President's Message:

Lion President Don Fleming

Happy New Year everyone. We are entering a new year and the 2nd half of my term as president. I am very pleased with the things we have done so far this year, and I am sure we will do even better through the rest of the year.

I hope more of you will attend our club social on January 5, 2018 at the police training room at Daly City, City Hall. The event last year was a great place to meet and socialize with our fellow Lions. Remember this is a potluck so bring an item to share. Hope to see you there.

Speaking of meeting and greeting other Lions, I also encourage you to attend our regular meetings. Bring a friend and get them interested in being a Lion. The more members we have the more things we can do for the community and those in need. Even though Lions International puts more emphasis on service projects rather than meetings, it is still nice to see everyone once in a while. Please make a point of attending a meeting occasionally.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

January Laughs

Another Year Has Passed

Another year has passed
And we're all a little older.

Last summer felt hotter
And winter seems much colder.

I rack my brain for happy thoughts,
To put down on my pad,

But lots of things, That come to mind
Just make me kind of sad.

There was a time not long ago
When life was quite a blast.

Now I fully understand
About 'Living in the Past'.

We used to go to friends homes,
Football games and lunches.

Now we go to therapy, to hospitals,
And after-funeral brunches.

We used to have hangovers,
From parties that were gay.

Cont.

Another Year Has Passed Cont.

Now we suffer body aches
And sleep the night away.

We used to go out dining,
And couldn't get our fill.

Now we ask for doggie bags,
Come home and take a pill.

We used to travel often
To places near and far.

Now we get backaches
From riding in the car.

We used to go out shopping
For new clothing at the Mall

But, now we never bother...
All the sizes are too small.

That, my friend is how life is,
And now my tale is told.

So, enjoy each day and live it up...
Before you're too damn old!!
