District 4-C4 Region Three, Zone One

Daly City Host Lions Club

Chartered February 26, 1941

President's Message:

Lion President Don Fleming

As I complete my 2nd month as president I continue to be enthused by the activities of the members. We have purchased our own camera for vision screening which will greatly expand our ability to serve the vision needs of the community. We continue serving the community in various ways through our members volunteer efforts. The club is active in District 4C4 programs.

The District Governor will be visiting our Club on August 2, 2017. I strongly urge all members to attend this meeting.

On Tuesday August 1, 2017 National Night Out will be held at Serramonte Center near the electronic sign at the front parking area. We will be doing visual screening. I encourage your participation.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

The Truth About How Congress Works

Once upon a time the government had a vast scrap yard in the middle of a desert.

Congress said, "Someone may steal from it at night." So they created a night watchman position and hired a person for the job.

Then Congress said, "How does the watchman do his job without instruction?" So they created a planning department and hired two people, one person to write the instructions, and one person to do time studies.

Then Congress said, "How will we know the night watchman is doing his tasks correctly?" So they created the Quality Control Department and hired two people. One to do the studies and one to write the reports.

Then Congress said, "How are these people going to get paid?" So they created a time keeper and a payroll officer position, then hired two people for the roles.

Then Congress said, "Who will be accountable for all of these people?" So they created an administrative section and hired three people: An Administrative Officer, Assistant Administrative Officer, and a Legal Secretary.

Then Congress said, "We have had this command in operation for one year and we are \$18,000 over budget, we must cut back on overall cost."

So they laid off the night watchman.

The Old Lady, The Bartender And The Scotch

A lady went to the bar on a cruise ship, and ordered a Scotch, with two drops of water. The bartender gave her the drink, and she said, "I'm on this cruise to celebrate my 80th birthday, and it's today."

The bartender said, "Well, since it's your birthday, this one's on me."

As the lady finished her drink, a woman, to her right, said, "I'd like to buy you a drink, too."

The lady said, "Thank you, how sweet of you. OK, then, Bartender, I want another Scotch, with two drops of water."

"Coming up," said the bartender.

As she finished that drink, a man, to her left, said, "I'd like to buy you a drink too." The lady said, "Thank you very much, my dear. Bartender, I'll have another Scotch, with two drops of water."

"Coming right up," the bartender said.

As he gave her the drink, this time, he said, "Ma'am, I'm dying of curiosity. Why the Scotch with only two drops of water?"

The old woman giggled, and replied, "Sonny, when you're my age, you've learned how to hold your liquor. Water, however, is a whole other issue."
