## PRESIDENT'S MESSAGE

**Dear Millbrae Lions, Family & Friends,**

I hope this letter finds you and your well.

The past presidents convened and created a list of Millbrae Lions for 2021-2022. See the next page for 2020-2021 Board of Directors. As you look through the list, you may notice the lineup of new as well as more experienced Lions.

Plans are starting to plan for next year's activities with the expectations of a slow progression of openings. It is likely we will be able to hold the Millbrae Machines Show and our annual crab feeds. We also hope to do the Mother of All Pancakes Breakfast in June. Let's hope that we can gather together sooner than later.

One that note, it is more important than ever to not let your guard down.

Wear your masks, even if you are fully vaccinated as you may still carry the virus and infect others. Without immunity, the virus can continue to spread. The sooner we defeat this pandemic, the sooner we can go back to normal. If you need help finding a vaccination site, please feel free to call me.

MD4 – Lions Multi-District 4 (Northwest coast) is rolling out a farm to the needy program. This a great project for both Lions and Leos. It is a program whereby Lions/Leos can help provide food to the homeless, people living in campers, and food challenged through various outlets. See the letter on Page 11 of the bulletin from Lion Project Chair Eleanor Bitter.

We are also planning to hold two auctions, one on April 24, 2021 and the other in conjunction with the Millbrae Lions Golf Tournament scheduled for September 13 2021. We have already accumulated some nice auction items, but we still need more. Please contact Lion Bulletin Editor Betsy Jacob if you want to donate an item.

The Millbrae schools are our top stakeholders and we generously support their programs and fundraising through the years. Many of our community partners are holding their annual fundraising events that we also support. Please take the time this week to visit their websites and consider supporting their efforts.

## BOARD OF DIRECTORS NOMINATION BREAKFAST

### By Lion Calvin Chin

On February 21, 2021, 14 Millbrae Lions Past Presidents gathered to nominate our upcoming 2021-22 Millbrae Lions President Gary Pellegrini and his Board of Directors for our 74 Millbrae Lions members to review/vote in the March 2021 General Meetings.

Lion President Wayne Lee facilitated a terrific session (with help from our PPs of course!).

The Millbrae Lions continues to be grateful to serve our wonderful Millbrae Community and surrounding neighbors in need since 1938 (10 years before Millbrae became incorporated as a City)!

Stay tuned for more information regarding our upcoming 2021-22 Millbrae Lions BOD!

## SUNSHINE REPORT

Lion Secretary Gary Pellegrini's wife Mary Ellen broke her right knee at home about 3 weeks ago, the knee was replaced and she is recovering at home. A get well card and plant was delivered to the Pellegrini House.

Thank you,

## YOUTH WEEK UPDATE

### Greetings Millbrae Lions,

After careful consideration and brainstorming between myself and Lion Steve Luzaich, along with being on the same page with Lion President Wayne Lee, we came to the following conclusion: Due to the local circumstances with regard to COVID-19 our best course of action would be to cancel our "Youth Week" activities for 2021. Last year at this time we were busy making preparations and planning for "Youth Week" which has been a Millbrae Lions Club tradition since 1961. ("Youth Week" consists of various projects including the "Student Essay Contest", the "Educator of the Year Award", "Youth in Government", the "Youth Week Newspaper" and our annual "Youth Week Awards Dinner" in April). In January 2020 we had no idea that the oncoming pandemic would not only be around a year later, but would be escalating. We ended up canceling "Youth Week" 2020. With a vaccine in sight hopefully we will have "Youth Week" again in 2022.

Take care and stay safe, from Lion PP Paul Larson.

## MD-4 HUNGER SPECIALITY COMMITTEE QUARTERLY REPORT

### REJUVENATE – REVITALIZE – REMOTIVATE

Governor Teams please encourage Lions & Leos to participate in CA Lions Care Food Collection project with non-perishable food.

Food insecurity for many has always been right in front of us but somewhat hidden. We could not see the depth of the many families suffering from hunger. Not so today. The Pandemic has put the challenge front and center and the Media has succeeded in showing us the long lines of people in need.

As Lions and Leos, we can serve this need in so many ways. Our committee will hold three workshops to describe in detail the many ways we can take on the challenge and not burn out your Lions club members. Join us on February 22, March 22, & April 12 at 6:30 pm on Zoom. See the link attached.

At our workshops we will cover the following ways to accomplish feeding thousands to tens of thousand's people according to the need in your area. We will also ask you to share what your clubs are already doing to solve the problem.

