

BASO BLEEP

Dear BASO Club members,

My sincere and heartfelt thank you to all for voting me in as your next President. It is indeed an honor and a privilege to be a part of this very special Club, BAY AREA SPECIAL OLYMPICS, serving those whose needs are greater than our own, and we are so privileged to be able to be supporting them in their projects. I promise to do my very best to be a caring successful President for a Great Club.

I would be so honored to have you join me at the Installation of the officers on August 2, 2019, where we will be thanking outgoing President Chris De Carpio for a job very well done, and cheering me on to continue in the footsteps of the last nine Presidents of this amazing Club. I am so looking forward to seeing this whole Club in attendance and show other Clubs in attendance, our PRIDE and we care about OUR very wonderful Club serving people with Special Needs. JOIN THIS GREAT BANDWAGON!!

Thank you, Most Sincerely,
President Lion Helen Habeeb

Dear BASO,

It is with incredible honor I say farewell as your President. Technically it was official as of July 1 but also not really until I hand the gavel over to our incoming President Lion Helen!!!

This has been an amazing year for us continuing our mission of serving the population we love. We have had dances, game nights, craft nights, movie/Playoff hockey nights..lol, supported Special Olympic events, given a ton of money to those in need and overall a wonderful time providing for our special people.

I can't thank my board enough for standing by my side and ALWAYS being there for anything and everything. There are obviously some very special standouts but you'll have to come on August 2nd to find out who :-).

Before I sign off officially I want to say this...for all our wonderful members who we cherish but can't always make it out we miss you and the amazing population we serve misses you. I get it, it is not easy to find the time to come out and join us but I promise you this...every member in our club has a ton of things going on in their everyday life and I know first hand how hard it is to muster up the energy or move things around to make it out...but when you do that all goes away. What we do and who we serve is gift to ourselves and food for our soul. We literally get to witness first hand the impact we make on the lives of our extraordinary individuals and it is an extraordinary feeling to do so!!

On that note I will put the soap box away and say THANK YOU for an amazing year!! BASO is a true treasure to our community and the Lions family...not to mention the family we are within. I love and cherish you all and look forward to our tenth year of service under Lion President Helen!!

As always, be well and be good to each other!!

Immediate Past President,
Lion Chris De Carpio

Lions Code of Ethics

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.
