“The Roar of the Pride”

October 15, 2017

Dear Fellow Lions,

As of last night, over 221,000 acres were effected by fires and over 3,600 people were in shelters in Northern California. Entire neighborhoods and communities have been destroyed. The last several months the United States has seen biblical level destruction. On Facebook, residences of Burlingame are sharing pictures of uncles, parents, brothers, sisters, and close friends whose lives and homes have been ravaged by the wildfires. The iconic residence of Charles Schultz was consumed by fire; however, his wife escaped safely. Thirty-four have been confirmed dead and hundreds are still missing.

These events remind us how fragile and valuable our lives and communities are. It's a good time to reassess your emergency preparedness and readiness. I was watching a Ring video (i.e. front door camera you can buy at Costco) of a St. Catherine parent that showed his house motion detector camera being triggered at 4 am on Monday. It displayed a bright fire lit sky in the near distance. Then at 4:20 am the camera captured part of his house structure catching fire. Then at 4:30 am the camera went blank as the whole house was engulfed in flames. That's about three snoozes on an alarm clock. For those who are procrastinating your emergency preparedness please do it now. May you, your family, and friends be safe and prepared. May God bless those effected by the fires and disasters around the world.

At our Thursday luncheon, the members will discuss what are ways within our constraints and resources the Burlingame Lions can help the fire victims. Also, this Thursday our speaker is the Director of CALL Primrose, Terri Boesch. She will present an overview of the needs and projects of CALL Primrose. I look forward to seeing everyone at our luncheon.

In addition, as a group we will discuss the theme and entertainment for October's evening meeting.

Thank you for your service.

Haunted Hideaways

Do you have the desire to hunt down ghosts and goblins this Halloween? Go face to face with the undead?? Here are some haunted places that might entice you to spend an evening:

- **Water Dog Lake, Belmont:** A ghost of the water dog resides here. Some say the water dog killed a boy there. According to a newspaper story, the boy was killed by a murderer, who dumped the body at the lake.
- **Lullaby Lane Baby Store, San Bruno:** It is believed to be haunted by Jean Brown, a former employee, who died of lung cancer in 1980. Paranormal activity has been experienced here.
- **Moss Beach Distillery, Moss Beach:** The restaurant is said to be haunted by the Blue Lady, who folks say died near the restaurant.
- **USS Hornet, Alameda:** The retired aircraft carrier is said to be the most haunted warship in the world. It's said that there are ghosts of the ship's Chaplain from WWII, two doctors, a rear admiral, and many ordinary soldiers. Lion Hap Pedigo, who is a frequent visitor to the Hornet, will be happy to lead an expedition to the USS Hornet Haunted Mystery Tour.

The Lions Peace Poster Contest

For the last 30 years Lions clubs around the world have proudly sponsored the Lions International Peace Poster Contest in local schools and youth groups. This art contest for kids encourages young people worldwide to express their visions of peace.

The theme of the 2017-2018 Peace Poster Contest is "The Future of Peace." Students, ages 11, 12 or 13 as of November 15, are eligible to participate.

The Grand Prize winner receives \$5,000.00 and a trip to a special award ceremony. Each of the 23 merit award winners receive an award of \$500.00.

WHO WILL BE SHOWING UP AT YOUR DOOR THIS YEAR?

Each year there are certain favorite costumes for Halloween. In the past, these were Halloween favorites: The Joker, Lara Croft, Yoda, Pokémon characters, the Minions, and the Smurfs.

The trend in costumes is influenced by movies and current events.

Here's what's popular now.

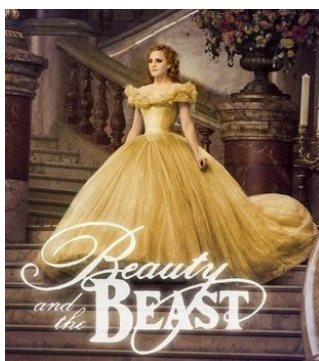

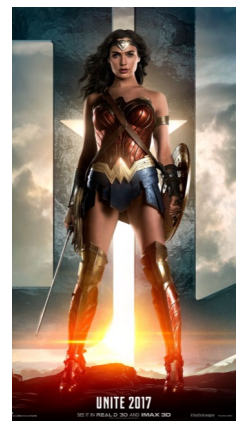

If you don't suffer from coulrophobia yet, you will after Pennywise visits you. He's the creepy killer from "It". Beware of balloons.

If Game of Thrones is more to your taste, you might enjoy a visit from a White Walker.

If heroes are more to your liking, you might enjoy someone from Guardians of the Galaxy. Rocket, Drax, Gamora, Groot or Star-Lord.

Wonder Woman is a long time favorite. She's back fighting evil...and winning.

If beauty and charming comes to mind, then a costume from Beauty and the Beast will make your day

Sometimes reality is the scariest of all. These two masks might be the most scary because they're real.

The month of October is important to Lions around the world for it honors a commitment made to Helen Keller in 1925. She attended the Lions Club International Convention in Cedar Point, Ohio, and challenged the Lions to become **“Knights of the Blind in the crusade against darkness.”** The Lions had already been involved in helping those with visual disabilities prior to this event, but the challenge was taken to heart and preserving sight became an integral part of every Lions Club.

The development of the white cane for people with severe visual loss came out of the Peoria Lions Club. Lion George Bonham helped to develop the white cane with a red tip to assist the blind in independent mobility. October 15th is White Cane Safety Day. It is a day to increase awareness of those who use the white cane:

- Signifies that the pedestrian using it is blind or visually impaired
- Alerts motorists of the need to exercise special caution and provide the user the right of way
- Symbolizes the independence, confidence and skills of the person who is using it

Here is a link to a video produced by Lions International on our dedication to sight conservation:

<https://www.youtube.com/watch?v=gN8kr8y7dHs>

Since 1988, Lions World Sight Day was held in October to focus attention on eliminating preventable blindness and improving sight. It is in October that Clubs are encouraged to hold sight related programs: eyeglass collection, screening for vision and diabetes, and stress the importance of staying healthy to preserve your vision.

It's a White Elephant Auction

We are planning a White Elephant Auction for Friday, November 10, 2017 at the Lions Hall. It will be a grand event. . spaghetti dinner, silent auction, and a live auction. We'll have a team of auctioneers to keep the bidding exciting and lively.

We need you to donate White Elephant items for the live auction, as well as suitable items for our silent auction. The silent auction items can be gift certificates for service or food, material items that have reasonable value, collectible items, or something that would attract bidding. Contact Lion Len Ma to donate to this event, or if you have questions.

This event will be a fun-filled success if we have a full house, so bring your friends and family. The cost will be very reasonable, so there isn't any excuse for not attending.

CHECK OUT THE FLIER AT THE END OF THIS BULLETIN.

Proceeds from this function will benefit the Administrative fund of the BLC.
