days at the Council of Governors meeting in Torrance. In June I have 20 days to finish up everything, before we take off for Italy and then the International Convention in Hamburg, Germany. Rosie and I will be back on July 11 to begin our year as your Governor and first Lady.

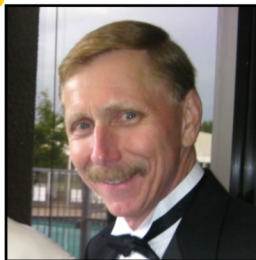

Over the last two years I have tried to let the Lions of our district know some of the things that a 1<sup>st</sup> and 2<sup>nd</sup> VDG does with their time. I hope you have found my articles informative. My proof reader always tells me the articles that I write sound like I am talking to you well I believe communications is the key to our success.

As this year comes to an end I would like to congratulate our two newest Clubs, The Peninsula Special Interest Lions Club and the Peninsula Veterans Lions Club on your one year anniversaries. It takes a lot of hard work and determination to keep your clubs going, keep up the good work.

Our District Convention was great, thanks to PDG Ken, PDG Mike, IPDG Esther and the Committee for fantastic job. After working on the committee for 15 years it was nice to enjoy one from the other side.

## A message from 2nd VDG Jack

Fellow Lions:

First and foremost, I want to express my sincere appreciation, thanks and gratitude to all of our Lions and Clubs in our District for their support and confidence by

electing Lion Steve Picchi, District Governor, Lion Macy Mak-Chan, 2<sup>nd</sup> Vice Governor and me, 1<sup>st</sup> Vice Governor at our District Convention.

Congratulations to District Governor and the Convention Committee for a great Convention. Everyone who attended commented about having a great time with great food shared with great people. More Lions were in attendance this year than the past few years. However, what really made this Convention great and memorable was because of YOU; YOU always make the difference! For those lions that were unable to attend this year, please try to make it to Sacramento next year. The Convention Committee guarantees another great Convention next year. Many awards were presented to deserving Lions at this year's Convention, including, International President's Awards, MD-4 Awards, District Governor Appreciation Awards, Club Awards were distributed, but the capstone of all of the awards presented during our Convention was when our District Governor recognized long-time Lion, Dick Kishimoto of the Nikkei Lions Club as the District Lion of the Year. Congratulations Lion Dick, your award was "well deserved"!

to keep our membership above 1250. We stand today at 1250. We must treasure and include our existing members as well as inviting acquaintances, friends, co-workers to join our welcoming clubs. As Council Chair Liz Crooke says "Membership is Cool." My sincerest congratulations to each of you on helping us reach this distinction. You are all a hardworking, generous group of people working towards a common goal – serving the community, creating community and having fun.

It is time to continue that last push for membership. I am asking each of you to put forth every effort to accomplish your goals. There is much to be done in the remaining Lions' year. At the beginning of the year, we set our goal of increased membership with each club showing a positive growth of +1. We are working hard. I want to congratulate each of you for a GREAT year as each and every one of us is a leader, a true caring Lion. It shows. We have all worked diligently on our two major objectives: (1) membership growth and (2) fun club meetings, service projects and camaraderie. Our success is evident by the growth of our fine district, District 4-C4. We are in the Gold Winners Circle and have been honored by the Gold Award by International President Wayne Madden as together we have achieved positive net growth this year, and are ahead of last year. We are a family, sailing our galleon, Ship 4-C4. Ahoy Mateys! Please make sure that your club's dues are paid. Several clubs are still delinquent on their indebtedness to MD-4 and LCI. Each club must be current to fund District Operating expenses and to avoid losing their Charter.

**Health and Welfare Major Priority** "The health and welfare of our children should be a major priority for each of us. Many children are needless at risk because a lack of information available to either their parents or care givers. Too often we only think of children going hungry, but many are also at risk for a lack of available medical attention, clean water, proper sanitation, or education about communicable diseases. The Save a Life conference is an opportunity to learn how each of us can become a beacon of hope to children in need."

