My Fellow Lions:

It seems as though the time is passing quickly by as we transitioned into 2015, so I hope that each of you were able to save time to enjoy a wonderful and memory filled Valentine's Day with your loved ones this month. I'm so proud of our club support to "pool donations" and meet our objective to obtain an LCIF 50/50 matching grant to purchase vision screening devices for use by all clubs throughout our district. If your club hasn't contributed to this project, please consider doing so and contact either PDG's Larry Wong or Esther Lee who are both on our District Sight Related Committee.

Save the Date(s) - Don't miss our "First Ever" District 4-C4 Lions Float in the 2015 San Francisco Chinatown New Year's Parade on March 7. If you have time to assist in passing out information, we'll need lions to staff our "Lions Membership Information" Booth during the parade weekend, March 7 and 8. Contact Lion 1VDG Macy Mak Chan if you or your club can help for a couple of hours on either day. Don't forget to save the date to attend our District Convention in Sacramento, CA., from May 14-17, 2015. The Convention Committee is hard at work planning this convention and they'll guarantee you'll have fun!

We experienced good fellowship, fun, laughs and tears at our MD-4 State Lions Convention in Visalia this past weekend. On the sad side, we honored PDG's during a memorial and all other lions who passed away. Both PDG's Ray Kliewer and Mike Newell were among those PDG's remembered and honored. On a happier note, our district nominat-

Club); and District LEO of the Year - Claudia Tang (Greater San Francisco LEO Club). Congratulations to all of these award winners, to their clubs, and to every lion within our district, because if it were not for you, your support and assistance, the award winners could not have achieved their recognition awards.

Great News - The San Mateo Lions Club has formed a new LEO Club at Aragon High School in San Mateo and GMT/GLT are working to finalize the formation of our newest district club, the Daly City Supreme Lions Club, which should charter in April. Clubs are reminded to ask for assistance from GMT/GLT for membership development, membership retention, leadership assessment, leadership development, etc. Clubs need all of

the above components in order to consistently remain outstanding clubs, with a focus and with projects that mirror and support their communities and their constituent group.

Thank you for all that you do and God bless you for your commitment to serve those who need our help and assistance. As a Lions Club Member you make a significant difference in the lives of those in our communities, our district, our nation and our world. Never forget that you have the power to change the world for the betterment of mankind; rise to the occasion!

LIONS DISTRICT 4-C4

We Serve - San Francisco to Palo Alto January 2015

FROM THE 1st VICE DISTRICT GOVERNOR

Fellow Lions:

Happy Chinese New Year! Let's welcome and celebrate the Lunar New Year 2015 - Year of the Ram. May everyone have a happy and healthy year in 2015.

This past month, I have another opportunity to visit with members of my MD4 Council of Governors at the early DGE training in San Diego, along with DGEs from Alaska, Washington, Oregon, Montana, Idaho, Nevada and Hawaii. What a delightful opportunity it was to be able to share stories, programs and challenges with other leaders throughout the US. I have completed my first version of my action plan for membership and leadership goals for 2015-16 that I will be sharing with you when the timing is right. I can assure you that member of my future cabinet will find these exciting, challenging and rewarding. One of my favorite LCI program that I learned at the training is on formation of branch clubs.

Club branches as they are often refer to are

a great way for your club to increase membership and expand service in your community. Branch members become part of an existing "parent" Lions club - your club - but they organize their own meetings, projects and officers just like a regular club. It only takes 5 people to form a club branch, which makes it easier to get started.

A club branch is great way to add members and bring needed service to remote areas of your community. It's also a good option for potential new members who can't make your regular club meetings or for people who are passionate about a special and different type of service. You will hear a lot more on Branch Clubs and Cyber Clubs real soon.

Southwest Airlines Chinese New Year Parade, one of the top ten parade in the world, will be on March 7th, 2015. This is very exciting for us because it is not only our first time but imagine the exposure and publicity we can get for our District and Lions Clubs International. There will be over 1 million viewers locally and many more on Youtube and over the Internet. It is a great way to spread our Lions' spirits and programs. Thanks to our steering committee

who has spent their time and effort to complete our inaugural Lions Float entry.

To show the community that Lions Clubs value our Leos and their contribution to the community, I am happy to report that our Leos Clubs' presidents will be invited to participate in the parade for the first year..

Now, we need volunteers to help out at the Lions Booth on Grant Ave, between California and Broadway. The date will be March 7 & 8, Saturday from 10am - 4pm and Sunday from 9am-5pm. Please sign up with Lion Yvonne Kantola to serve for any duration you want and try to visit and enjoy the other booths and activities around Chinatown. Great time to bring your family and friends.

Live broadcast on KTVU, Fox 2, and KTSF 26 (Chinese) on Saturday, March 7, 6-8pm. KICU TV 36 will rebroadcast the Parade on the same night 9pm-11pm, and KTVU Fox 2 will rebroadcast March 8, 3-5pm.

STREET YOUTH SCHOLARSHIPS

South San Francisco Golden Gate Lions has worked with the Dagupan City Gui-Lon Lions Club to create a Street Youth Scholarships Project.

During visits to the Philippines SSF GG Lions noticed a large number of needy young people wandering around on the streets. These children and youth experience poverty, neglect, abuse, violence, inadequate education and are even deprived of their basic needs. They spend time begging, selling cigarettes and newspapers, shining shoes and committing petty crimes.

Club members were deeply touched by the sight of these unfortunate children and the Club decided to extend humanitarian service by providing Educational Assistance. As a start, the SSF GG Lions is providing \$250 per student for tuition, school kits and uniforms to attend Massage Therapy Vocational Course. The first group of recipients will graduate in April 2014.

