President's Message

Hello, Fellow Lions. Short message this week. First, I want to thank all the Lions that came out and support both the Art and Wine Festival and the Mid-Autumn Festival this past week. You all did an amazing job representing our outstanding Club...and in the case of Art and Wine booth...made a little money for us as well to give back the community. Also, I would be remiss if I didn't mention the support several Lions performed at Taylor Middle School Bash – all reports were positive and the school PTA loved that the Lions were once again demonstrating our support for youth in the community.

September is another big month for us. I want to talk about friendship and "camaraderie". One of the great intangibles within our club is the closeness of our members. Many of you have served for decades together – while others like myself have been around only a few years. That said, senior and junior Lions all across our club work seamless together – having fun and building friendships as WE SERVE. I vividly recall a conversation from last year with IPP Bart, where he asked me to help him get back into Green Hills Country Club for the primary purpose of re-igniting camaraderie among the members. Well, we are back at GHCC and I can honestly say I can feel the friendship and support within our club soar – both to me and to one another. And others see and feel it too and want to become part of our special Club. When I see a project being executed – for whatever number of hours or sweat – I see Lions with smiles on their faces for not only the work we are doing but with whom we are serving. Thank you all for being part of this amazing Lions family.

Don't forget we have three big items in the near term to support. September 4th is Calcutta Night – bring your wallet and get ready for some football!! On September 16, we have our first annual golf tournament fundraiser at GHCC. The Golf Project Team has organized an awesome, first-class event. If you haven't signed up already to play, sponsor, or at least come to the dinner, please do so ASAP. Finally, we are gearing up to support Relay for Life on September 28th. If you are looking for an opportunity to serve and have some fun, please contact 2nd VP Gary Pelligrini or PP Hardit Chaudhary to sign up to help out.

Thank you all for the support and I look forward to seeing you soon! If you need to reach me, please email me at robert_ducote@hotmail.com.

Project Wrap-up

2019 School Backpack Project

By: PP Lion Tony Montes | Date: August 31, 2019

Just in time for the start of school, the Millbrae Lions Club provided backpacks and other school supplies including arts & crafts and health supplies to a total of 125 children this year at 4 of the schools in the Millbrae Elementary School District. The packs were directed by the school staff to children qualifying for free or reduced priced lunches whose families are in need of assistance and their appreciation was overwhelming. The supplies are not only for use at school but more importantly for use at home where purchasing food, paying rent and utilities is more important than buying crayons, pens, paper, etc.

The number of children reached was over double the 52 packs that we did last year despite a budget cut, thanks to the help of generous cash donors and supply donations received. Within a little less than a month's time we were able to raise \$3,890 (in addition to the \$2,500 the club provided) and acquire free boxes of paper, antibacterial hand gel, band aids and lip balm. Lion Nick Bronzini was even good enough to provide dental hygiene kits for all the kids plus more and Lion Paul Larson even delivered boxes of paper to our front door.

We hit every door-buster sale on school supplies over the month even shopping at the stroke of midnight when sales prices took effect, not to mention coupons, rewards and discounts acquired. But in the end it all paid off & we were able to secure prices cheaper than Amazon and help that many more children.

PP Lion Rich Bortolin spent numerous hours helping fill pencil boxes with supplies and large Ziploc bags full of Crayola products, dictionaries, tape, etc. and endless late nights at the Montes residence were

filled with counting and packing supplies, pencil pouches, binders and craft items.

Lion Joe Ortega and son Joseph were instrumental and worked very hard in helping set up the assembly line with tables and all the various boxes of heavy supplies. 11 Millbrae Lions, 3 Lions from other clubs (spouses), 6 Non-Lions spouses, 1 past Leo president and 1 Lion's son (too many to name individually) were all on hand to assemble the backpacks and carrying bags which contained reams of paper, Kleenex and cleaning wipes. All the help was deeply appreciated and my wife Nancy and I hosted a party for all the workers afterward so everyone had fun!

Lions Gianni, Muniz, Loza, Simonini, Johnson, Chin & Bortolin all joined in the caravan of vehicles to help with the delivery of the heavy packs and bags.

In the end it wouldn't have all been possible if it weren't

for the following sponsors so our thanks go out to all for making the project what we consider to be a huge success.

Project Wrap-up

Millbrae Art & Wine Festival

By: PP Lion Ron Frediani | Date: September 1, 2019

As always, the Millbrae Lions came through! We, the Millbrae Lions, performed a community service for the City of Millbrae and the Millbrae Chamber of Commerce.

Also, thanks to the quick thinking of Lion Whitney, the Lions Eye Foundation is now \$416 richer! Thanks to the community beer drinkers who donated cash tips to the tip jar designated for that cause.

Within two days, we had 22 members and "partners in service" who gave their combined time of over 150 hours in the beer booth. Thank you to the following Lions and Ladies who came in to help out: In alphabetical order, to be fair, they are: Bob Bourque, Whitney Broussard, John & Elaine Celentano, Hardit Chaudhary, Juan Gamez, Betsy Jacob, Oscar Loza, Bill & Carol Meyer, Ed Musa, Adam O'Dea, EJ & Jennifer Peñas, Ann Schneider, Jeff Spicker, Bruce Sutter, Dave

VanWart, Tom Williams. People who asked to help (but there was no more room in the booth!): Hilda Delgado and Frank Barbaro. I want to thank my wife, son and daughter-in-law for helping out also. And thank you, Bart, for being there with your radio and our block captain, Mary Ellen Pellegrini.

Working out in the community at a booth at the Art & Wine Festival reminded me so much of the fun we used to have working at the Christmas Tree Lot all those years ago. The feeling of camaraderie was so great: lots of fun, busy at work with your fellow Lions, your friends working by your side.

The biggest surprise of the day was the offer of help from none other than Lion Vince Gigi. Vince is a member (at large) because he lives in Carmichael (near Sacramento). We were so happy to have him come by and help out both days. Great to catch up with him and Victoria.

Thank you again for making this project so easy for me and Carol.

Lions Clubs Code of Ethics

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions Clubs Objectives

- To **CREATE** and foster a spirit of understanding among the peoples of the world.
- To **UNITE** the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- To **TAKE** an active interest in the civic, cultural, social, and moral welfare of the community.
- To **PROMOTE** the principles of good government and good citizenship.
- To **ENCOURAGE** service minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
