## **Foster City, Belmont and Redwood Shores Lions Help Save the Music**

Three Lions clubs, Foster City, Belmont and Redwood Shores, partnered to support a food booth at the 9th Annual Save the Music Festival to help the Belmont-Redwood Shores Public School Foundation (<http://www.schoolforce.org/>) which organizes various fundraisers.

This year the Festival was held at the Belmont City Hall grounds with help from local city government to help support their community schools. Each year the School-Force Board works with the Belmont-Redwood Shores School District to identify key funding requirements that are not met by other district revenue sources.

This year School-Force donations are funding the elementary school instrumental music program, reading specialists, science specialists, and extended library hours. School-Force was founded in 2001 by a group of parents looking to save key educational programs that were slated to disappear from the district due to budget shortfalls. Over the past six years, School-Force has raised over 2.6

million dollars to keep quality education programs across the six schools of the Belmont-Redwood Shores school district.

In addition to raising funds, School-Force is dedicated to raising community awareness of the key issues faced by the district, and of the steps that we can take as a community is to ensure that all of our children receive a quality public education.

The event was a blast to participate in and partnering with the Belmont and Redwood Shores Lions was even better! We raised over \$1,000 for the Lions and \$400 for the Festival and had a great time!

*We Serve - San Francisco to Palo Alto - October 2009*

## FROM THE DISTRICT GOVERNOR

October 2009 is a month that will be hard for me to forget. I

began the month in a charity walk, dressed as a pink poodle, and ended the month at a Lions Halloween party, dressed in that same costume. However, all of the events that occurred this last month, can hardly be described as pinkish folly. To the contrary, the Lions of our District proved their commitment to service and addressed the needs of our communities – even with a DG dressed in pink chiffon.

The aforementioned charity walk, Walk for Hope, brought thousands together across the country to kickoff Breast Cancer Awareness Month. A small group of us partnered with Lions and friends from neighboring District 4-C6 and walked 3 miles along the sunny Embarcadero, in honor of our past and surviving friends and loved ones. Our two Districts, organized by Lion Linda Pugliese of 4-C6, raised over \$10,000 for City of Hope. We will continue to strengthen our support for COH and will return next year with more money, more Lions and maybe even one dressed as a pink poodle.

The following weekend brought another guest, PDG Carl Burson. He arrived in town to perform our District's first Extension Workshop - meant for starting new Lions clubs. Although he was deathly ill, 1stVDG Mike Simonini, helped organize the workshop. The 2-day workshop consisted of training and orientation methods needed to encourage community members to consider joining a new Lions club in their neighborhood. Our Extension Team of PDG Al Russell, VDG Esther Lee, Lions Margaret Lee, Rudy Pedagat and Bill Stipinovich, successfully canvassed the West Portal District of San Francisco and made numerous contacts amongst

the merchant community. Up next, is a follow-up orientation meeting and more contact with the neighborhood.

There was no rest for the weary as the third weekend of October brought in some special guests for the

first time in seven years - the Council of Governors. The leaders of the 15 Lions Districts of California converged on the Crowne Plaza of Foster City to discuss the business of the Multiple District. In addition, there was training for the VDG's and membership workshops for all of us. However, the pride of our District was evident throughout the weekend as many of our host Lions showed great warmth and hospitality to our guests. Speaking of hospitality, the team of PDG's Mel Phillips and Ray Rosenthal along with members from the Marina-North Beach, Millbrae and San Bruno Lions clubs, proved that we can throw the best parties. Capped off with a Saturday night return to the Psychedelic '60's, the visiting Lions left town frazzled, dazzled and buzzing about 4C4.

And on the fourth weekend, the DG rested.

The fifth week of October was busy as ever, as we embarked on the District Governor Visitations. It was a hefty schedule as we visited 5 clubs, on our way to 45.\*

I truly look forward to visiting and meeting all of you. And I am thoroughly proud to be a Lion and serving with you. Amy and I are having a great time – a memorable time. It's a busy, hectic and crazy road, but I wouldn't have it any other way.

All you need is Love, DG Ken

*\*Editors Note: For the schedule of November Visitations, see page 4*

## FROM THE 1st VICE DISTRICT GOVERNOR

Hello All LIONS:

The district had a very good extension workshop ( I missed it due to an illness). We we are on our way to a new club in the West Portal District in San Francisco.

