## President Message ..... Lion Victoria

Hello Fellow Lions and Happy September!

I hope this newsletter finds you and your families well! Our first General Meeting of the 2017-2018 year was very enlightening as we hosted Guest Speaker, PDG Warren "Buck" Larsen. Buck spoke to the Guiding Lions of our District on how they can help their young clubs increase membership and their reach in their communities. As a fairly young club ourselves, it was an honor to have District Governor Mario Benavente ask us to host this meeting.

District Governor Mario will also be joining us for his Visitation at our September 13<sup>th</sup> General Meeting. I would love to have all of our members present to show DG Mario that while we are a small club, we support him 100%! So please, join us for fun, fellowship and dinner on Wednesday, September 13<sup>th</sup>.

In closing, I would like to ask all BASO members that have not been to a General Meeting in a while to please come to one. There are a few of you that I have not had the pleasure of meeting yet and I would love the opportunity to get to know you better! We are working on some fun service projects, dinner functions and fundraisers. Please join us!

I hope to see you all very soon and working with you in Making Special Things Happen!

**PCL This Year ..... Lion Maryah**

As the new president of the Peninsula Council of Lions (PCL) I have been spending some time thinking about somethings I would like to try as well as things I want to change.

The first, is there will be no head tables at anything other than the police and fire awards. The six of us that make up the PCL board are just a representation of the clubs on the Peninsula. I am honored to represent BASO on this board.

The second change I am making is that each month we will be putting heart dishes on every table, in hopes that all of us Lions will fill them with change or even some bills. The hope is that we can make some small donations to different charities every month. The charities will be picked by the board and the hosting club, however if you have one that you would like to suggest please feel free to send me the name and a short reason why we should consider them.

The third thing is that I think we all go to enough meetings every month, so this year PCL is not having any meetings. We will be having monthly gatherings. I know it sounds like it is the same thing but trust me it is not. This year I am hoping that each month we will remember that PCL is about getting together with other Lions to socialize and get ideas from each other.

Hope you can join us for our fist gathering on September 25.

### Lions Clubs Code of Ethics

- **To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- **To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- **To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- **Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- **To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- **Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- **To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- **To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.
