PRESIDENT'S MESSAGE

Greetings Lions, Friends, and Family,

It looks as though things are opening, and those who are vaccinated do not have to wear masks, except indoors. Lion Ed Musa is constantly checking with Green Hills Country Club as to their availability. Currently, the Club is allowing about 100 people to dine in. Thus, our Club is planning the Presidents and Officers installation for Friday, June 25, 2021. Lion Immediate Past President Rob Du Cote is chairing the planning committee.

The online auction receipts are still coming in. The net take looks to be over \$20,000. Congratulations to the Club and the Online Auction Committee! At the last meeting, the Board of Directors authorized:

- \$5,000 Millbrae Education Foundation
- \$3,500 Mills High School
- \$2,000 St Dunstan Preparatory School

The rest will be used as reserves for next year's projects.

St Dunstan Prep School Principal Spray visited the Club Board of Directors and asked for support for the 8th Grade Graduation. He did not expect or ask for any financial support but would welcome it. St. Dunstan provides the Club with free use of their school cafeteria and hall three times a year. The Board felt it was appropriate to support the school as the school supports the Club without question.

Lion Tim Lee attended this month's Board meeting and removed the Lion Cub bib. Hear Lion Tim roar!

Lion Anthony Caccia reported that the Millbrae Machines Show is currently on track to occur on the usual 3rd Saturday of August 2021 (8/21/2021). The MMS always appears two weeks before Labor Day Weekend, except this last year, of course. 20 participants are already registered. Please contact Lion Anthony Caccia or Lion John Celentano if you would like to help plan the 2021 MMS.

Sponsorship and play slots for the MLC Golf Tournament (Sept 13, 2021) are still available. Don't wait until the last minute to register and miss out. Get your foursome together! You can support the tournament and MLC's charities by approaching potential tournament sponsors. Contact Lion Ed Musa, Lion Bulletin Editor Betsy Jacob, Lion Joe Ortega, or Lion IPP Rob Du Cote.

PRESIDENT'S MESSAGE CONTINUED....

Lion IPP Rob Du Cote presented the 2020-2021 Lion awards. Lion IPP Rob Du Cote will announce the recipients at the next general meeting this Wed, May 19, 2021.

Awards for projects will be presented at the Past President's recognition meeting on June 2, 2021. This is my last general meeting as president of the MLC. Let us recognize the contributions of our past presidents and the rich history of the MLC at the June 2, 2021, meeting. This will be a historic meeting since it marks the fact that 100% of MLC's general meetings were entirely online. What is more impressive is that the Club has never had to elect a full-time president for any concurrent year, except for the year whereby past presidents did one-month interim duties as the president of the Club.

The Club's 80 years plus of success has been due to the Club's membership, supporting the president and the Board. The wealth of club experience adds up to plus 200 years. Amazing!!

Lion Kevin Guess (Veterans Lions) visited the Club at the last general meeting and iterated District Fanny Chu's description of the Millbrae Lions Club as an iconic club to be immortalized by the District. Our spirit and effectiveness are well documented, thanks to Lion Sec Gary Pellegrini.

Thank you for supporting the Millbrae Lions Club and charities.