The district also had a very successful Council of Governors meeting in Foster City. Great job D.G. Ken and Amy . Thank you also to the Marina-North Beach Lions, Millbrae Lions and the San Bruno Lions for supporting 3 great cocktail parties. Thank you Sylvia ,Rose, Al , Tony and Loretta for all your help and to PDG Art who was delayed.

On the Thursday before the COG meeting all of the 1st VDG's had an all day training class to become DG's. That evening all of the 1st's went up to the Lion's Eye Foundation clinic for a tour .The tour was GREAT. Any time you have a chance to tour the clinic please do so. The things that they can do there are just remarkable. Please SUPPORT the Foundation . After the tour we were treated to a Great dinner. Thank you to Mark for all the planning for not only the tour but the great dinner, we won't forget you.

See all at the upcoming cabinet (assembly) meeting November 14.

1st VDG Mike

## FROM THE 2nd VICE DISTRICT GOVERNOR

My Fellow Lions,  
Here are some updates on my activities, I just completed my 2nd Extension Workshop which was given by GMT PDG Carl Burson. He is an excellent trainer who gave us the confidence to reach out to the community of West Portal. Your help is needed in the formation of a club in West Portal. If you know someone in the area, we'll greatly appreciate the information.

I would like to extend my congratulations to DG Ken and Lady Amy who made our COG experience fantastic. It was a lot of fun! Thanks to our Cabinet Officers, Rudy, Jon, Sandee, Toni, Verdie, Doug, Al H and PDG Mel, PDG Ray and to the Lions who at-

tended and supported the Council events, my fellow Lions you made us proud. Special thanks to Lady Pat Phillips, Lady Christina, 2nd VDG Jan Gustavel and my club members for helping me host the Thursday night cocktails.

District Governor Ken's Official Visitations just started and I'll try to attend most of them. The clubs we visited have good projects, community oriented, and involving the merchants in their area. My advice to them is - don't forget to invite these businesses to your meeting. Maybe they would like to be a Lion. If you need help in this aspect, call the MERLO team, they'll be more than happy to assist you.

We (Lion Leland and myself) will be away from November 20-22nd as invited guests of 4-L3.

Happy Halloween!!!!!!  
Lion Esther

## FROM LIONS INTERNATIONAL

### ENVIRONMENTAL PHOTO CONTEST

Every Lion (from a club in good standing) is eligible to enter a photograph of his or her immediate surroundings into a **club-level Lions Environmental Photo Contest**.

The purpose of the photo contest is to showcase the beauty of nature. In 1972, Lions Clubs International made a commitment to protecting the environment.

Lions can enter photographs of their environment in one of the following five categories:

- **Animal life** (without people in the photograph)
- **Plant life** (without people in the photograph)
- **Urban or natural landscape** (without people in the photograph)
- **Weather phenomenon** (without people in the photograph)
- **Lions Move to Grow Green** – photos of Lions performing an environment project

Winning club-level photographs will advance to the district, multiple district, and international competitions. Registered attendees of the Lions international convention will vote for the six (includes Best of Show) international photo contest winners.

The six photos will appear on the Web site. The six Lions photographers will receive an award.

Check out the website for: Photo Contest Rules, Multiple District Entry Form, Lions Environmental Photo Contest PowerPoint and much more.

## LIONSBROADCASTING.COM

Fellow Lions:

I met Lion Jim Etherington a few weeks ago to learn about a new online search engine specifically tailored for Lions. (It was actually first developed for Chamber of Commercences). LionsBroadcasting.com will answer all of our District and club needs for an up-to-date and professional website. But that's only the beginning - because it's much more than just a website - it's a local search engine, powered by Google. I can't begin to explain the numerous features available, from fulltime maintenance to online purchasing/booking for your Lions events - yes, you can actually purchase tickets to a crab feed!

In addition, and probably the best feature - the District and participating clubs can make annual revenue. The sponsoring District and participating club will receive a portion of the subscription costs of local businesses that join.

Clubs can expect to pay \$300 for the first year and \$249 for each subsequent year. They will receive a full-blown website and all the features of the search engine.

Businesses will pay the same rate and receive the same services, however the District and the sponsoring club will take a portion of their annual subscription. See for yourself. Go to LionsBroadcasting.com and look around. Enter Diablo Valley Lions and see what they've done so far.

Let me know if you'd like to see a demonstration at our Assembly Meeting.

## LIONS OBJECTIVES

- To Create** and foster a spirit of understanding among the peoples of the world.
- To Promote** the principles of good government and good citizenship.
- To Take** an active interest in the civic, cultural, social and moral welfare of the community.
- To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
