PRESIDENT'S MESSAGE

Dear Esteemed Lions,

I hope you are well. It seems like the world is being challenged more with COVID19 shelter-in-place, fires, smoke, and inability to get a haircut. But through it all, the Millbrae Lions Club bring hope with our donations, and community events. As an example, the Millbrae Lions Club and the City of Millbrae hosted a free Drive-in Movie, organized by Lion IPP Rob DuCote, Lion Bulletin Editor Betsy Jacob, Lion Gina Papan, City Manager (Lion) Tom Williams, and Recreation Director McKenzie and staff.

Millbrae's first movie drive-in was a great success. 54 families attended. Some families set up their living room in the back of their pickup trucks complete with pillows and blankets.

The night was warm. Perfect weather. Several Lions and Leo volunteers were there to help set up, park cars, deliver snacks and enjoy "Toy Story 4" with their families.

The Millbrae Lions Club continues their regular meetings. Anyone who cannot join by video, please call in. Zoom information below.

At the next Board of Director's meeting, the Board will discuss suspending dues until meeting resume. Zoom information on the next Board meeting will be sent out prior to the meeting.

Our club should try to host the trademark MLC events Millbrae Machines, Monster March, Family in Need, Reno Trip, Car Rally, and Crab Feeds. If you have any ideas on how to process these events during COVID19, please let the chairs or anyone on the executive board.

Again, please be well and safe. Wear your mask and social distance. Together we will overcome this crisis.

All the Best.
In Lionism,
Lion President Wayne

SELF-HELP FOR THE ELDERLY

Dear Lion Wayne and Lion Members,

Thank you for your time, interest and questions on the zoom call Wednesday, August 19th. As promised, the walkathon homepage can be found at this link: <https://www.charityfootprints.com/SelfHelp/> and the August Self- Help newsletter outlining the August programs is pasted below.

I hope we can count on you to help us. Without dedicated sponsors like you, we would not be able to do the work we do to provide assistance and support to seniors in the Bay Area. In the first 100 days of Shelter in Place order, Self Help for the Elderly delivered over 300,000 meals to seniors in the Bay Area so they could stay safe at home in this pandemic. With increased demand, we are incurring significant costs beyond our normal operating budget. By joining this virtual fitness fundraiser, you can help us raise critical funds for the organization.

The sponsorship levels for your consideration can be found at this link: <https://www.charityfootprints.com/selfhelp/sponsor> Something else that you might want to consider is to sponsor \$100 for each senior on Millbrae Young at Heart team to walk. It would really encourage them to see your sponsorship. Our seniors have been the most impacted by this pandemic in harms, but also in staying at home. This virtual event is a way for them to get out without getting out and to see someone care enough to sponsor them would really light up their day.

I look forward to you joining the Millbrae Young at Heart team to virtually Walk to the Moon together to make a difference.

Pease contact me at 1139mui@gmail.com if you have any questions and/or need any additional information.

Sincerely,
Maggie Mui (1139mui@gmail.com)

Self-Help for the Elderly is a non-profit organization that promotes independence, well-being, and dignity for older adults through culturally aligned services and programs in the San Francisco Bay Area. We serve over 40,000 older adults each year in San Francisco, San Mateo, Santa Clara, Alameda and Contra Costa counties.

In the first 100 days of the Shelter in Place order, Self-Help for the Elderly delivered over 300,000 meals to seniors in the Bay Area so they can stay safe at home in this pandemic. MILLBRAE LIONS CLUB PROVIDES 700 BACK TO SCHOOL KITS

Project Co-Chairs: Lion Steve Henderson & Lion Kevin O' Neil

The Millbrae Lions are at it again. Lomita Park Principal Christina Spicker (wife of Lion Jeff Spicker) and new MESD Superintendent French collaborated to provide the Millbrae Lions Club with a list of essentials that students will need to start the school year. The MLC leadership responded with generosity. Our BOD agreed to provide \$3000.00 to purchase essential supplies for the students .