In Lionism,
Lion President Wayne

MILLBRAE LIONS CLUB: SCOUT PROGRAM NIGHT: MAY 5, 2021

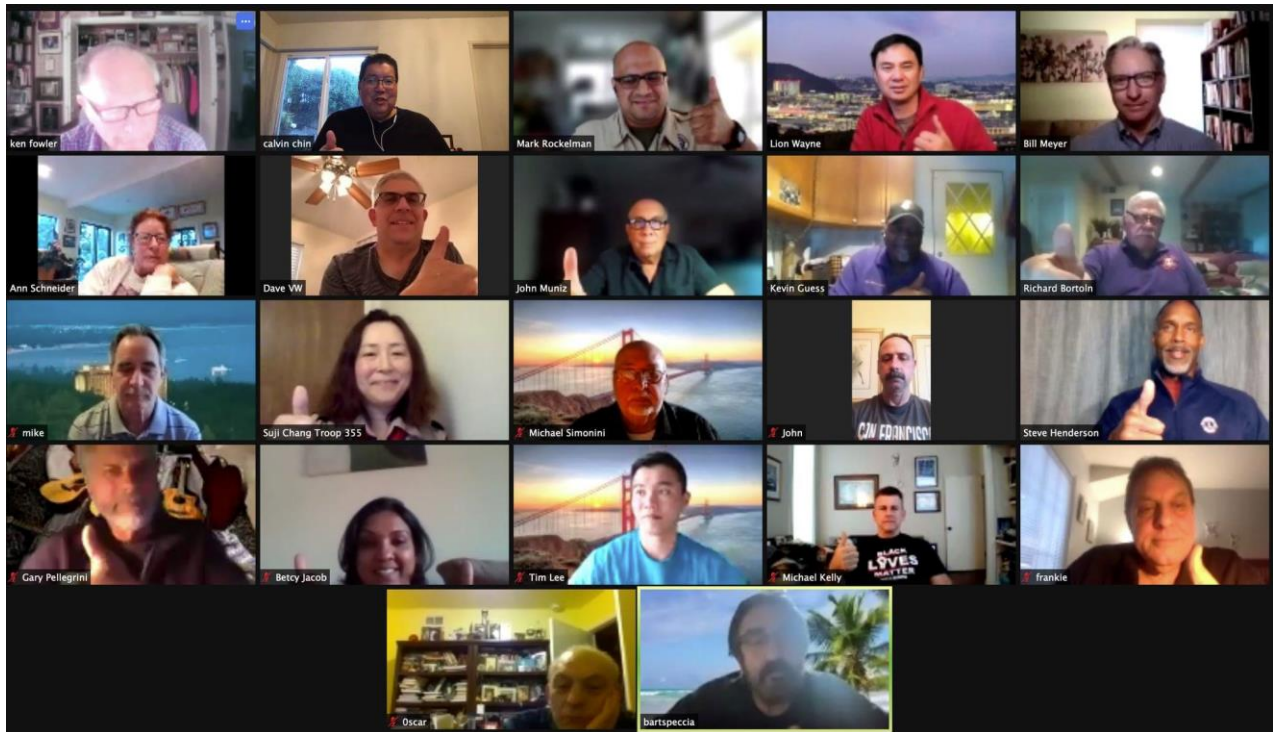

By Lion PP Calvin Chin

On Wednesday, 5/5/21 Millbrae Lions General Meeting it was SCOUT PROGRAM NIGHT where Cub Master Mark Rockelman for Cub Scouts Pack 355 and Scout Master [Suji Chang](#) for Boy Scouts Troop 355 provided their annual update.

Despite challenges with the pandemic, the scout leaders and parent leaders came up with very creative ideas to ensure our scouts and their families had the best possible scouting experience.

The Millbrae Lions Club is proud to be their Charter Organization and grateful for the dedication of our Scout Leaders. Note: several Millbrae Lions were past Scout Leaders and their sons went through the important scouting program and understand the value/experience they provide for our youth!

We also had a special visit by our long time friend Peninsula Veterans Lion [Kevin Guess](#) who is currently running for the 2021-22 2nd Vice District Governor for District 4-C4. Lion Kevin articulated his vision and approach to help set up our close to 55 Lions club in District 4-C4 for success. He provided a nice compliment that he thought the Millbrae Lions Club continues to be one of the flagship Lions Club in the District. We think that Lion [Kevin Guess](#) will make an outstanding 2nd Vice District Governor.

MILLBRAE LIONS CLUB PLANS FOR 2021-2022

By PP Lion Calvin Chin

In 2014-15, the Millbrae Lions Clubs Officers brainstormed to elevate our legendary club to the next level of service, to ensure we address the unmet needs of the 21st century Millbrae Community "We Serve".