1. You can work with Farmers of all kinds to deliver their excess food to food pantries in your club's name.
2. A list of farmers of all kinds will be sent to you once you register for the workshop or you can find it on the Multiple websites.
3. All food pantries for the most part will work with clubs to box food for you to deliver to the homeless, the poor, those living in their cars, those living in shelters, and to senior, people with disabilities, and Veterans.
4. Companies such as, "Farm Fresh to You" will partner with you for a small donation or purchase to deliver Fresh Organic boxes filled with all foods for the underserved, or your friends or your own families and your club will earn a percentage of the purchase. We are talking, boxes filled with milk, eggs, meat, chicken, canned goods, veggies, fruit, nuts. You will not want to miss hearing about this opportunity.

## MD-4 HUNGER SPECIALITY COMMITTEE QUARTERLY REPORT CONTINUED...

5. Power Growers around California produce 8X more food using 90% less water and have Zero carbon footprint. The food is organic and Power Growers support Lions in feeding people. We will tell you how to work with them to deliver food.
6. You can work with your local restaurants who will discount food for the hungry and you can deliver hot food where needed.
7. Canned food manufacturers such as Del Monte have a special deal for service organizations to work with their distributors to give away tons of food.
8. UNICEF will supply Lions with discounted food for the starving children and adults, Nationally and Internationally. This food is special food for starving people who can no longer digest whole food due to lack of food for an extended period. The food is organic and does not need to be mixed with water that is sometimes contaminated or will mold the food. It is called "Plumpy Nut".
9. You can also donate funds or equipment to your local food banks.

There are 12 more ways that we will feature at our workshops to support your "Hunger projects". There are also LCIF Pilot Hunger Grants and 24 secular grants that we will also discuss and give you access to.

We have already been in touch with many District Governors and or Lions Clubs Hunger Chairs and we would very much like to work with all club and support your ongoing hunger projects as well as assist you in starting new projects.

One club has already delivered over three million pounds of food of all kinds that has fed thousands. Other clubs have been extremely creative, and they also fed thousands. Join us and find out who these clubs are and how they do it.

Stay in touch, [estjohn7@gmail.com](mailto:estjohn7@gmail.com) or 415-378-6789 and come to our workshops where we can all share ways to support our fellow man. Thank you.

With Gratitude,  
Lion Eleanor Britter,  
Chair, Hunger Specialty Committee

### SYLVIA PIGNATI AND FAMILY SAY "HELLO!"

By Lion PP Calvin Chin

After window shopping at Living Spaces with a couple of my friends, we headed to the terrific Fiddler's Green Restaurant for yummy lunch. As we were about to sit at our outdoor seating, I heard a couple of people yell out Calvin, Calvin! I turned around and saw one of our favorite Millbrae Lions Family - Lady Sylvia Pignati, son Craig and wife Jessica - who shouted out loudly my name!

It was delightful to spend a few minutes catching up with the Pignatis. Lady Sylvia sends her love and regards to our club members. She misses us as much as we miss her! Told Lady Sylvia to join Lion PP Al Morando the next time he dials into one of our Zoom general meetings!

As the Pignatis, I told my friends that the late PDG Art Pignati and family represented one of the greatest generations members for our legendary Club! They helped establish **MILLBRAE LIONS MOJO!**

### LEO'S CORNER: NEW PARK BENCH UPDATE

By Lion Michael Kelly

The Leo's formally kicked off their 'Plastic Recycling into a Park Bench' project on the first of the month, and the timing is fitting that on the last day of the month (2/28), the first 'deposit' of film plastic was delivered to the Millbrae Safeway on Broadway.

A Leo's COVID19-mindful 'work party' was convened at Lion-Mayor Ann Schneider's home on Sunday afternoon, members of the Leo's Board and their Club showed up - along with Lion-City Manager Tom Williams and yours truly (I think 9 in total) - and the process was underway! An assembly-line approach was formed and within an hour, all the plastic was handled, weighed, and loaded into vehicles for the short drive to Safeway.

We are sending a special 'shout-out' to the Millbrae Safeway Assistant Store Director, Simo Elmari! He really came through for us, and he ensured they had room on their loading dock and a safe area for us all to work in, as just over 202 lbs. of plastic (about 40 large/garden waste bags) were transferred over.

NOW IS THE TIME, for all Lions and Leo's to reach out to 5 friends and let them know about our Plastic Film recycling drive. The Leo's will have their multi-media ad campaign launched in March, and we can do our part to keep plastic out of our landfills and create some beauty/usefulness in our Millbrae Parks! We'll be gathering and delivering the plastic every two weeks thru June, you can contact Leo President Daphne via [president@millbraeleosclub.org](mailto:president@millbraeleosclub.org) to arrange for pickups or drop offs.

The Leo's continue to impress with their volunteerism and activism - they do the Millbrae Lions and the City of Millbrae proud!

## MILLS HIGHSCHOOL RAPID RELIEF FUND

Dear Lion President Wayne, Lion Steve, Lion Betsy, Lion Calvin, and Lion Ed,

Thank you all, again, for inviting Joy and I to share the needs of Millbrae students and schools with you.

