Letter from President Lion, Martha Sandy

“Passion, Purpose and Commitment to Service”

Dear Fellow Lions,

For those of you who attended the first kick-off District 4-C4 Peninsula of Lions Council meeting, congratulations and welcome to an opportunity for you to share in the camaraderie of the leaders and members in the PCL. Together you will share your passion, purpose and commitment to service with the goal of creating new ideas and expanding your ability to fundraise or provide a service.

I think you will agree, with the growing number of new clubs and exciting projects, we all find ourselves asking the same question, "How can we execute this project to its fullest potential without the manpower?" The answer to that is to attend PCL meetings and listen to what other clubs plan to do and where their passions are. When you see a match, collaborate with the leader of that club and ask, "What do you think the possibilities are of our clubs partnering together in a project.

It is time for us all to think outside of the box and work together as a team to maximize our efforts to achieve a goal. We are all Lions and share the same passion of serving others. Why do we have to compete against one another to achieve the grand visionary goals of the International President?

As a club president, it should be your passion to make a difference and discover projects that provide purpose for your members to take an active role. Bring your members with leadership potential to hear and learn from other clubs; to develop friendships that will evolve into club partnerships.

The next meeting will be a joint meeting with the San Francisco Coordinating Council of Lions October 23rd At the SSF Elks Club. (please see updated flyer) This is one of my favorite meetings because everyone (although costumes are optional) comes dressed in costumes, and there are no president reports and lengthy Presentations.

Yours in Lionism,
Martha

LOOKING FORWARD TO THE NEXT DISTRICT 4C4 PCL SEE YOU ALL THERE!

Lions Ethics

TO SHOW my faith in the worthiness of vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit for my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down others. To be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics of my position of action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but true friendship demands nothing but accepts service in the true spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my unswerving loyalty in word, act as deed; to give them freely of my time, labor and means.

TO AID my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE careful with my criticism and liberal with my praise. To build up and not destroy.

Lions Objectives

TO CREATE and foster a spirit of “GENEROUS CONSIDERATION” among the peoples of the world through a study of the problems of international relationship.

TO PROMOTE the theory and practice of the principles of good government and good citizenship.

TO TAKE an active interest in the civic, social, and moral welfare of the community.

TO UNITE the members in the bonds of friendship and mutual understanding.

TO PROVIDE a forum for the full and free discussion of all matters of public interest, partisan politics and sectarian religion alone excepted.

TO ENCOURAGE efficacy and promote high ethical standards and professions: provided that no club shall hold out as one of its object’s financial benefits to its members
