**PRESIDENT'S NOTE**

*Robert's Rules of Order is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations including church groups, homeowners associations, school boards, and non-profits like ourselves.*

*The manual was first published in 1876 by US Army Officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. The most current edition was published in 2011. The copyright to Robert's Rules of Order is owned by the Robert's Rules association.*

*The procedures prescribed by the book were modeled after those used in United States House of Representatives as Robert saw fit for use in ordinary societies.*

*We are so lucky to have this available to us. In our organization we try very hard to follow the Robert's Rules. We use this in our e-Board meetings and our General Membership meetings.*

*See you on the 24<sup>th</sup> of October.*

**TO PROVIDE** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

### Lions Clubs Code of Ethics

**TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**TO SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**ALWAYS** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

**TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

## NOTE FROM THE EDITOR

*Hello Lions,*

*The past two weeks were so eventful at the Foster City Lions Club. First, the Blood Drive organized by Lion Jody with the help of the other volunteers from the club. Then, the USO Night hosted successfully by the Lions Veterans Charities Inc. Finally, the White Cane Bingo Night. Thanks to all the Lions who have volunteered and attended these events.*

*At our last meeting, Corporal Travis Murray from the Foster City Police Department gave a presentation on Crime Prevention. It was a very informative session. The Foster City Manager Kevin Miller will be the speaker at our meeting tonight. We will also be having our Halloween celebrations tonight. Looking forward to see you all in some fun costumes. Once again thanks to our 1<sup>st</sup> Vice President Pierre Morrison for inviting such wonderful speakers to our meetings.*

*Thanks,  
Lion Sowmya Vundamati.*

## LIONS ROARING

## USO NIGHT

Lions Veterans Charities Inc. successfully hosted the USO Night on October 13<sup>th</sup>. We donated \$4,000 last month in September from our anticipated donations and proceeds from the USO Night, towards helping veterans and their families impacted by Hurricanes Harvey and Irma. The funds are being managed by the Veterans Administration on the East Coast; many veterans in the Gulf Coast and Florida live outside of metropolitan areas and your help and donation with others will help provide a helping hand to the veterans, their families and properties, and their livelihood.

Thanks to the Foster City Lions Club which started the veterans' programs nineteen years ago and continues to support us in our veterans' work.

- PDG Roger Chinn.

# Global Action Team

## Empowering Clubs through the Power of Action

The Global Action Team was built with a vision that one day every need in the world will be served by a Lion or Leo. It brings together the three key areas of Lions:

- Leadership development
- Membership
- Service

By unifying the Global Leadership Team (GLT), Global Membership Team (GMT) and Global Service Team (GST) as the Global Action Team, we will create synergy and new opportunities for clubs to grow and serve.

**Our Mission** – The Global Action Team will champion the vision of LCI & LCIF and build on the passion of our Lions and Leos through service.

**Our Goal** – To impact over 200 million lives through service, increase our membership to 1.7 million Lions and Leos, and provide learning opportunities to over 500,000 members by the year 2020.

### You'll see the Global Action Team Difference

The Global Action Team can help you energize your members and take your club to the next level.

- Get great service resources and dynamic project support
- Identify leadership development opportunities to empower all Lions
- Find compassionate new members and keep current Lions coming back

You can do more good for more people when you have some extra help. That's your Global Action Team. **At the end of the day, it's all about service.**

*Passionate volunteers. Dynamic leaders. Innovative service.*