On behalf of Mills High School, I want to **THANK YOU** for your generous contribution to our Rapid Relief Fund and provide you with an update as to the difference your support made has made for so many Viking families.

Since the MHS Rapid Relief Fund (MHS RRF) started in April of 2020, we have collected \$58,887.75 from community and business sponsors and individual donations, and assisted approximately 60 different families with gift cards totaling \$39,284.41 to date. This leaves us with a current balance of \$19,603.34, which should just get us through to the end of the school year. Our goal is to be able to continue the program through the 2021-22 school year, and we estimate that we will need to raise an additional \$30,000 in order to continue to provide monthly relief and our holiday assistance program. (**See next page summary for full details.**)

Our families continue to need your help! Those of us who are fortunate enough to still have a dependable salary and secure living situation, please join us in supporting our families who are still struggling to obtain food, medicine, or cleaning supplies/household necessities because of these extraordinary circumstances. The MHS RRF has delivered targeted support to MHS families through grocery and flexible use gift cards and other credits provided by local businesses in the Mills community, and it is our goal to continue to provide this support through the 2021-22 school year.

Together we can help move the MHS community closer towards recovery and healing. Additionally, if you know any families in need, they can apply for help at [bit.ly/mhsrapidrelief](https://bit.ly/mhsrapidrelief).

On behalf of the entire Mills Community, I thank you for your generous support thus far, and look forward to collaborating on the fundraising event this April.

Stay well! Together we are Viking & Millbrae Strong!

Sincerely,  
Karen MHS PTO President

## MILLS HIGH SCHOOL RAPID RELIEF FUND SUMMARY Prepared by Maurine Seto & Karen Bettucchi

### MHS Rapid Relief Fund

Since the MHS Rapid Relief Fund (MHS RRF) started in April of 2020, we have collected \$58,887.75 from community and business sponsors and individual donations, and assisted approximately 60 different families with gift cards totaling \$39,284.41 to date. This leaves us with a current balance of \$19,603.34, which should just get us through to the end of the school year. Our goal is to be able to continue the program through the 2021-22 school year, and we estimate that we will need to raise an additional \$30,000 in order to continue to provide monthly relief and our holiday assistance program.

### The Process

Approximately 10 families/students apply monthly for a total of over \$2000 a month. The amounts vary from \$25 a week to \$375 a month. When an applicant applies to MHS RRF they are contacted within 72 hours. After assuring them of confidentiality, the first question asked is how their student is doing. This provides an opportunity to check in with the parent to see how they and their family are doing. Besides grocery gift cards, MHS RRF also provides psychological support and community resources to parents during the phone call. Several parents who apply monthly claim that they appreciate the support given during the phone call.

Factors determining gift card amount is if the family is a single parent or if the family is on free or reduced lunch. Sometimes special circumstances will allow for a one time larger amount. Larger amounts are brought to the Rapid Relief committee of PTO officers and MHS administrators for approval. If we are in SIP gift cards are delivered, otherwise they are picked up at the front office at school. For some students who we feel are at risk, we ask that they drop by weekly to pick up their \$25 gift card. This allows us to "put eyes" on the students so we can visually check in with them and have a brief conversation.

### Holiday Assistance

During the holiday season, we wanted to reach out to families and make sure they had resources for the holidays. Every single person that ever applied to the MHS RRF program was contacted to see if they would like a holiday assistance gift card from Target ( for a family of 4 or less \$100 and a family of 5+ \$150 dollars). We were able to give out about \$5900 in holiday assistance to 47 families.

### Highlights & Who We Serve

Many of the parents we are talking to have lost their jobs or have their hours reduced due to the pandemic. Many are struggling to make ends meet and to pay rent. Gift cards from the MHS RRF allow them to use the gift cards for groceries and household items and use their cash for other bills such as rent.

We have two families who have a parent who has cancer and we support them with \$250 worth of grocery gift cards a month since they only have one income and a lot of time is spent driving the parent to radiation & chemo treatments.

Additionally, two Mills families lost the apartment they were staying in due to a fire last year. We were able to step in and provide over \$500 for each family so that they could buy food and much needed household items.

### Conclusion

The MHS RRF has been a lifesaver for many families who attend Mills and live in Millbrae and San Bruno areas. This fund is necessary to continue to meet the needs of our students and families psychologically as well as materially. Donations and funding should be continued if possible to help meet these critical needs of our community.

## LIONS CODE OF ETHICS / OBJECTIVES

### LIONS CODE OF ETHICS:

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

### LIONS OBJECTIVES:

- To CREATE and foster a spirit of understanding among the peoples of the world.
- To UNITE the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- To TAKE an active interest in the civic, cultural, social, and moral welfare of the community.
- To PROMOTE the principles of good government and good citizenship.
- To ENCOURAGE service minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
