Daly City Host Lions Club

Chartered February 26, 1941

President's Message:

Lion President Don Fleming

Happy Valentines Fellow Lions.

February is often a dreary month, but this month seems to be a bit more upbeat with several events occurring or being planned.

We have a District Cabinet Meeting occurring this Saturday. If you are interested in attending contact Secretary Denise immediately.

A planning session for Spring Fun happened last Monday.

We are also hosting two awardees for the Police and Fire awards Dinner on March 16th. Plan on attending and supporting the awardees.

The District Convention will be held May 3-6 in Redding. I would encourage you to attend. It is a fun time enlightening and educational.

Please consider volunteering to serve on the 2018-2019 Board of Directors. New members on the Board help keep the club fresh and bring new ideas for success. The election is schedule for March 21st.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

February Laughs

A White Lie Cure

A woman went to the doctor's office with chronic hiccups. She was seen by a young new doctor. After about 3 minutes in the examination room, the doctor told her she was pregnant. She burst out of the room and ran down the hallway screaming.

An older doctor stopped her and asked what the problem was. After listening to her story, he calmed her down and sat her in another room. He then marched down the hallway to the first doctor's room.

"What the hell is wrong with you?" he demanded. "This woman is 68 years old, she has two grown children and several grandchildren, and you told her she was pregnant?!!"

The new doctor continued to write on his clipboard and without looking up said, "Does she still have the hiccups?"

Stomachache

Little Susie, a six year old, complained, "Mommy, I've got a stomachache."

"That's because your stomach is empty," the mother replied. "You would feel better if you had something in it."

That afternoon, Susie heard her father complaining that he had a severe headache all day.

Susie perked up, "Daddy, you have a headache because your head's empty", she said. "You'd feel better if you had something in it."
