JAPANESE AMERICAN CITIZEN LEAGUE OF SAN FRANCISCO HEALTH FAIR: We participated in the Oct 20th JAACL Health Fair at the Christ United Presbyterian Church in Japantown. I would like to thank members from the Peninsula Special Interest Lions Club and the San Francisco Host Lions Club who joined us as part of our team to provide information/service to the people who came to the Health Fair. Lions Eleanor Britter, Bill Britter, Stanford Martin and Judy Martin from the Peninsula Special Interest LC, and Lions Liz Yulo and Romeo Sepulia from the SF Host LC deserve a huge "Thank You" in making our contribution so meaningful. Lions Eleanor and Bill brought the LDx machine which provides information on cholesterol and blood sugar from a drop of blood plus they brought blood pressure machines, blood oxygen saturation readers and a BMI calculation equipment.

HAMILTON FAMILIES TRANSITIONAL HOUSING FOR HOMELESS FAMILIES: Members are asked to let Lions Bill or Steve know if you have a donation to our efforts to help the single parent homeless families at the Hamilton Families Center in the Tenderloin. Lion Bill will be making a delivery of our donation in December.

HAPPY 2018 THANKSGIVING TO ALL
