## President's Message:

Lion President Don Fleming

As we enter the last month of this Lions year 2017-18 I realize there are still more things that we could do, but to do them we need more members and more participation from our existing members. I challenge all of us to recruit new members and be more active in our endeavors.

This year has been amazing we have accomplished much, eyeglass collection, Pasta Bingo events, vision care, vision testing in the schools, parties for seniors, spring fun day, financial aid to other groups as needed, and activities I have forgotten at this moment. At the recent 4C4 District Convention it was my job to collect all the awards this club earned during the year. It was amazing to realize what we have accomplished during year.

I thank you all for allowing to be your President this year.

# Daly City Host Lions Recycling Opportunities

**Don Riker Recycling Fund**—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

**Bread Tags for Wheelchairs**— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

**Cancelled Stamps for Easter Seals**—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

**Pull Tabs**—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonal House.

**Empty Ink Jet Cartridges**—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

**Vehicle Donations**—Contact Lion Ed Dollard to donate your unwanted vehicle. This is joint project with St. Vincent de Paul Society.

**Keys for Sight**—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

# Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

## Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

## Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

# June Laughs

## Leaving a Note

A man returned to his parked BMW to find the headlights broken and considerable damage to the front end of the car. There was no sign of the offending vehicle, but he was relieved to see that there was a note stuck under the windshield wiper.

The note read: "Sorry I just backed into your car. The witnesses who saw the accident are nodding and smiling at me because they think I'm leaving my name, address and other particulars, But I'm not."

## Great Cake Recipe

You'll need the following: a cup of butter, a cup of sugar, four large eggs, two cups of dried fruit, a teaspoon of baking soda, a teaspoon of salt, a cup of brown sugar, lemon juice, nuts, and a bottle of whisky.

Sample the whisky to check for quality. To be sure it is the highest quality, pour one level cup and drink.

In a large bowl, combine butter with sugar. Turn on the electric mixer, beat sugar and butter until fluffy.

Sample and add one teaspoon of sugar if needed, mix again.

Make sure the whisky is still okay. Cry another tup. Turn off the mixer. Break two eggs and add to the bowl and chuck in the cup of dried fruit. Mix on the turner. If the fried druit gets stuck in the beaterers pry it loose with a stapula.

Sample the whisky again to check for tonsisticity. Next, sift two cups of salt. Or something. Who cares? Check the whisky. Now sift the lemon juice and strain your nuts. Add one table. Spoon. Of sugar or something. Whatever you can find.

Grease the oven. Turn the cake tin to 350 degrees. Don't forget to beat off the turner. Throw the bowl out of the window, check the whisky again and go to bed.
