President's Message

Fellow Foster City Lions,

Thank you all for all your hard work during the 4th of July celebration. Working as a team, we successfully had one of our best revenue generating 4th of July events in our history. Special thanks to all the subcommittee chairs: Lions George, David, Jim, Lucy, Wing, Wendall, Chuck, Doug, Mary, Danielle and Melite. For all the hard work you guys put into this, Committee Chair John Miller for keeping us all in line, and IPP Pierre Morrison for believing in this project and seeing it through. Also, Jeanne, our great Charity Treasurer, and her security posse (Mary and Isabel). Thank you! Our city de-briefing meeting was nothing but positive feedback from the Rec Center, City and Police Department, and the community!!!

Well, as you know, July is our busiest month. Our summer concert series with the new menu and additional bar is going on without a hitch! We are getting awesome feedback from the community on the new menu and the new stage bar! Once again, we are working like a team and getting it done in true Foster City Lions style. Special thanks to Lion Ed Flank and the Cooking Committee Chair Lion Jon Froomin and his crew. We really could not have done it without you guys. To all the great volunteers that help us run this event, thank you!!!

Moving forward we have one more summer concert left, so if you are available, please sign up to volunteer.

Thank you Lion Wendall for stepping up to run the Boothbay Overnighter Event. "Summer days" our next big event is less than a month away. A volunteer sign up has been sent out for beer and wine pouring already, so if you have time please volunteer. Please contact Lion Melite or Lion Danielle if you would like to sign up or have any questions on that. Thank you Lions Janis, Danielle, John Ficarra, Wendall and Melite for attending the TiPS training.

We also will be selling street corn those days for our administrative account. A signup sheet and committee has been formed led by Lion Martin. Please reach out if you are available to help during, pre or post event. In addition, we also will be doing parking for our Charity Account. I'm trying to get some veterans from Peninsula Veterans Club to help us with the City Hall Lot and I will get a signup sheet ready soon for our other two locations to monitor and sell parking for this event.

Thank you IPP Pierre for representing our Club at the Lions International Convention in Milan, Italy and Lions Melite, Martha and Verdie for representing us at the District 4-C4 Installation of Officers last Friday. Please don't forget our very own Martha Sandy's PCL Installation. Please attend if you can make it to show her our Club stands behind her. Our own Club Installation is right around the corner, please RSVP to Lion Shikha or Lion Melite as soon as possible.

Let's keep doing what we do best in serving our community and for the international needs.

In Lionism,
President Jimmy Ness

Lions Clubs Code of Ethics

- TO SHOW** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- TO SEEK** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- TO REMEMBER** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- ALWAYS** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- TO AID** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- TO BE CAREFUL** with my criticism and liberal with my praise; to build up and not destroy.

Veterans Go Fishing

Twenty veterans from the Menlo Park VA Hospital were treated to the Foster City Lions' 21st Annual Veterans' Fishing Trip on July 16. Hosted by Foster City Lions Wendall Quan and Roger Chinn, with Chuck Ogburn absent due to a bad back and with support from San Bruno Lion Frank Rescino, the Lovely Martha fishing boat took the veterans out on an all day trip outside of the 'Gate.

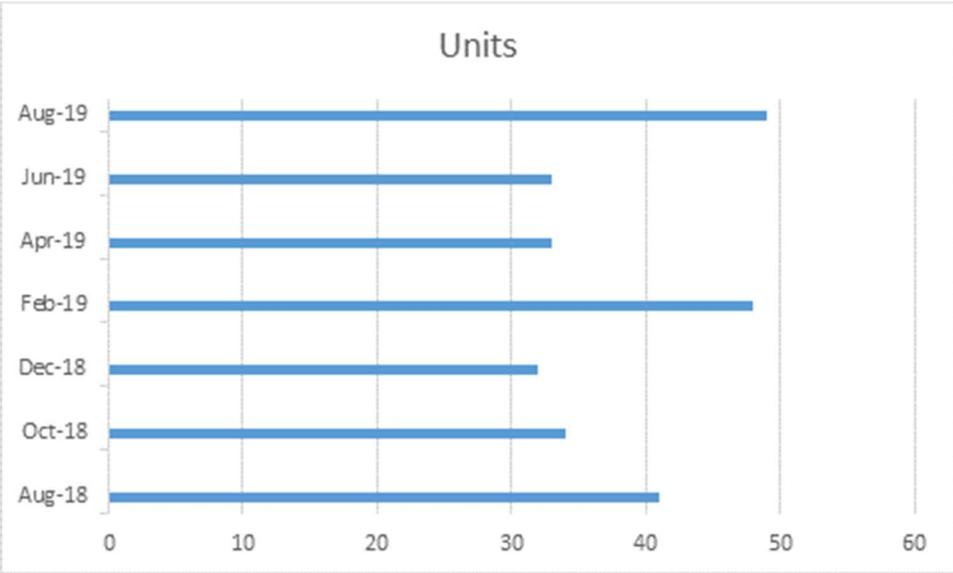

First stop was the area south off of Pacifica, where there were few salmon hungry enough to take the hook. Skipper Mike Rescino then took the long trip north and the veterans fished off the coast of Pt. Bonita and Stinson Beach, where they were rewarded with nice Chinook Salmon fishing. After the feeding stopped, Skipper Mike then sped down to the deeper offshore Golden Gate fishing grounds. The successful day catch was a total of 24 Chinooks, the largest a 21 pounder, for 24 fishermen including one lady veteran; they all thank the Foster City Lions and Lions Veterans Charities for the annual trip and look forward to the next outing!
