PRESIDENT'S NOTE

Hello Lion members,

“Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.”

Let me know what your goals are for you and the club.

Leadership starts with you.

Until we meet again
See you on the 26th of September.

Lions Clubs Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

Global Action Team

Empowering Clubs through the Power of Action

The Global Action Team was built with a vision that one day every need in the world will be served by a Lion or Leo. It brings together the three key areas of Lions:

- Leadership development
- Membership
- Service

By unifying the Global Leadership Team (GLT), Global Membership Team (GMT) and Global Service Team (GST) as the Global Action Team, we will create synergy and new opportunities for clubs to grow and serve.

Our Mission – The Global Action Team will champion the vision of LCI & LCIF and build on the passion of our Lions and Leos through service.

Our Goal – To impact over 200 million lives through service, increase our membership to 1.7 million Lions and Leos, and provide learning opportunities to over 500,000 members by the year 2020.

You'll see the Global Action Team Difference

The Global Action Team can help you energize your members and take your club to the next level.

- Get great service resources and dynamic project support
- Identify leadership development opportunities to empower all Lions
- Find compassionate new members and keep current Lions coming back

You can do more good for more people when you have some extra help. That's your Global Action Team. **At the end of the day, it's all about service.**

Passionate volunteers. Dynamic leaders. Innovative service.
