District 4-C4 Region Three, Zone One

Daly City Host Lions Club

Chartered February 26, 1941

President's Message:

Lion President Don Fleming

Welcome to February. It doesn't seem like the year is going by very fast.

I just returned for completing the 2019 California Leadership Institute in Santa Rosa. It was a very empowering three days. I would highly recommend the Institute to any of our members who are interested in expanding their Lions experience.

There were 40 Lions from Districts through out Northern and Central California with varied experiences and lengths of service in Lions. There were also several items that I think would benefit our club. There was an excellent survey regarding your thoughts about our club which I would like to offer to all the members. I would like to do this with a survey monkey, so it can be done anonymously, and no one is intimidated by their comments.

I also had to prepare a personal mission statement which I found to be difficult. I will send the information on how to do it by PDF, at a later date. I think you will find it interesting to take the time to prepare your own.

I highly recommend this course to all the members in our club.

Valentines Day is coming up so remember a card or candy for your significant other.

Daly City Host Lions Recycling Opportunities

Don Riker Recycling Fund—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

Bread Tags for Wheelchairs— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

Cancelled Stamps for Easter Seals—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

Pull Tabs—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonal House.

Empty Ink Jet Cartridges—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

Vehicle Donations—Contact Lion Ed Dollard to donate your unwanted vehicle. This is joint project with St. Vincent de Paul Society.

Keys for Sight—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

February Laughs

A White Lie Cure

A woman went to the doctor's office with chronic hiccups. She was seen by a young new doctor.

After about 3 minutes in the examination room, the doctor told her she was pregnant. She burst out of the room and ran down the hallway screaming.

An older doctor stopped her and asked what the problem was. After listening to her story, he calmed her down and sat her in another room. He then marched down the hallway to the first doctor's room.

"What the hell is wrong with you?" he demanded. "This woman is 68 years old, she has two grown children and several grandchildren, and you told her she was pregnant?!!"

The new doctor continued to write on his clipboard and without looking up said, "Does she still have the hiccups?"

Stomachache

Little Susie, a six year old, complained, "Mommy, I've got a stomachache."

"That's because your stomach is empty," the mother replied. "You would feel better if you had something in it."

That afternoon, Susie heard her father complaining that he had a severe headache all day.

Susie perked up, "Daddy, you have a headache because your head's empty", she said. "You'd feel better if you had something in it."
