PRESIDENT'S NOTE

Communications

Where has the journey taken us?

Pictures, carvings, sound, language, talking, sign language, letters, telegraphs, telephones, TV's, short wave, walkie talkies, radar, pagers, cell phones, iPhone, computers, iPad, emails, instant emails texts, voice activated texts, hash tags, twitter, Facebook.

Webster's College Dictionary defines it as: the act of transmitting, a giving or exchanging of information, signals, or messages as by talk, gestures, or writing, close, sympathetic relationship the art of express.

In today's time, it not unusual to see a young family in a restaurant with Mom on cell phone, Dad texting and their children on iPad or some type of video game. In Silicon Valley, there are a lot of techie parents that send their children to schools without computers. With that it's time to put down all these techie devices and really try to communicate better with our friends, family, and our Lion friends. So as good Lions, maybe we should actually call a Lion instead of texting a message or emailing someone. Maybe it's better to not reply all. I know it's easier to do it.

But old fashion phone call on one to one is so much better. Sometimes you might get out the wrong message otherwise.

See you at next meeting.

Lions Clubs Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

We believe that depriving children of clean, safe water is not humane, because hydration is particularly important for **children** as they are at a greater risk of getting dehydrated. By protecting and restoring spring waters in the Aeta villages will satisfy the very basic needs of the Aeta people. We aim to improve health and create a new economy without compromising the ability of future generations to meet their needs.

Please consider coming to help us build water cement tanks in six Aeta villages that will save 1200 Aeta families and benefit approximately 6,000 people. Our goal is to raise \$30,000 and this equates to saving the lives of 6,000 at a cost of \$5 per person.

Donations are welcome at www.aetatribes.org and/or www.abcsforglobalhealth.org.

LIONS FIGHT HUNGER

Saturday, May 26, 2018

9:15 am – 1:45 pm

121 Golden Gate Avenue, San Francisco 94102

This is a wonderful opportunity join your fellow Lions (and friends) to participate with District Governor Mario Benavente on his focus on hunger in our community.

Volunteers should be in good physical condition. After a brief orientation we will join staff and other volunteers to serve about 2,600 lunches to our poor and homeless neighbors – between 10:00 and 11:45 we will be serving families and seniors; from 11:30 to 1:30 everyone is welcome. Volunteers will serve trays, bus tables, work on the food line, and in the prep kitchen. All volunteers will have the opportunity to experience several different positions. You are a guest as well and do not need to bring lunches. On your lunch break you will share food and conversation with guests in the Dining Room.

There is street parking on Jones and on Golden Gate; carpooling/public transportation is suggested. We will help coordinate carpools.

St. Anthony's is asking us to pre-register so please email lions4service@gmail.com with the following information no later than May 20th:

- Name
- Club Name
- Best Phone Number
- Would you like to be included in a carpool?

Global Action Team

Empowering Clubs through the Power of Action

The Global Action Team was built with a vision that one day every need in the world will be served by a Lion or Leo. It brings together the three key areas of Lions:

- Leadership development
- Membership
- Service

By unifying the Global Leadership Team (GLT), Global Membership Team (GMT) and Global Service Team (GST) as the Global Action Team, we will create synergy and new opportunities for clubs to grow and serve.

Our Mission – The Global Action Team will champion the vision of LCI & LCIF and build on the passion of our Lions and Leos through service.

Our Goal – To impact over 200 million lives through service, increase our membership to 1.7 million Lions and Leos, and provide learning opportunities to over 500,000 members by the year 2020.

You'll see the Global Action Team Difference

The Global Action Team can help you energize your members and take your club to the next level.

- Get great service resources and dynamic project support
- Identify leadership development opportunities to empower all Lions
- Find compassionate new members and keep current Lions coming back

You can do more good for more people when you have some extra help. That's your Global Action Team. **At the end of the day, it's all about service.**

Passionate volunteers. Dynamic leaders. Innovative service.
