President's Message:

Lion President Don Fleming

After a very nice Thanksgiving hosted by my daughter and son-in-law, and avoiding Black Friday sales, I find myself thinking about this season and serving others who are less fortunate than we are.

As Lions' we have many opportunities to help and serve our community in many places and times. For example, we have the Hillside Gardens Holiday Event in December, we have the food pantry and dining center which can always use helping hands, we have Operation Santa Claus toy sorting and delivery. And numerous other activities which you may be aware of through your various contacts and friends. The important thing is to be active and serve our city and community during this holiday season

In this time of the year it is very important that we take a leadership position to help others and to share our efforts for the benefit of all. Remember our motto "WE SERVE".

Happy Holidays

Daly City Host Lions Recycling Opportunities

Don Riker Recycling Fund—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

Bread Tags for Wheelchairs— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

Cancelled Stamps for Easter Seals—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

Pull Tabs—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonal House.

Empty Ink Jet Cartridges—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

Vehicle Donations—Contact Lion Ed Dollard to donate your unwanted vehicle. This is joint project with St. Vincent de Paul Society.

Keys for Sight—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

December Laughs

Camping Mystery

Sherlock Holmes and Dr Watson went camping. They pitched their tent under the stars and went to sleep.

Sometime in the middle of the night Holmes woke Watson up and said, "Watson, look up at the stars, and tell me what you see."

Watson replied, "I see millions and millions of stars."

Holmes said, "And what do you deduce from that?"

Watson replied, "Well, if there are millions of stars, and if even a few of those have planets, it's quite likely there are some planets like earth out there. And if there are a few planets like earth out there, there might also be life."

And Holmes said, "Watson, you are an idiot, it means that somebody have stolen our tent."

Visiting a Zoo

Little Johnny wanted to go to the zoo and pestered his parents for days. Finally his mother talked his reluctant father into taking him.

"So how was it?" his mother asked when they returned home.

"Great," Little Johnny replied.

"Did you and your father have a good time?" asked his mother.

"Yeah, Daddy especially liked it," exclaimed Little Johnny excitedly, especially when one of the animals came home at 30 to 1!"

Saving Lives

New medical students were made to take an extremely difficult class in physics.

One day the lecturer was discussing a particularly difficult concept.

A student rudely interrupted to ask, "Why do we need to learn this stuff?"

"To save lives," the lecturer responded quickly and continued.

A few minutes later, the same student spoke up again. "So how does physics save lives?" he persisted.

"It keeps idiots like you from graduating," replied the lecturer.
