President Message Lion Victoria

I wanted to take the opportunity to introduce myself to the members that might not know who I am. I am Lion Victoria Sciacqua and I am your Incoming President for 2017/2018. I have been a Lion for 2 years now and have served as Club Secretary for the last year. I have learned so many things from my Sponsor, Lion Ken Ibarra and our current President, Lion Maryah Tucker. I have attended numerous Lion's events such as Cabinet Meetings, Officer Workshops and, most recently, our District Convention. I am very excited to serve as your President come July and lead our Club in some amazing projects.

During my term as President, one of my goals is to grow our membership as well as increase the attendance at our monthly dinners and functions. I would like to ask all of you to consider asking a friend or family member (or two!) to join our Club and help us to serve those with Special Needs. I would also like to ask all of you to join us for our monthly dinners held on every second Wednesday of the month at the Burlingame Lions Hall. These dinners are for fellowship and fun! We will be having raffles, Bingo, dance lessons and so much more! Our next dinner will be on Wednesday, June 14th. Bring a friend and come and meet your Incoming Board Members! Please be sure to RSVP so we can be sure to have enough food! We will also be hosting events outside of our monthly dinners so not to worry if you can't make it on Wednesdays! Just keep an eye out for the Monthly Newsletter for upcoming events!

In closing, my vision for my Presidency is to increase the ways that we serve our Special Needs community and the legacy that we leave behind. I hope that you will join me and help me make special things happen!! If there are any Special Needs service projects that are near and dear to your heart, please reach out to me. We are always looking for new ways to serve!

I look forward to meeting those of you who I haven't met yet and seeing those of you who haven't been to a dinner in a while!!

Here's to an extra SPECIAL year and introducing more of our Communities to BASO!!

August Meeting PDG Ken Ibarra

On behalf of District Governor Mario, I am contacting all of our district's Assigned Guiding Lions - those important club advisors who are currently working with one or more of our 15 newest clubs. As you know and are more than likely experiencing, being a Guiding Lion is not that easy, and no matter how ambitious and enthusiastic you may be, there are ongoing challenges. Those challenges ultimately reflect on how well the new club is functioning - how are these new members and officers managing? We'd like to discuss these challenges and offer some help.

The district has grown quickly in the last two years. The newly formed Global Action Team (GAT), comprises teams focused on Leadership, Membership and Service in order to assist our members and clubs. They are tasked with assisting all clubs, but more importantly the new clubs that also have a majority of new members.

The new Global Membership Team Coordinator for MD4 California, PDG Warren "Buck" Larson is visiting our district in August and would like to speak on Membership & Service. DG Mario would like to gather the Guiding Lions of the District - the "mentors" of the new clubs - and hear an important message from PDG Buck. They will in turn, deliver the message to those 15 new clubs, in hopes of providing an added boost or just some simple advice or assistance. It is important you make every effort to attend.

On behalf of DG Mario and the GAT, I would like to thank the Bay Area Special Olympics Lions for hosting this worthwhile dinner get together. We look forward to seeing all of you next Wednesday.

Lions Clubs International Purpose

- **To Organize**, charter and supervise service clubs to be known as Lions clubs.
- **To Coordinate** the activities and standardize the administration of Lions clubs.
- **To Create** and foster a spirit of understanding among the peoples of the world.
- **To Promote** the principles of good government and good citizenship.
- **To Take** an active interest in the civic, cultural, social and moral welfare of the community.
- **To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.
- **To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- **To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs Code of Ethics

- **To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- **To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- **To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.

- **To serve** extraordinary Special Olympic athletes by supporting them in their efforts through respect, encouragement, enthusiasm, volunteerism and giving.
- **Impacts** lives and improves communities, with a primary focus on projects that serve people with intellectual disabilities.
