President's Message

President's message: This month's message focuses on gratitude for the gift of volunteerism. All of us in this club are volunteers – giving of our time, sweat, money, and sometimes blood – all in the name of service to others. For all you do, I am extremely grateful for your volunteerism and dedication to helping out our community.

This past week saw our Club pull off three MAJOR service activities with precision and tremendous impact. A year ago, our Club saw a need to create a community bonding activity so we donated \$6,000 to the City of Millbrae to establish Millbrae Goes to the Movies. This past Friday, more than 300 community members came out for a fun evening of food, games, and a Grease sing-a-long...it was great time! The evening included a couple cars from the upcoming Millbrae Machines and I saw many kids and adults fascinated by those powerful, classic machines.

The following day (Saturday), numerous Club members rose well before the sun to welcome more than 400 classic autos to the City of Millbrae for the entertainment of several thousand Bay Area community members. Our outstanding Lions Breakfast Masters served hundreds of hungry Millbrae Machines participants and guests...everyone left with a full belly and with a smile. Throughout the day, Millbrae Lions Club members worked the event – from registration to staging cars to judging to awards to pictures and cleanup, anything and everything that was needed...the Millbrae Machines teams gave unselfishly of their time and energy. The event was a HUGE success and we have become the largest car show on the Peninsula due in large part to the tireless, dedicated service of our amazing Lions team! Special shoutout to Millbrae Machines Chairs Lion Anthony Caccia, PP Don Beyers and the entire team on a job well done!

And if that weren't enough, on Sunday several the Millbrae Lions (and family members) gathered again and volunteered to put together 120 backpacks for Millbrae elementary school kids in need thru our Backpacks for Kids project. Putting together the backpacks was the culmination of hours and hours spent gathering supplies and purchasing items for the project. Shoutout to Chair/PP Tony Montes, along with Lady Nancy Montes, for their support on this important project and a thank you to all the Lions that assisted the project.

WOW! When we talk about showing value to our community, bringing our "Lions Mojo" into all our endeavors, the impact is simply incredible. It cannot be done without the support from the members of the Millbrae Lions Club. The community is grateful for all the work our Club does...there is a consistent list of people requesting time to speak to the Board of Directors for our support. All you do matters a lot to a lot of people. Thank you for all you do.

But wait...there's more! Opportunities to serve lie ahead. If you haven't had the time lately to come out and help, check out the calendar of events and connect with a Project Chair/Co-Chair and offer to assist. Couple quick examples: •Taylor Bulldog Bash – Aug 24; •Art and Wine Festival - Aug 31/Sept 1; •Millbrae Cultural Committee (Autumn Moon Festival) – Sept 2. Also, don't forget we have Calcutta Night coming on September 4th – come out and support your favorite team(s) and have fun with your Lions friends and colleagues.

I'll end it here. As I have said before, I am honored to serve as your President and I extremely grateful to you all for the support!

Cheers!

By: Lion Cal Chin |
Date: August 7, 2019 via Facebook Post

Lion President Rob DuCote facilitated another great Millbrae Lions General Dinner Meeting at the prestigious Green Hills Country Club.

We had a very special visit from our District 4-C4 Lion District Governor Helen Casaclang and her cabinet leaders. Lion DG Helen Casaclang was very

complimentary of our club; stressing we are a model Lions Club (we have a great relationship with the community "We Serve" and consistently deliver value to address their needs) and asked if we would be willing to mentor some of the

Millbrae Machines A Huge Success

By: Lion Cal Chin | Date: August 17, 2019

This past Saturday, 8/17/19 was the 9th Annual MILLBRAE MACHINES brought to you by the Millbrae Lions Club. Close to 4,000 peeps enjoyed the 425 beautiful works of art (vehicle) proudly shown by their owners! It was a record # of cars (In 2010, we had 70 cars and the event was held in the St. Dunstan's Parking Lot...we thought that was alot of cars back then!).

Now our Millbrae Community Wide Event has grown to the same size/length (# of blocks) as our legendary Millbrae Art & Wine! Amazing growth for a community project led by a community service organization - YOUR MILLBRAE LIONS (dedicated volunteers)!

There were many heroes and heroines (Millbrae Lions and volunteers) who put in countless of hours pre-planning (several months ahead) and day(s) of execution. Some put in over 24 consecutive hours on Fri (8/16) through Sat (8/17)!!

Kudos goes to our Project Chair Lion Anthony Caccia and his co-chairs Lions Adam O'Dea, John Celentano and Bill Armanasco (3 of our newest generations of Millbrae Lions who recently joined and stepped up to co-chair our largest single day event!).

