Daly City Host Lions Club

Chartered February 26, 1941

President's Message:

Lion President Don Fleming

Well, May is almost here and we begin to see the effects of the rain. Lots of flowers and warmer weather. We can be outside with a more positive attitude and get ready to celebrate numerous holidays, Cinco de Mayo, Mother's Day and Memorial Day. As we get out more we need to think of energizing our Lions Club with better participation and new members.

As a service club we need members who are active and willing to work for the benefit of our community. It is important for all of us to be thinking of additional things we can do to improve our community. We need everyone to help build a better club. Remember to participate in our efforts to grow and improve the Daly City Host Lions club.

Meet your Fellow Lions!

Each month we will be featuring Daly City Host Lions club members in a column titled "Meet you Fellow Lions." This month we are featuring **Lion Bob O'Donnell!**

Jackie and I have lived in Pacifica since 1973, where we raised our three children. We now have four grandchildren, 17, 13, 10, and 7 who bring us great enjoyment. I joined the Daly City Fire Department in 1972 as a Firefighter and retired in 2002 as Fire Chief and will always be very grateful for my career. I have been a Daly City Host Lion for 20 years, though I am inactive now because of other volunteer commitments including the National Maritime Museum at Hyde St. Pier in San Francisco.

Where did you grow up? *San Francisco, West Portal District, the 3rd of six children in an Irish American family*

Where did you go to school (high school/college)? *St. Cecilia Grammar School, Archbishop Riordan High School, City College, San Francisco State University*

If college, what did you major in? *Double major in Political Science and Geography*

Did you serve in the Military? *U.S. Coast Guard Reserves, 1966-1972 as a Damage Controlman First Class on a Buoy Tender at Yerba Buena Island, San Francisco Bay*

Who was your favorite superhero? *Anyone who speaks truth to power*

What is your favorite song? *"I Dreamed A Dream", from Les Miles*

What is your favorite movie? *Casablanca*

The latest movie you have seen? *Darkest Hour. I enjoy history and it was a great interpretation of Winston Churchill during the gathering storm of World War II*

Favorite Sound? *The gurgling of a trout stream*

Least Favorite Sound? *An unattended car alarm*

Favorite Childhood Memory? *Christmas morning with the family around the tree, presents being opened and the electric train running around the tree stand*

Favorite thing to do in spare time? *I enjoy photography, and woodworking, and gardening*

What is your Favorite food? *All things Italian. Some say my last name should be Odinelli!*

What is your Favorite drink? *Any libation shared with friends*

What is your Favorite vacation spot? *Our cabin in the Sierras*

Farthest you have been away from home? *The Cape of Good Hope, South Africa*

If You could do anything for a day what would it be? *Count my blessings, express gratitude for all that I have been given, and savor my family and friends. And maybe finish with an Italian dinner and some good wine.*

Bob with wife Jackie.

Lions around the World!

On her recent vacation Lion Kikei Wong took this photo at Victoria Peak, which is the highest mountain on Hong Kong Island. The view from the observation area offers a beautiful panoramic view of the city. At one of the observation areas, I found this archway with the Lions International symbol. The text underneath states that this monument/plaque was dedicated on 2/28/1975 to the Lions Club of Tai Ping Shan (the Cantonese name for Victoria Peak, literally translating to "pacific mountain peak" or "mountain peak of great peace"). The four large characters in the middle of the bottom plaque say "the foundation is set forever" which I think is wishing a good start/foundation to either the club or the monument. Next to the Lions Club International Symbol says Tai Ping Shan Lions Club.

Daly City Host Lions Recycling Opportunities

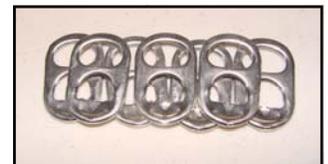

Don Riker Recycling Fund—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

Bread Tags for Wheelchairs— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

Cancelled Stamps for Easter Seals—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

Pull Tabs—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonal House.

Empty Ink Jet Cartridges—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

Vehicle Donations—Contact Lion Ed Dollard to donate your unwanted vehicle. This is joint project with St. Vincent de Paul Society.

Keys for Sight—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.