Our featured speaker, Darian Rodriguez Heyman, former executive director of Criagslist Foundation and adviser for the United Nations GAID program and Project Ahimsa board member strongly supports literacy in school, travel and good health. Darian states "education, knowledge, music and visibility definitely empowers and nurtures children to become tomorrow's leaders. Empowered volunteers impact the quality of literacy and life."

The conference will provide actionable information and practical emerging solutions to help make a positive impact on our life and community's well-being. Strengthening relationships with the local community, volunteers and Lions Clubs matters.

## Lion John Gill Reports on First Time at Convention

I didn't know what to expect. I have been a Lion for 8 years this June, but this was my first time at the District Convention. When I attended the MD4 convention in February, I figured I could hang out in the hospitality suites & attend the Certified Guided Lions training. I got there & discovered that the suites didn't open until 10 PM! With our Convention, I bought the 3 day package with meals to make sure I was covered. I'm lucky if I can get 5 minutes talking with this Lion, but he's one of my favorite PDG's because he preaches fellowship on equal level of importance with service in his Member Inductions & Installation speeches. So, perhaps, it was fitting that this convention would feel like it was 85% fellowship & 15% everything else as PDG Ken Ibarra and his convention committee put on an entertaining and memorable experience for all Lions in attendance.

I was sold on coming this year after watching YouTube Videos of San Bruno Lions' past skits and presidential initiations. As a club President, I wanted to come vote for the DG candidates and take in the experience. I got up there just in time to get quickly registered before attending the opening of convention at 1130 AM. I think I averaged 3 AM bed times with 8 AM wake up times throughout the weekend. This convention had so many events to love.... Amateur skits, Barbershop Quartets, Costume Parade, Hospitality Suites, International Food Fair, Awards, and more. It was one big party. In this

newsletter is 6 full pages of pictures of those events. I found the creativity that clubs used in the Amateur and Tail Twister Skits to be very enjoyable and elaborate. The props and ideas were ideal to the theme. I particularly liked Millbrae's Carnival Cruise where they had been robbed by a sea of pirates with a bishop on board being wooed by harlots. SSF Golden Gate did a cool one where they were on a deserted island and tried to resuscitate a pirate by using tools like a plunger and CPR. The singing was fun in the Barbershop Contest. Millbrae had a funny theme and SSF Golden Gate also sounded very good.

Just like I did with the Joint Council Halloween Meeting, I came to the Costume Parade with a Hawaiian shirt on. I don't do costumes, but I participated in the costume parade wearing a eye patch and waving a pirate flag. I was amazed by the creativity and props that many clubs used, like cardboard boats, costumes, makeup, etc. My club won 3rd place, working together with SF Chinatown.

As a first timer, I tried to participate in as much as I could. Being on a weight control program, I tried to be reasonable in my eating, but having hot dogs at 1115 PM with San Bruno Lions at their hospitality was just too irresistible. I have lost over 70 pounds since becoming President and I sincerely appreciate the compliments I received from my fellow Lions at the convention. After watching the two incoming presidents of San Bruno and Foster City Lions get hazed with cream, mustard, Ketchup, and feathers with one president wearing a woman's lingerie outfit, I decided it was too hot to do my walk around the hotel lake. So, I took a good look at the pool. It was located right in front of the busiest hospitality

## First Time at the Convention continued from page 8

suites and a courtyard full of Lions talking and resting in the shade. I figured I could sneak into the pool area, quickly take off the shirt and be in the water before anyone noticed. Wow, was that water cold! It took me 10 minutes just to get into the pool. But it was so refreshing to be in that pool, that I was awake and ready for the night's activities. With wine, coffee, and coke, I stayed up until to 4 AM on the last night of the convention. I got up early enough on Sunday to make the awards program, but I missed the free breakfast. I wish more clubs would do hazing of their incoming presidents, because it promotes fellowship among members and it's fun to watch. Maybe next year the District can offer a contest for them.

This convention had so much to report on. Watching the parade of campaigners blowing whistles and waving signs for the DG candidates, was a cool experience. I liked how my room was centrally located to everything going on, but it was scary how it was at the end of a hallway near a dumpster with a bush in front of the door. I loved how the Foster City Lions incoming president turned the hazing onto his fellow officers and members.