Special Thanks goes to our local Millbrae business sponsors, our Millbrae Lions Youth Programs - Leos/Pack 355/Troop 355/Baseball,

Millbrae CERT and many others who helped add the magic to this community event!

This community project provides 3 important benefits to our community:

1. A city wide community gathering for friends and families to enjoy beautiful works of art (vehicles) and build lasting memories!
2. We encourage the 4,000 plus attendees to patronize our wonderful local Millbrae Businesses.
3. A fundraiser for our club, where 100% of the net

funds are directed back into our community and neighboring communities in need (in the 2017-18 year, we donated over \$100K!).

Hope to see you next year, perhaps an even bigger venue? VROOM! VROOM!

MLC Youth Week Featured San Mateo Daily Journal

By: Paul Larson | Date: August 4, 2019

Greetings Millbrae Lions! The following is what appeared in the "San Mateo Daily Journal" (with the ads) on July 23rd regarding our April 17th MLC Youth Week celebration and Awards Dinner. This is a very abbreviated version of what was submitted to appear, but what was printed in the newspaper is all that the SMDJ would allow this year...which is still good free PR for the Millbrae Lions Club!

Thanks from Lion PP Paul Larson.

Message from the Editor

Paul Larson
Millbrae Lions Club Celebrating
59 Years of Youth Week

Youth Week Newspaper Chair
Lion PP Paul Larson

2019 marks the 50th year of the Millbrae Lions Club hosting "Youth Week" in Millbrae. This annual event, which celebrates Youth in our community, has evolved over the years while staying focused on offering imaginative projects for local students to participate in. The current activities include "Youth in Government" (on hiatus this year), the "Student Essay Contest", and the "Excellence in Mentoring Award (Educator of the Year)". Youth Week's pinnacle is a special Awards Dinner designed to acknowledge students who are developing into our future leaders, along with those adults who are helping them along their way. This year's Youth Week Awards Dinner took place on the evening of Wednesday, April 17th at Green Hills Country Club beginning at 7:00 PM and attended by Lions, students, their families & teachers, along with school district officials and city leaders.

Regarding the "Student Essay Contest":

Every year the Millbrae Lions Clubs sponsor a Student Essay Contest during Youth Week. This year local schools, from 4th grade up through High School, received a flyer listing the Essay Contest rules, along with specific topics to write about. The topics for this year were:

- You are the Principal of your school. How would you ensure safety for your students and faculty?
- Is it more important for elected officials to follow the consensus of their political party OR of the country as a whole? Is there a difference? How could this potentially impact future elections?
- Cyber Bullying: Is there a psychological reason for why we spread bullying via social media? Explain.
- Describe a person in your life (family, school, community) whom you admire and why.
- Who is "E"? Who is "the real me" now, and "the real me" I'd like to be?

Scores of essays were turned in from many different schools for the judging at Taylor Middle School. After examining each essay, 6 student authors were found to stand out among the rest.

Each student was surprised with a special phone call informing them of their winning essay, and an invitation to which included their parents and teacher to attend the Youth Week Awards Dinner at Green Hills Country Club in Millbrae. This annual semi-formal event honors the winning students for not only writing an exemplary essay, but for also being exemplary themselves!

The first winners to be announced were in the 4th and 5th grade categories:

- Second Place winner was 5th grader **Miaa Bakir** from Lomita Park School.
- First Place winner was 5th grader **Kiyomi St. John** from Meadows School.

...continuing with the 6th, 7th and 8th grade categories:

- Second Place winner was 8th grader **Jace Hart** from Taylor Middle School.
- First Place winner was 7th grader **Ellie Lau** from Taylor Middle School.
- ...and for the High School Category:

- Second Place winner was 12th grader **Nicole Leon** from Mills High School.
- First Place winner was 12th grader **Farha Khan** from Mills High School.

Congratulations and a big round of applause were given to each of these excellent students for a job well done!

Along with a beautiful trophy each student received a certificate of participation, a \$50.00 cash award for Second Place winners or \$100.00 cash award for First Place winners, and all were photographed for the Newspaper. The students were then given first at the microphone to introduce their goals and give the title of their essay.

A special plaque of appreciation and certificate was given to Taylor Middle School Principal **Mark Zahady** (accepted by Taylor Middle School Assistant Principal **Jodie Flores**, and to Taylor Middle School Teacher **Mancho Gonzalez** and his group of student mentees who played that evening, along with Millbrae School District Superintendent **Vaha Phayrasert** who offered words of praise.

