## President's Message:

### Lion President John Warren

I would like to thank PDG Ken Ibarra, for installing our newly elected board members for the 2020-2021 Year. PDG Ken has been a mentor and close friend to all members of our Club for many years now. PDG Ken's consistent involvement with our community projects and his attendance visiting our club is very much appreciated. Thank you, PDG Ken!

I would like to congratulate our newly elected and installed Board of Directors for this year. I look forward in working with all of you and maintaining the commitment to our community and the many projects we continue to be involved in. Although, I recognize these times are extremely difficult, with your perseverance and commitment, I believe we can accomplish many things for our club and community.

I would be in remiss if I did not recognize the outstanding work, dedicated service and continued support provided by our Club Secretary, Denise Kelly. Not only this past year, but every year since she has been a member, Lion Denise has maintained that hard work and exemplary effort that is very difficult to match. I think our club and every club in our district is very fortunate to have such a wonderful member and professional individual overseeing our club activities. I know previously as the club's Treasurer, I relied heavily on Lion Denise to maintain, update, and provide the financial figures to me our club relies on each year. In addition, during these COVID-19 pandemic times, Lion Denise has been instrumental in organizing our regular bi-weekly and monthly board meetings via virtual conferencing platforms. This new paradigm in conducting meetings for our club has allowed us to share information and data in real-time without being physically located together. Going forward, I anticipate an increase in meetings participation based upon this new meeting platform. Thank You Lion Denise!

*President's Message Cont.*

As a reminder, District Governor Fanny Chu will be attending our August 19<sup>th</sup> regular meeting. I encourage all DC Host Lions to attend this meeting (virtual conference) to show our respect and support of our District Governor.

Finally, I will leave you with a quote from the Lions Code of Ethics:

*"To be careful with my criticism and liberal with my praise; to build up and not destroy."*

## INVITE A GUEST

The first membership meeting of each month is our Invite a Guest Meeting. Just ask someone you know and see what were all about.

**NEW LIONS KEEP OUR CLUB STRONG!**

## *President's Challenge*

At our last club meeting Lion President John Warren challenged the club to bring in new members. "For each new member brought into the club, the sponsoring Lion will receive a \$50 gift card to Outback Steakhouse from me" said Lion President John Warren. What do you say Lions, lets see how many gift cards John buys this year!

***See all the smiling faces from our August 5, 2020 membership meeting!***

# Daly City Host Lions Recycling Opportunities

**Don Riker Recycling Fund**—Bring your cans and bottles to the second meeting each month or contact Lion Ed Dollard to arrange pick up. Turn in at your local recycling center and donate the money to the fund.

**Bread Tags for Wheelchairs**— Don't throw the little plastic tag from your bread bags away – bring them to Lion Secretary Denise Kelly. The Leos in District 4-C4 are collecting them for *Danielle Cares for Chairs* (an organization recycling bread tags for the purchase of wheelchairs).

**Cancelled Stamps for Easter Seals**—Cut the stamps off the envelope(s) and please make sure to include the postmark. Bring the stamps to any club meeting and we will send them to Easter Seals. Easter Seals makes lots of money selling them to philatelists worldwide.

**Pull Tabs**—Before you recycle your beverage can, remove the pull tab. Bring the pull tabs to any club meeting or event. Tabs will be forwarded to Fresno Host Lions Club for Ronald MacDonald House.

**Empty Ink Jet Cartridges**—Bring them to any club meeting or event. Let Lion Secretary Denise Kelly know which Lions organization you are donating to (Student Speaker Foundation, Lions Veterans Charities, etc.) and they will be forwarded.

**Keys for Sight**—Bring your old keys to any club meeting and they will be recycled for our White Cane Fund.

# Lions Clubs International Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

## Lions Clubs International PURPOSES

TO ORGANIZE, charter and supervise service clubs to be known as Lions clubs.

TO COORDINATE the activities and standardize the administration of Lions clubs.

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## Lions Clubs International MISSION STATEMENT

TO EMPOWER volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs.

## Lions Clubs International VISION STATEMENT

TO BE the global leader in community and humanitarian service.

## Lie Detecting Robot

John was a salesman's delight when it came to any kind of unusual gimmick. His wife Marsha had long ago given up trying to get him to change. One day John came home with another one of his unusual purchases. It was a robot that John claimed was actually a lie detector.

It was about 5:30 that afternoon when Tommy, their 11-year old son, returned home from school. Tommy was over 2 hours late. "Where have you been? Why are you over 2 hours late getting home?" asked John. "Several of us went to the library to work on an extra credit project," said Tommy.. The robot then walked around the table and slapped Tommy, knocking him completely out of his chair. "Son," said John, "this robot is a lie detector, now tell us where you really were after school." "We went to Bobby's house and watched a movie.." said Tommy. "What did you watch?" asked Marsha. "The Ten Commandments," answered Tommy.. The robot went around to Tommy and once again slapped him, knocking him off his chair. With his lip quivering, Tommy got up, sat down and said, "I am sorry I lied. We really watched a tape called Sex Queen."

"I am ashamed of you son," said John. "When I was your age, I never lied to my parents." The robot then walked around to John and delivered a whack that nearly knocked him out of his chair.

Marsha doubled over in laughter, almost in tears and said, "Boy, did you ever ask for that one! You can't be too mad with Tommy. After all, He is your son!" With that, the robot immediately walked around to Marsha and knocked her out of her chair.

## Cup of Tea

A girl was given a tea set for her second birthday. It became one of he favorite toys, and when her mother went away for a few weeks to care for her sick aunt, the toddler loved to take her father a little cup of tea, which was just water really, while he was engrossed watching the news on TV.

He sipped each "cup of tea" he was brought and lavished generous praise on the taste, leaving the little girl immensely proud.

Eventually the mother returned home and the father couldn't wait to show her how his little princess had been looking after him. On cue, the girl took him his "cup of tea" and he sipped it before praising it to the heavens.

The mother watched him drink it and said: "Did it ever occur to you that the only place she can reach to get water is the toilet?"
