President's Message:

Lion President Don Fleming

We begin November with a bang, our first meeting is the first day of the month. I hope you didn't overeat on trick or treat candy. Oh well plenty of time to diet before Thanksgiving Day. We are also changing our meeting location back to the Doelger Center, less noise and easier parking.

During the month we have several activities for members to participate in and help the community. Vision screenings on November 2, 7 and 13, supporting our club at the Project Read Trivia Challenge on November 3rd, and the Peace Poster Contest Award Presentation on November 8th.

AS we are all aware, We Serve is our motto and our goal. To that end we need to increase membership and invite more people to become aware of who we are and what we do. Do everything you can to spread the word.

7th Annual Holiday Event at Hillcrest Gardens

It is hard to believe but it is that time of year again and we are preparing for our Holiday Event for the seniors living at Hillcrest Gardens. This is our 7th year and once again we would like to present each of the 50 residents with a \$20.00 Target Gift Card and a light lunch of soup, bread/butter, and cupcakes for dessert.

The estimated cost is \$1,300.00. As in the past, we are asking each Daly City Host Lion to make a donation toward this event – every amount helps, so please give what you can. We would like to have all of your donations received by November 15th as the event is scheduled for Friday, December 8th.

You can bring your monetary donation to a meeting, reply to this email to make “delivery” arrangements, or mail to Daly City Host Lions Club, P.O. Box H, Daly City 94017. You can also contact me to pay by credit card. Donations are not limited to just Daly City Host Lions Club – if your employer would like to help sponsor this event please let me know.

Please contact Lion Secretary Denise Kelly if you would like to donate the soup, bread, or cupcakes (we have the butter in our event supplies).

Your time on Friday, December 8th is also needed to help transport items from the food pantry to 31 Hillcrest Drive (just around the corner), to serve and clean up at Hillcrest Gardens, return the items to the food pantry, and clean the supplies.

WE CAN'T DO IT WITHOUT YOUR HELP!!!

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

November Laughs

An Old Dog

An old, tired-looking dog wandered into the yard. I could tell from his collar and well-fed belly that he had a home.

He followed me into the house, down the hall, and fell asleep on the couch. An hour later, he went to the door, and I let him out.

The next day he was back, resumed his position on the couch and slept for an hour. This continued for several days. Curious, I pinned a note to his collar: “Every afternoon your dog comes to my house for a nap.”

The next day he arrived with a different note pinned to his collar that read: “He lives in a house with four little, loud children. He’s trying to catch up on his sleep. Thank you for letting him nap at your place. Can I come with him tomorrow?”

A Golf Challenge

A young man who was also an avid golfer found himself with a few hours to spare one afternoon. He figured if he hurried and played very fast, he could get in nine holes before he had to head home. Just as he was about to tee off an old gentleman shuffled onto the tee and asked if he could accompany the young man as he was golfing alone. Not being able to say no, he allowed the old gent to join him.

To his surprise the old man played fairly quickly. He didn’t hit the ball far, but plodded along consistently and didn’t waste much time. Finally, they reached the 9th fairway and the young man found himself with a tough shot. There was a large pine tree right in front of his ball – and directly between his ball and the green.

After several minutes of debating how to hit the shot the old man finally said, “You know, when I was your age I’d hit the ball right over that tree.” With that challenge placed before him, the youngster swung hard, hit the ball up, right smack into the top of the tree trunk and it thudded back on the ground not a foot from where it had originally lay.

The old man offered one more comment, “Of course, when I was your age that pine tree was only three feet tall.”
