District 4-C4 Region Three, Zone One

# Daly City Host Lions Club

Chartered February 26, 1941

## President's Message:

Lion President Don Fleming

As I complete my 2<sup>nd</sup> month of my second term as president I continue to be enthused by the activities of the members. We have inducted two new members, Sandra Linebarger and Cameron Christensen. Sandra is a nurse with the Jefferson Elementary School District and Cameron is a Captain with Daly City Police Department. Welcome to both new Lions.

We continue serving the community in various ways through our members volunteer efforts. The club is active in District 4C4 programs. The District Governor Lydia Taylor-Bellinger will be visiting our Club soon . I strongly urge all members to attend the visitation.

On Tuesday August 7, 2017 National Night Out will be held at Serramonte Center near the electronic sign at the front parking area. We will be doing visual screening. I encourage your participation.

Pasta Bingo is coming on September 7. Please let your friends, family and business associates know about this great event.

# Daly City Host Lions Recycling Opportunities

**Don Riker Recycling Fund**—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

**Bread Tags for Wheelchairs**— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

**Cancelled Stamps for Easter Seals**—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

**Pull Tabs**—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonal House.

**Empty Ink Jet Cartridges**—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

**Vehicle Donations**—Contact Lion Ed Dollard to donate your unwanted vehicle. This is joint project with St. Vincent de Paul Society.

**Keys for Sight**—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

# Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

## Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

## Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

# August Laughs

## Dishwasher Repairman

Mrs. Peterson phoned the repairman because her dishwasher quit working. He couldn't accommodate her with an "after-hours" appointment and since she had to go to work, she told him, "I'll leave the key under the mat. Fix the dishwasher, leave the bill on the counter, and I'll mail you a check. By the way, I have a large Rottweiler inside named Killer; he won't bother you. I also have a parrot, and whatever you do, do not talk to the bird!"

Well, sure enough the dog, Killer, totally ignored the repairman, but the whole time he was there, the parrot cursed, yelled, screamed, and about drove him nuts.

As he was ready to leave, he couldn't resist saying, "You stupid bird, why don't you shut up!"

To which the bird replied, "Killer, get him!!!"

## Ferry Commute

John Smith lived in Staten Island, New York and worked in Manhattan. He had to take the ferryboat home every night. One evening, he got down to the ferry and found there was a wait for the next boat, so John decided to stop at a nearby tavern. Before long he was feeling no pain.

When he got back to the ferry slip, the ferryboat was just eight feet from the dock. Smith, afraid of missing this one and being late for dinner, took a running leap and landed right on the deck of the boat.

"How did you like that jump, buddy?" said a proud John to a deck hand.

"It was great," said the sailor. "But why didn't you wait? We were just pulling in!"
