PRESIDENT'S MESSAGE

Dear Fellow Millbrae Lions,

The Millbrae Lions Board of Directors, at their last meeting (August 12, 2020), demonstrated their commitment to our community youths but approving a comprehensive youth protection policy and plan. Please visit <https://www.millbraelions.club/yp-resources> to see the Millbrae Lions Club youth protection program. There you will find guidance documents, training, and other resources to protect the youth in our charge. This achievement and sign of commitment give me another reason to be a proud member of the Millbrae Lions Club.

We would also like to thank Lion Michael Kelly and Lion Marian Kong for volunteering to become Leo Advisors.

Thanks to Lion DJ Forman, each MLC member will be receiving a mask with the Lions logo for you to wear in public, or at home if you choose. The masks will be black with Lion's logo and "Millbrae" printed above the emblem. Additional masks for you, family, and friends will be \$10 each.

August 14, 2020 drive-in movie was the city's and MLC's first drive-in movie and free community movie. The movie was held at the large parking lot across from City Hall (Library Road and Magnolia) featuring "Toy Story 4." All reservations were snatched up within 18 hours. This was another free public event. Thanks to Lion IPP Rob DuCote, Lion Bulletin Editor Betsy Jacob, Lion Gina Papan, Recreation Director, MacKenzie Brady, and Lion/City Manager, Tom Williams for planning this first-ever event.

It has been many months of shelter-in-place and video meetings. I, for one, miss seeing many of you. We continue our regular meetings on the first and third Wednesdays.

MILLBRAE LIONS PROJECT UPDATES: RELAY FOR LIFE

Millbrae Lions Club 2020 Relay for Life Participation

By Lion Bill Meyer

Many of us have been affected by cancer in one way or another. My Dad passed away from colon cancer almost 21 years ago at the young age of 65. My niece had eye cancer when she was a few months old. A colleague at work has brain cancer. Think of your own experiences and let that be your motivation to take action!

And now, COVID-19 has put cancer patients at risk – attacking already weakened immune systems, delaying cancer treatments, and closing many clinical trials. Because of the impact cancer has had on our lives, let's do something about it. We are joining Relay For Life to remember people we've lost and offer up support to anyone in our community who is affected by cancer. And that's why we need your support!

No surprise, this year the Relay for Life event will be virtual. The event date is Saturday 9/26/20. This year there are several community service groups involved as part of the Relay for Life of North Peninsula, including the Rotary, San Bruno Lions, and others.

The MLC has been involved in RFL for many years. In the past Lions Gary Pellegrini and PP Hardit Chaudhary, and others, organized and engaged the MLC to provide food service for the volunteers and participants. As I recall from being a volunteer a few times, several local restaurants donated/provided the food.

Here is specifically how we can contribute this year:

- We are forming a Fundraising Team online. Each MLC member will receive a link to our MLC Team site where you can add your donation. Every little bit helps! You can also share the link with your family and friends and ask them to donate. That way we can really generate a lot of potential contributions. If you like, you can create your own fundraising page and send that to loved ones and friends, it'll still count towards the MLC goal.
 - Our (starter) goal for the MLC fundraising page is \$3,000. Should be a piece of cake!
 - The North Peninsula goal is \$65,000.
 - You can use Facebook as a link to your network
 - [Click here for the Facebook Fundraising Flyer.](#)

MILLBRAE LIONS PROJECT UPDATES: RELAY FOR LIFE

Millbrae Lions Club 2020 Relay for Life Participation Continued...

By Lion Bill Meyer

- There will be a car parade on 9/26. I have asked Lion Anthony if he could find out if any of the car club members would like to add their “machines” to the parade – especially since there is no car show as planned. “Machines Against Cancer”! More details to come about the car parade.
- Since providing food has been our “thing”, we will be asking a few local restaurants if they would like to participate in a give-back promotion. For example, during certain hours on 9/26 – or a different day of their choosing (a normally slow day maybe?) - they would donate a percent of their revenue from people who come to the restaurant specifically to help the RFL.
- There are sponsorship levels of \$250 to \$5k. [Click here for Sponsor Commitment form](#)
- Individuals can send in their business card with \$100 and the card will be added to the program.
 - [Click here for Business Card Supporter Form](#) – more details included on the next page
- Finally, I’m looking into an idea that was initiated by a Pacifica team, Virtual Bingo!

So, there you have it, there are many ways we can step up for this important cause during these unusual times.

Now, we need just a little of that famous Lions Mojo elbow grease help. This is a call out to anyone who wants to help with 1) Contacting a few restaurants, particularly those who have helped this event in the past, 2) helping to learn about and see if we can pull off an online BINGO.

Please contact me at meyer4@pacbell.net if you have any questions or would like to help out.

MILLBRAE LIONS PROJECT UPDATES: BACK TO SCHOOL KITS

Millbrae Lions Club provide Back to School Kits by Lion Steve Henderson

The Millbrae Lions are at it again. Lomita Park Principal Christina Spicker (wife of Lion Jeff Spicker) and new MESD Superintendent French collaborated to provide the Millbrae Lions Club with a list of essentials that students will need to start the school year. The MLC leadership responded with generosity. Our BOD agreed to provide \$3000.00 to purchase essential supplies for the students. **Lions Kevin O'Neil and Steve Henderson** will work as co-chairs of the project.

On the weekend of August 24th several club members will assemble 700 kits of essential school supplies. The kits will go to Lomita Park School among others in the district which will benefit the most from the project. This project is yet another example of our club finding a way to serve the community that we love.

If you are interested in volunteering to assemble these kits during the weekend of August 24th, please contact Lion Steve at hennduu@aol.com

LIONS CODE OF ETHICS / OBJECTIVES

LIONS CODE OF ETHICS:

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

LIONS OBJECTIVES:

- To CREATE and foster a spirit of understanding among the peoples of the world.
- To UNITE the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- To TAKE an active interest in the civic, cultural, social, and moral welfare of the community.
- To PROMOTE the principles of good government and good citizenship.
- To ENCOURAGE service minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