On the weekend of August 24th club members assembled 700 kits of essential school supplies which were distributed to Lomita Park School among others in the district which will benefit the most from the project.

A special shout out and thank you to **Anthony Revetta from Office Depot** who is a purchaser in the LA area for Office Depot and supplies the Millbrae store. He set the pricing for us and helped us get these kits to our community.

MILLBRAE LIONS PROJECT UPDATES: RELAY FOR LIFE

Millbrae Lions Club 2020 Relay for Life Participation

By Lion Bill Meyer

Many of us have been affected by cancer in one way or another. My Dad passed away from colon cancer almost 21 years ago at the young age of 65. My niece had eye cancer when she was a few months old. A colleague at work has brain cancer. Think of your own experiences and let that be your motivation to take action!

And now, COVID-19 has put cancer patients at risk – attacking already weakened immune systems, delaying cancer treatments, and closing many clinical trials. Because of the impact cancer has had on our lives, let's do something about it. We are joining Relay For Life to remember people we've lost and offer up support to anyone in our community who is affected by cancer. And that's why we need your support!

No surprise, this year the Relay for Life event will be virtual. The event date is Saturday 9/26/20. This year there are several community service groups involved as part of the Relay for Life of North Peninsula, including the Rotary, San Bruno Lions, and others.

The MLC has been involved in RFL for many years. In the past Lions Gary Pellegrini and PP Hardit Chaudhary, and others, organized and engaged the MLC to provide food service for the volunteers and participants. As I recall from being a volunteer a few times, several local restaurants donated/provided the food.

Here is specifically how we can contribute this year:

- We are forming a Fundraising Team online. Each MLC member will receive a link to our MLC Team site where you can add your donation. Every little bit helps! You can also share the link with your family and friends and ask them to donate. That way we can really generate a lot of potential contributions. If you like, you can create your own fundraising page and send that to loved ones and friends, it'll still count towards the MLC goal.
 - Our (starter) goal for the MLC fundraising page is \$3,000. Should be a piece of cake!
 - The North Peninsula goal is \$65,000.
 - You can use Facebook as a link to your network

MILLBRAE LIONS PROJECT UPDATES: RELAY FOR LIFE

Millbrae Lions Club 2020 Relay for Life Participation Continued...

By Lion Bill Meyer

- There will be a car parade on 9/26. I have asked Lion Anthony if he could find out if any of the car club members would like to add their “machines” to the parade – especially since there is no car show as planned. “Machines Against Cancer”! More details to come about the car parade.
- Since providing food has been our “thing”, we will be asking a few local restaurants if they would like to participate in a give-back promotion. For example, during certain hours on 9/26 – or a different day of their choosing (a normally slow day maybe?) - they would donate a percent of their revenue from people who come to the restaurant specifically to help the RFL.
- There are sponsorship levels of \$250 to \$5k. [Click here for Sponsor Commitment form](#)
- Individuals can send in their business card with \$100 and the card will be added to the program.
 - [Click here for Business Card Supporter Form](#) – more details included on the next page
- Finally, I’m looking into an idea that was initiated by a Pacifica team, Virtual Bingo!

So, there you have it, there are many ways we can step up for this important cause during these unusual times.

Now, we need just a little of that famous Lions Mojo elbow grease help. This is a call out to anyone who wants to help with 1) Contacting a few restaurants, particularly those who have helped this event in the past, 2) helping to learn about and see if we can pull off an online BINGO.

Please contact me at meyer4@pacbell.net if you have any questions or would like to help out.

LIONS CODE OF ETHICS / OBJECTIVES

LIONS CODE OF ETHICS:

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

LIONS OBJECTIVES:

- To CREATE and foster a spirit of understanding among the peoples of the world.
- To UNITE the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- To TAKE an active interest in the civic, cultural, social, and moral welfare of the community.