The SSF GG Lions Club hopes to continue this project and help more youths to find jobs and earn money to support themselves and their families in the future.

LIONS DISTRICT 4-C4

We Serve - San Francisco to Palo Alto January 2015

FROM THE 2nd VICE DISTRICT GOVERNOR

DG Jack Van Etten
District 4-C4 2014 - 2015
"To Protect and to Serve"

Lions Club has always been an advocate of lifelong learning. In support of this advocacy, our own GLT/GMT has been providing our members a wide spectrum of learning and development opportunities. The upcoming Train The Trainer Program is one event to look forward to. My sincere appreciation and congratulations to everyone comprising the GLT/GMT team for their time, efforts, and dedication in making sure our Lions are accorded with relevant learning opportunities at its highest standard.

On January 17-19, 2015, another well-attended, most interesting, enlightening, and fun conference was concluded - the 2015 MD-4 Lions Leaderships Institute in Ontario. I was pleased to have attended the said conference which I thought was a huge success and exceeded all expectations.

Another learning and development opportunity is upcoming, that is, USA/ Canada Lions Leadership Forum which will be held on September 17 -19, 2015 at

Grand Rapids, Michigan. This early on, I would like to enjoy you to attend and participate in this forum and together let's take advantage of this annual opportunity and tradition of excellence

to continue to learn and develop, reconnect to fellow Lions across boundaries, and rededicate to Lionism. Preparations and registrations are well underway. More information can be found at <http://lionsforum.org/index.html>.

On an equally important note, we are all excited about Lions Club's reaching a great milestone...Lions doing 100 years of humanitarian work! In our district, hundreds of Lions and non-Lions alike are expected to converge in March of 2017 to commemorate Lions unwavering commitment to public service/humanitarian work through the years. For the meantime, on March 28, 2015, District 4-C4 will hold a kick-off party at Mission Blue, so save the date!

Last but not the least, our Annual District 4-

C4 Convention is fast approaching. This year's convention has been set on May 14 - 17, 2015 in the great city of Sacramento. This Convention has become the most important annual gathering in our District calendar as it gives us the opportunity to promote and strengthen our camaraderie through fun-filled and exciting activities, and at the same time elect our new set of leadership for the next Lions Year.

This year's theme, "Law Enforcement Past & Future" and our focus "To Protect and To Serve" perfectly aligns with our priority, indeed the reason for our existence as an organization, is To Serve. Our convention is but a fitting venue to promote and celebrate such advocacy - our annual convention brings people together for mutual support, education, and inspiration.

I would like to thank in advance our Convention Committee volunteers headed by PDG Esther Lee for all their fine work and excellent planning to ensure that this year's convention promises to be one to remember.

Cheers, Lions!

FOSTER CITY LIONS present TWO GIANT CHECKS

The Foster City Lions were recognized at the Monday February 2, 2015 City Council meeting for the presentation of two major donations to support their community:

- \$10,057.87 representing our Club's donation to the City from July 4th parking funds raised.
- \$10,000.00 representing our Club's donation to the Foster City Foundation for the Foster City Lions Memorial to be built at the new "Destination" Park (along Beach Park Blvd.).

Lion and Foster City Mayor Art Kiesel led the Foster City Council members in applauding our work and thanking us for our generous donation to the City. Members of the public present also thanked us for what we do for our community! It's good to be recognized for our work, yet, better to know that we really do make a difference! AROUND the DISTRICT

LIONS VETERANS CHARITIES UPDATE:

FYI we will be reducing our support of the USO/SFO; we buy and deliver over \$900 of supplies every two months (items as requested by USO/SFO), or over \$5,000 each year; this year, as in most past years, our "USO Night" fundraiser made a bit over \$4,000 (and donations from only 8 to 10 of the over 50 Lions Clubs in our District!).

For the second year, we asked the USO/SFO to help us publicize our fundraiser (using our flyer) and possibly suggest purchase of our tickets to their local supporters, and received no response! However, we have also heard that USO/SFO is receiving large annual grants from other local organizations.

With the large Homeless Veterans (and Homeless Civilians - men, women and even children; 7,000 in SF, 8,000 in San Mateo County and over 8,000 in Santa Clara County)) in great need for shelter, food, warm clothing and support, we will be devoting a great deal

more time, effort and resources from this year on - you will be hearing more about our efforts this year; we have developed a simple and easy to build construction plan for livable/clean shelters with food service and sites in specific locations, as well as a hiring plan for veterans, for development throughout our District (except San Francisco, which is a unique and difficult site for any housing).

We hope to have four major approvals and public agency support by the middle of this year. Per our past discussions, Lion Gwen Strain has moved to Las Vegas recently; I am sure you will hear more.

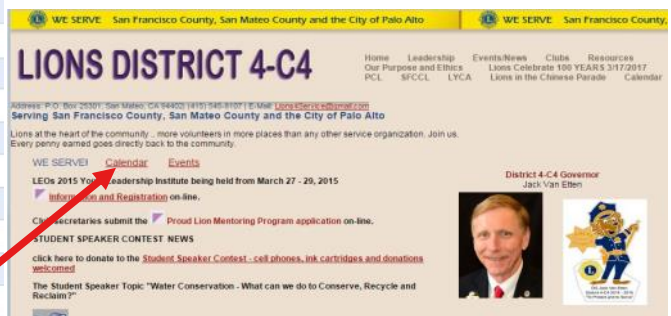

Thanks again.