Regarding the "Excellence in Mentoring Award":

In 2009 I was President of the Millbrae Lions Club and wanted to create a way for us to show appreciation to community leaders who give of themselves to educate our youth. That year we enthusiastically went to a brand new "Excellence in Mentoring Award" upon Millbrae educator **Robert Silva**. Keeping up with that original spirit it has been an honor each year to acknowledge, admire and say thank you to an extraordinary individual who has made positive impacts on the lives of our Millbrae students.

Earlier this year EXCELLENCE IN MENTORING AWARD Nomination Forms were distributed to the schools, giving the community an opportunity to nominate an individual by writing up to 300 words on why he or she should be selected to receive this prestigious honor. Each submitted nomination form was reviewed and a winner was selected in confidentiality. The final decision was difficult since each nominee had unique and deserving qualities, but based on the submitted criteria it was obvious that one special person stood out.

In brief, the 2019 EXCELLENCE IN MENTORING AWARD which is also known as the EDUCATOR OF THE YEAR AWARD honors a well known Mills High School Health Aide. The following excerpts were written by **Retired English Teacher Barbara "Bobbie" DeLeon**:

"It is with pleasure that I nominate Millbrae resident and Mills High School Health Aide Mrs. Lori Durham, Lori became the coordinator for the Mills High School Latina Mentor Program in 2004. There are 30 girls who actively

participate in the program and 37 staff members who serve as mentors for the girls. This program encourages pride in Latin culture and a willingness to share it with others. With her kind, enthusiastic personality, her empathy and her sincere desire to help the girls be successful in school, she is an excellent role model for the girls and the mentors.

So with that said, everyone stood up to applaud and congratulate the 2019 EDUCATOR OF THE YEAR AWARD honoree, Mills High School Health Aide Lori Durham. Lori was presented with a beautiful plaque, along with time at the mic to give words of thanks and introduce his guests.

Regarding "Youth in Government":

Youth Week Chairman **Lion Steve Lucich** has been coordinating the "Youth in Government" project for several decades and was the host for this year's Youth Week Awards evening. **Lion and Millbrae Mayor Wayne Law** with **Lion Councilperson Ann Schneider** both were instrumental in assisting with the YIG project. YIG helps participating students with the feel of how city government works by allowing them to "shadow" their city government counterparts and learn about those city leaders. This year the YIG project took a hiatus and plans to regroup for 2020.

By the end of the long evening all those being honored were worn out since this was also a school night, but they did not want to leave! This was a very special occasion for them, also something nice that the Millbrae Lions were able to give to them, and an important part of their lives they will never ever forget.

Congratulations to all, from Lion Paul (President Paul Larson - Student Essay Contest Chairman & Excellence in Mentoring Award Chairman).

Calcutta Night General Meeting - September 4th

By: Lion Tom Enberg |
Date: July 31, 2019

Professional football season is right around the corner which means it is time for our annual Calcutta Night!! Calcutta Night is an auction that is held just before professional football season begins. It will be held at our September 4th general meeting.

The term "Calcutta" describes a type of auction. Members bid on their choice of teams, either as individuals or in groups. There are 32 football teams to bid on for a chance to win one of 5 prizes.

There is no limit as to the number of teams that a person or group can buy. Money raised through the auction goes into a pot that pays out a percentage to each of the 5 winners.

The approximate breakdown of payout is as follows:

Super Bowl winner - 40%
Super Bowl loser - 30%
Runner up AFC - 10%
Runner up NFC - 10%
Worst team - 5%

There is also a dice game for cash awards before the meeting. It is a fun night for members and a fundraiser for the club. Remember to put September 4th on your calendar!

Millbrae Cultural Committee Presents - Mid Autumn Festival 2019

Millbrae Cultural Committee member and prospective Lion member Marian Kong attended our last BOD meeting to ask for our help.

Her group is hosting this event to promote the creation of a Millbrae Neighborhood Watch Program and bolster relationships amongst the community.

She is simply asking our club to attend the event and show our support. She hopes that this will be the start of a mutually beneficial relationship where we can cross-promote our events and increase our reach in the community.

Lions Clubs Code of Ethics

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs Objectives

- To **CREATE** and foster a spirit of understanding among the peoples of the world.
- To **UNITE** the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- To **TAKE** an active interest in the civic, cultural, social, and moral welfare of the community.
- To **PROMOTE** the principles of good government and good citizenship.
- To **ENCOURAGE** service minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
