PRESIDENT'S NOTE

Volunteering is generally considered an altruistic activity where an individual or a group provides services for no financial or social gain, but to benefit another person, group or organization. Volunteering is also renowned for skill development and is often intended to promote goodness or to improve human quality of life. Volunteering may have positive benefits for the volunteer as well as for the person or community served. It is also intended to make contacts for possible employment.

The verb was first recorded in 1755. It was derived from the noun volunteer, in C1600, "one who offers" himself for the military service, from the Middle French volontaire.

It's so good that we have Lions and other organizations make a difference in our communities. Keep up all the good work.

Because truly: **Community Service is Best work in Life**

Lions Clubs Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS STAMPS FOR EASTER SEALS

Please remember to bring the stamps to the Club meeting and leave them at the registration table.
Cut out the entire cancellation as shown below.

Fellow Lions,

Regarding our stamp collection, I have sent a large number to the district coordinator in Ventura. These stamps are then sold at stamp titans at Sacramento, Los Angeles. Last year our district office received a check for \$5000 which in turn was handed over to the Easter Seals Project for distribution to charity. Thank you for your help. Please continue to send us your used stamps.

Lions Club / Business Mixer

Membership Drive at the Burlingame Lions Club

On Thursday, March 29, 2018, the Burlingame Lions Club will have a “mixer” with the Burlingame Chamber of Commerce. We expect that 35 to 50 local business representatives will attend (not including Lions). Our guests will include city leaders, department heads, and our honored “Key Note Speaker,” **Lions Club District 4C 4 Governor Mario Benavente.**

In today's world it is extremely hard for paid management to commit their time toward any cause, other than the work at hand.

Our idea is to cultivate the cooperation of business owners and upper level managers toward joining or allowing key employees to join in our charitable endeavors.

Please consider being a part of this “bench mark” move toward increasing membership and ensuring that the noble causes of Lionism continue to flourish in the future. Who knows, perhaps, together, we may find a common way to increase Lions Club membership for all Lions District 4C 4 clubs.

Where: Burlingame Lions Hall

When: Thursday, March 29, 2018, 5:30 PM – 7:00 PM

Cost for participating Lions: **\$10.00 (will include complimentary beer, wine, and appetizers)**

Global Action Team

Empowering Clubs through the Power of Action

The Global Action Team was built with a vision that one day every need in the world will be served by a Lion or Leo. It brings together the three key areas of Lions:

- Leadership development
- Membership
- Service

By unifying the Global Leadership Team (GLT), Global Membership Team (GMT) and Global Service Team (GST) as the Global Action Team, we will create synergy and new opportunities for clubs to grow and serve.

Our Mission – The Global Action Team will champion the vision of LCI & LCIF and build on the passion of our Lions and Leos through service.

Our Goal – To impact over 200 million lives through service, increase our membership to 1.7 million Lions and Leos, and provide learning opportunities to over 500,000 members by the year 2020.

You'll see the Global Action Team Difference

The Global Action Team can help you energize your members and take your club to the next level.

- Get great service resources and dynamic project support
- Identify leadership development opportunities to empower all Lions
- Find compassionate new members and keep current Lions coming back

You can do more good for more people when you have some extra help. That's your Global Action Team. **At the end of the day, it's all about service.**

Passionate volunteers. Dynamic leaders. Innovative service.