We were told at the start that this convention had a few issues. We were sharing the hotel with an union convention, so we didn't get our normal courtyard. Our main banquet room was L-shaped, so depending on where you were seated, you either had the dignitaries or the stage at your back. I found the outdoor setting to be ideal. The hospitality suites were all together, facing the pool and the intimate courtyard we did have to use, offered plenty of shade and a comfortable atmosphere to socialize with fellow Lions.

On the final day, when the awards were offered, I was very proud of my small club, San Mateo Lions Club, for winning Top Club Contest overall for the District with 4 other contests. My club had a last minute venue change and a key member quit the club mid-year, but seeing us win the Top Contest with a variety of other awards, was a testament to the character of our club, that we have dedicated and skilled Lions in our membership. I look forward to many years of our club serving our community and achieving excellence in Lionism.

I was happy to see Lion Alison Wilson win the Si Moyer award for service to the DG. She does a great job with the Thread and updating our web site. Lion of the Year Dick Kishimoto sang a few beautiful songs for Gala and other events.

The week of the convention, I visited SSF Golden Gate Lions and instantly had about 5-8 members that I was familiar with when I attended the event. I visited about 8 clubs during my year. For the 2013-14 contest year, I am doing the Long Tail Ambassador Contest and am looking forward to touring all the clubs of our District. Congratulations to Lion Sandy Ige for earning her 9th straight Long Tail Award.

Several of our club contests encourage service and fellowship with other clubs and Lions. From "borrowing" bells to joint ventures to visiting other clubs, it is clear that fellowship has an equal importance in our organization with community service. I look forward to next year's convention. It should be a fun & memorable experience of fellowship with your fellow Lions. I hope to see you there next year, too!

## Lion Rich Picchi Reports on Area Student Speaker Contest & Foundation

I attended the Area 2 Student Speaker Contest to support our District Student Speaker Lauren Kam who was sponsored by the Burlingame Lions. Congratulations to Lauren for a very well done job, but alas, she did not win the contest. The contest, and a \$6,500 scholarship, was won by a young lady from Sonoma. Congratulations to her and good luck at the MD4 contest on June 1. The good news for Lauren is that she is a sophomore and will be able to compete again!

1. The 4 students prior to the contest (L to R C6, C4, C1 & C3) 2. The winning student receiving her award from Area chair Dennis Miller 3. The Kam Family who made the trek to San Martin to support Lauren

*Sight and Hearing ♥ Diabetes ♥ Education ♥ Literacy ♥ Nutrition ♥ Medical Issues*

**Sight Conservation** - discover preserving and protecting vision - a core value.  
**Health** - discover emerging technologies and share information to assist in decreasing the significant humanitarian and social costs incurred by loss of health and vision.  
**Education** - discover the opportunity to educate children/adults by empowering volunteers. Literacy matters in school, travel, nutrition and quality of life.  
**Quality of Life** - discover and discuss emerging technologies, opportunities to save 4,000 lives a day, decrease hunger, empower others and SAVE A LIFE. Do you know the SECOND leading cause of child death in the world? And claims the lives of 1.6 million children annually...more than AIDS, malaria and tuberculosis combined?

*"Protecting health and supporting youth are two important areas of service for Lions and our Foundation. You already know of the One Check, One Life Lions Reader Initiative. By pulling together, we were able to save the lives of millions of children. Many of these children were at risk for serious complications from measles due to a lack of vitamins and essential nutrition."*

## PDG Lion Roger Chinn Reports on Lions Veterans Charities

The Lions have been very busy with veterans' activities the entire month of April 2013, including:

**April 4, 2013:** The USO has recently installed a new Snack Center at SFO to benefit our traveling troops; this includes their families meeting at the USO to greet arrivals at SFO or bid adieu to those waiting for a departing flight. The Snack Center is a serve-yourself counter where these visitors can easily access food and beverages. Our local Lions were called for a carload of supplies to furnish the new Snack Center, including items for individual servings of coffee, thereby saving a great deal of coffee previously brewed in large urns, discarded when brewed coffee was old and bitter. Also supplied was fresh fruit, snacks and sweet rolls.

