Greetings to my Fellow Lions,

We are the LCIF model club of the District and we will respond to the call for our Lion Fundraisers!

We are now more than one month into a new term and there is so much planning to get our project started on the right path, starting with the August Autumn Festival where we will doing the White Cane Days fundraising.

Some of the things we have done was to join our District 4C4 for "Rise Against Hunger" project, made donation to Lions Canine Companions for Independence, provided vision screening at one of the health fairs for the Mei Wu Children Services.

We attended the annual Lions Eye Foundation of California/Nevada membership luncheon and we had the tour of the clinic and a nice lunch. Our member Mark Paskvan was recognized for the many years that he has worked for this organization and was presented his Melvin Jones by our International President, Dr. Yung Jul Choi.

For many years our SFCLC has been very involved in vision care both in terms of Lion spirit and financial support. Please click on link below and read.

For the fun part of my message, we will have our annual picnic on Sunday, September 29th from 11:00am to 3:30pm. The detailed information has already been sent to you via email. Sign up early!

Thank You!

Lion Humor

A lion was getting rather old and slow and having difficulty catching its prey. It decided it needed a disguise so that other animals did not know it was a lion and would not run away. So it goes into a fancy dress shop and buys a gorilla suit. It then heads for a watering hole to see if it can catch something with its new disguise. On the way it comes across two eagles sitting on a rock. One eagle says to it "Hi Mr. Lion!" The other said, "Where did you get the gorilla suit?" The lion, rather frustrated, asks, "How did you know I was a lion?" The eagles then started to sing, "You can't hide your lion eyes".

Why was the lion-tamer fined ?

He parked on a yellow lion !

Lions Clubs International Purpose

To Organize, charter and supervise service clubs to be known as Lions clubs.

To Coordinate the activities and standardize the administration of Lions clubs.

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

Lions Clubs Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

Don't forget to sign up!