Inspired by Helen Keller's quote: IT'S A TERRIBLE THING TO SEE AND HAVE NO VISION", they developed the now legendary MILLBRAE LIONS 5 YEAR ROADMAP that is our NORTH STAR - nurturing our club culture and guiding our highly motivated Millbrae Lions to have FUN and be EFFECTIVE SERVANT LEADERS.

Every year, the incoming Millbrae Lions Club Officers, meet and tweak our roadmap (think 80/20 rule) which includes incoming years goals that aligns to our future NORTH STAR VISION. This follows our continuous improvement club mindset.

On May 7, 2021, 2020-21 Lion President Wayne Lee and incoming 2021-22 Lion President Gary Pellegrini met with our Millbrae Lions Officers to develop our 2021-22 goals and tweak accordingly our roadmap. Everyone put their egos aside; customer focused on both our community and club members priorities and needs. We are continuing with many past effective community projects; continued partnerships with our important fellow Movers and Shakers of Millbrae but also new fresh ideas/opportunities as well.

It continues to look bright for the Millbrae Lions Club (76 volunteers strong). We are very excited!

MED FUN RUN AND PANCAKE BREAKFAST: MAY 16, 2021

By PP Lion Calvin Chin

On the morning of May 16, 2021, over 35 amazing Millbrae volunteers belonging to 2 terrific volunteer organizations - MILLBRAE EDUCATION FOUNDATION (MEF) and the MILLBRAE LIONS CLUB, worked in harmony at the Carolyn Shea Center to deliver the MEF FUN RUN and Pancake Breakfast experience to our Millbrae School Community.

We received positive feedback from our school parents. Kudos to the MEF leadership and parent volunteers. The Millbrae Lions is grateful to be part of your important event!

In addition, Lion President Wayne Lee presented also presented our 2nd donations (some of our proceeds from our recent Lions Silent Auction):

- \$5,000 to MEF (MLC is grateful to be able to invest \$10,000 this school year)
- \$2,500 to Mills High (MLC is grateful to be able to invest \$7,500 this school year)

As we reflect back, it was appropriate to plan and execute this at the Carolyn Shea Center - whom the late CAROLYN SHEA was the lead architect and catalyst that helped launched the Millbrae Education Foundation. She was also a long time friend of the Millbrae Lions Club.

We know that she is smiling from above; beaming with pride of that this generation of MEF Parent Volunteers creatively and continuously elevate their foundation to what she made have only dreamed about in 2005. She is also winking at her old friends the Millbrae Lions Club for their continuous support for the entire MILLBRAE SCHOOLS ECO-SYSTEM!

LION LAUGHS: Provided by Lion Ken Fowler

Luigi the Italian Spy

There are 3 spies that get captured. One is French, one is English and the other is Italian and named Luigi.

Their captors come into the cell and grab the French spy and tie his hands behind a chair in the next room. They torture him for 2 hours before he answers all questions and gives up all of his secrets.

The captors throw the French spy back into the cell and grab the English spy. They tie his hands behind the chair as well and torture him for 4 hours before he tells them what they want to know.

They throw him back into the cell and grab the Italian spy Luigi. They tie his hands behind the chair and begin torturing. 4 hours go by, and the Luigi isn't talking. Then 8 hours, then 16 and after 24 hours they give up and throw him back into the cell.

The English and French spies are impressed, and ask him how he managed to not talk.

The Italian spy Luigi responds, "I wanted to, but I couldn't move my hands!"

HAPPY MOTHER'S DAY: May 9, 2021: WHEN GOD MADE MOMS.....

A Memorial Day article written by our very own Lion PP Paul Larson which will in the San Mateo daily Journal before Memorial Day, and also will run in the San Francisco Catholic Newspaper May 20th edition.

Memorial Day: A Day To Reflect Or Just A Long Lazy Weekend?