**April 25, 2013:** The USO at SFO needed additional supplies for the new Snack Center besides those carloads normally provided and delivered every other month by the Lions. This carload consists of 1200 coffee servings for individual cups, single servings of cream and sugar, 1080 small, 800 medium and 800 large paper cups, 675 paper bowls,

**April 26, 2013:** the Lions Veterans Charities concluded meetings all month and decided on a number of critical issues for the next fiscal year. Included will be:

1. A **July 21 buffet luncheon** for the patients at the Sight Impaired Unit and other departments of the VA Hospital at Palo Alto. This will consist of 7 courses of fresh cooked Chinese food, drinks and dessert, served to 200-250, with 40-45 boxed lunches to be delivered to room-bound patients. This year, entertainment will be provided by Lion Herb Perez and his 4-piece band.
2. The third annual gala **November 16, 2013 "USO Night"** with a buffet dinner, entertainment and music by Lions Dick Kishimoto, songs by Amor Traceski, 4-piece band by Herb Perez and many other Lions and volunteers, and a gala program by PDG Al Russell to honor our veterans of the Vietnam War.

**April 30, 2013:** The Lions provided their first **Veterans Fishing Trip** of the new fishing season, for the patients from the Menlo Park VA Hospital (see photos), an all-expenses paid trip by the Lions with a major contribution by Lion Frank Rescino. Unfortunately, the weather did not co-operate and fishing took place on the middle bay for California Halibut and Striped Bass but everyone did have a good day on San Francisco Bay, and there was refreshments all day with breakfast coffee and sweet rolls, a plate lunch and lots of soft drinks and cold water.

Thanks to the many District Lions and especially the

## Message from 2nd VDG Jack (continued from page 2)

Just a week prior to our Annual District Convention, we had Lions from a number of Clubs attend both a Disaster Preparedness Program Class and a Guardian Angel Program Class. The goals for both of these Lions District Programs for 2012 – 2013 either met or exceeded our goals. The annual summary of these programs was provided to District Governor Wilson, Vice Governor Picchi, and to the Cabinet Secretary. Program goals for 2013 – 2014 will include grant completion for the acquisition of 5 additional AED's and the possible formation of a San Francisco Bay Area Lions District Disaster Preparedness Program involving Lions' Districts 4-C2, 4-C3, 4-C4 and 4-C6. Please consider registering early for the fall 2013 Training Classes for both the Disaster Preparedness Program and (or) the District Guardian Angel Program. The exact dates haven't been set, but I'll place you on the class waiting lists and contact you when the dates are established. Email your name, club name, phone number and email contact information in care of me to: [disasterpreparedness4c4@gmail.com](mailto:disasterpreparedness4c4@gmail.com).

**Quote of the month:** "I am only one; but still I am one. I cannot do everything, but still I can do something. I will not refuse to do something I can do" - **Helen Keller.**

As always, thank You and God bless **YOU** for your unselfish commitment to serve those who need our help and assistance; and please never forget the fact that through **YOUR** efforts as a Lions Club Member, you **DO** make a positive difference in the lives of those in our communities, our district, our nation and our world!

(Continued from Page 2)

Installation Program and Directory Advertising are out, please consider placing an add in one or both of them. Our Cabinet Installation will be Sunday July 21st in Half Moon Bay. Both filers are in this month's District Newsletter.

## LIONS ETHICS

**TO SHOW** my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

**TO HOLD** friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

**ALWAYS** bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

**TO AID** my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE** careful with my criticism and liberal with my praise. To build up and not destroy.

## LIONS OBJECTIVES

**TO CREATE** and foster a spirit of "GENEROUS CONSIDERATION" among the peoples of the world through a study of the problems of international relationship. **TO PROMOTE** the theory and practice of the principles of good government and good citizenship.

**TO TAKE** an active interest in the civic, social, and moral welfare of the community.

**TO UNITE** the members in the bonds of friendship and mutual understanding.

**TO PROVIDE** a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

**TO ENCOURAGE** efficacy and promote high ethical standards and professions; provided that no club shall hold out as one of its objects financial benefits to its members.
