President's Message:

Lion President Don Fleming

Well, May is here and we begin to see the effects of the rain. Lots of flowers and warmer weather. We can be outside with a more positive attitude and get ready to celebrate numerous holidays; Cinco de Mayo, Mother's Day and Memorial Day. As we get out more we need to think of energizing our Lions Club with better participation and new members.

As a service club we need members who are active and willing to work for the benefit of our community. It is important for all of us to be thinking of additional things we can do to improve our community. We need everyone to help build a better club. Remember to participate in our efforts to grow and improve the Daly City Host Lions club.

Fun had by All at Spring Fun Day

Remember to come on out and help support your fellow Lion's in the annual event for the Kids in our Community!

Thank you to all our Sponsors and goodie bag stuffers for Spring Fun Day! I think we stuffed over 500 bags with lots of treats and goodies from our Sponsors; Republic Services, San Mateo Credit Union, Daly City Police Department, Duggan's Serra Mortuary. I think we stuffed all the bags in about an hour—Great Job to all.

Also a **BIG** thank you to who volunteered on Spring Fun Day. We had just over 300 participate in the event and we could not have done it without the help of Patrick Hensley, Alicia and Sierra, Denise Kelly and Pat, Sharon Keenan and Ray, Ed Dollard, Aaron Straus, Nicole Lee, Cameron Christensen, Teresa Proaño, Walter Batara, Brian Dossey, Daly City Police Explorers and Daly City Police Officer Randy Ortiz.

Daly City Host Lions Recycling Opportunities

Don Riker Recycling Fund—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

Bread Tags for Wheelchairs— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

Cancelled Stamps for Easter Seals—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

Pull Tabs—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonal House.

Empty Ink Jet Cartridges—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

Vehicle Donations—Contact Lion Ed Dollard to donate your unwanted vehicle. This is joint project with St. Vincent de Paul Society.

Keys for Sight—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

May Laughs

Oldest Profession

A doctor, an engineer, and a politician were discussing who among them belonged to the oldest of the three professions. Each one of them thought they had this in the bag.

The physician said, "Remember, on the sixth day God took a rib from Adam and fashioned Eve, making him the first surgeon. Therefore, medicine is the oldest profession.

The engineer replied, "But, before that, God created the heavens and earth from chaos and confusion, and thus he was the first engineer. Therefore, engineering is an older profession than medicine."

Then, the politician spoke up. "Yes yes, this is all well and true," he said, "but who do you think created all of the chaos and confusion?"

Easter Visitor

Monday after Easter, the teacher asks her pupils how they spent the holiday.

"So, kids," said the teacher as the kids listened intently, "who's come to your house this weekend with big ears and floppy feet?"

Without raising his arm, Little Johnny exclaimed, "My Uncle Brian! How did you know?"

Science Lab

Mother: "How was school today, Patrick?"

Patrick: "It was really great mum! Today in the science lab we made explosives!"

Mother: "Ooh, they do very fancy stuff with you these days. And what will you do at school tomorrow?"

Patrick: "What school?"
