President's Message:

Lion President Don Fleming

First of all a big hurrah for the fantastic job at our Pasta Bingo event. We netted \$2,500.00 on this activity. That's the best we've ever done. It is all because of the great effort of our members and volunteers. Congratulations!

Pasta Bingo Crew!

We have additional events coming up which we will need help from our members. We have Make a Difference Day coming up on October 28, 2017 which we will need help on from our fellow Lions.

We also have our first vision screening of elementary school students of the Jefferson Elementary School District Contract Secretary Denise for training in the use of our screening camera.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

October Laughs

Census Worker

The census taker knocked on Donna's door. She answered all his questions except one. She refused to tell him her age.

"But everyone tells their age to the census taker," he said.

"Did my next door neighbors, Miss Maisy Hill and Miss Daisy Hill, tell you THEIR ages?" she asked.

"They certainly did," he replied.

"Well, I'm the same age as they are!" she snapped.

"As old as the Hills," he read out loud as he wrote it on his form.

Rusty Driver

The Pope is super early for his flight. He asks his driver on his way to the airport if he could drive around for a while because they have time to kill and he hasn't driven a car since becoming the Pope.

Naturally, he's a bit rusty, so he's driving poorly, when suddenly he sees police lights behind him. He pulls over and when the officer comes up to the window his eyes go wide. He says to the Pope "Hold on for a minute," and goes back to his car to radio the chief.

Cop: "Chief we have a situation. I've pulled over an important figure."

Chief: "How important? A governor or something?"

Cop: "No sir. He's bigger."

Chief: "So, what? a celebrity or something?"

Cop: "More important, sir."

Chief: "A major politician?"

Cop: "No sir, he's much more important."

Chief: "WELL WHO IS IT!?"

Cop: "Well actually I'm not sure. But the Pope is his driver."