By Paul Larson

MILLBRAE – In the weeks leading up to Memorial Day, observed on the last Monday of every May, many of us like to plan ahead for this long weekend so we can “live it up”. Some of us think of Memorial Day as a precursor to summer and a time to rev up the party. Then there are those of us who like to spend this time with our families at picnics or other activities. Some go on extended weekend trips of wine tasting or spa relaxation. Many observe the holiday by taking advantage of Memorial Day sales and go shopping, or by attending popular annual events such as festivals or concerts. Still, some stay home as to avoid all the weekend shenanigans. There are others, though, who prefer to reflect on the purpose and meaning of Memorial Day. Remembering those who gave their lives in service of their country, while protecting the United States of American and its citizens, and in many cases protecting citizens of other countries, or while serving in various other capacities. This is what we all should make a point of thinking about as we're enjoying our long holiday weekend.

There are a good number of families who have first hand experience with a loved one losing his or her life as a member of the Armed Forces. For those families Memorial Day is a little different. They may spend that weekend at a Memorial Service for those who've served, or they may prefer to quietly visit their loved one at the cemetery. Some will go to church and pray, and others will reflect privately in a quiet place. Then

again there are others who will participate fully in the Memorial Day weekend surrounded by family and friends. There is no one way to mourn, honor or celebrate a lost loved one's life.

It's easy to associate Memorial Day with members of the Armed Services who were lost in recent memory, such as those serving in many parts of the world including the Middle East, Viet Nam, Korea or during World War II, and for a good many during World War I, but it is vital for us to remember that the sacrifices made by those during more historical conflicts are equally important to reflect on and learn about. It's because of those who fought hard to keep our country together, and fought valiantly to create this country as a whole, is why we live the way we do, and why our country is looked upon as a beacon of freedom. It is for these reasons that we have floods of immigrants, legal and illegal, wanting to take great risks to live here. Just the fact that this is happening shows that our country has qualities that are remarkable among the rest, and exists due to those who've given up their lives to create and preserve it.

This poem by “Emily Toma” sums it up:

Remember those who served before.

Remember those who are no more.

Remember those who serve today.

Remember them as we eat and play.

***Remember our protectors-
who are not home today.***

Remember them all on Memorial Day.

LIONS CODE OF ETHICS / OBJECTIVES

LIONS CODE OF ETHICS:

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

LIONS OBJECTIVES:

- To CREATE and foster a spirit of understanding among the peoples of the world.
- To UNITE the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- To TAKE an active interest in the civic, cultural, social, and moral welfare of the community.
- To PROMOTE the principles of good government and good citizenship.
- To ENCOURAGE service minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

FOSTER CITY LIONS CLUB FUNDRAISER COVID RELIEF FOR INDIA

FOSTER CITY LIONS CLUB FUNDRAISER COVID RELIEF FOR INDIA

We have seen the devastation Covid-19 has caused in our own country. Now, we are seeing dire circumstances in India, where the lack of oxygen and medical supplies is taking thousands of lives daily.

As part of an International humanitarian service organization, the Foster City Lions Club is raising disaster relief funds for India. Please donate what you can to save our fellow humans who are in immediate need of life-saving support.

Your donation will go to the Lions Clubs International Foundation which is a 501(c)(3) tax-exempt charitable organization addressing unmet humanitarian needs globally. Donations made to the LCIF general disaster fund supports natural disaster relief efforts and other calamitous situations, such as the COVID crisis in India. Donations received will enable Lions clubs in India to purchase critically needed medical equipment and supplies.

Thank you all. Please share widely.

ONE MARTIAL ARTS!

By Lion BE Betsy Jacob

A special shout out to Brannon & Kim Beliso from One Martial Arts who have been avid supporters of the Millbrae Lions Club.

Most recently on April 24, 2021, Brannon and Kim offered their studio at One Martial Arts for us to host our very successful online auction. Brannon offered his auctioning skills along with his enthusiasm and energy which helped us to far surpass our initial auction goals! We are very thankful to One Martial Arts and especially to Kim & Brannon Beliso!

Now is a better time than ever to get in shape and show our support to One Martial Arts for all that they do for our community! **Check out <https://onemartialarts.com/>**
