PRESIDENT'S MESSAGE

Greetings Fellow Lions,

New topics for the President message was going to be challenged due to COVID19 shelter-in-place restrictions curtailing our many community projects and fundraisers. Fortunately, these fears were unwarranted. Thanks to the dedication of our Lions Club members, we are happy to report that the Millbrae Lions Club is actively planning substitute events that are safe and impacts the community.

Lion Gina Papan and Lion Tom Williams are planning a Halloween Spooktacular event for the little princesses, heroes, and monsters. Lion PP Ron Frediani, Lion 1VP Bill Meyer, and Lion Gary Pellegrini are exploring a drive by crab feed. The next Millbrae Lions Drive-in movie will be on September 25.

This week has been one for the books due to the historic fires in the state and Oregon. The smoke was so bad that by noon, it was almost as dark as twilight. Please stay indoors as the smoke and ash will not be good for your lungs. Experts expect the smoke to persist until this Wednesday.

Let us honor the first responders who rushed in while the World Trade Centers collapsed and those essential workers who are saving lives during this pandemic.

PRESIDENT'S MESSAGE CONTINUED

Saving lives can also be ubiquitous, such as raising money for a cure for cancer or delivering meals to the infirmed and elderly. As such, please consider joining the Millbrae Lions Relay for Life team lead by Lion 1VP Meyer and Lion Asst. Treasurer Oscar Loza.

MLC also committed \$3,000 to Self Help for the Elderly, to support their mission to support the elderly in Millbrae with meals and social support.

Given the restrictions on the abilities to fundraise, the club has a budgeted a respectable amount to donate and support community organizations and schools thanks to past fundraising and Lion John Bower funds. What's more, there are many more demands for assistance from victims of the fires, and those economically challenged by the effects of the pandemic. Thus, let us find ways to raise money in these challenging times. All ideas are welcomed.

Last chance to win the Marble Game pot (~\$600). Send your check to Lion PP Rich Bortolin. The drawing will be at the end of the next meeting, September 16, 2020.

Thanks to Lion DJ Forman, who has assisted to ensure all MLC zoom meetings go smoothly, all MLC meetings (Board and Regular) will use one link and login password. See below.

Be safe. Be well.

In Lionism,
Lion President Wayne

MILLBRAE LIONS PROJECT UPDATES: RELAY FOR LIFE

Millbrae Lions Club 2020 Relay for Life Participation By Lion Bill Meyer

Dear Fellow MLC Members,

Our club is joining Relay For Life to remember people we've lost and offer up support to anyone in our community who is affected by cancer. That's why we are asking for your support!

The Relay for Life is different this year, of course. We're all more hunkered down to some degree and many things are virtual, and so goes the RFL. Our famous Lion's sweat equity donations aren't possible right now, and while it's not easy to put a dollar figure on that type of equity, we know it's highly valued. Now, in these crazy times, it's our opportunity as individuals who care about our community, to **serve** by donating whatever we can to this worthy cause that has affected all of us in one way or another.

There is only 2 weeks to go until the 9/26 Relay for Life, so while I'm a bit tardy getting this link out to you all, there is **plenty** of time to make a donation before the event on 9/26. It only take a few minutes to donate. Please, donate as little or as much as you like, EVERY bit helps. We are shooting for \$3000 of individual donations as a club, which includes donations from anyone you send the link to.

Here's the link to make a Donation: [MLC Relay for Life Donation Link.](#)

Note - if you're the modest type, after you input your payment details, you can opt to be anonymous.

[Click here](#) on steps to Share Your Dashboard to Facebook or [Click here](#) to watch a video on how to do the same.

A couple of other points:

- You can increase our fundraising exponentially by linking your Facebook friends. See the attached document and use the Join Our Team link at the above link. Or, just forward the link to your friends, family, neighbors, acquaintances, colleagues, etc.
- **There will be a car parade on 9/26. [CLICK HERE TO VIEW PARADE ROUTES.](#)** Lion Anthony is attempting to round up some of the would be Millbrae Machines participants to make it really cool. I'll be driving my 1930 Model A (anyone have a tow truck just in case?). If you have a "machine" (or just a regular car), let me know and I will send you some additional information.

I'll be sending updates over the next two weeks as to our progress. Please contact me at meyer4@pacbell.net if you have any questions or would like to help out.

Thank you very much in advance for your generosity.

SELF-HELP FOR THE ELDERLY

Dear Lion Wayne and Lion Members,

Thank you for your time, interest and questions on the zoom call Wednesday, August 19th. As promised, the walkathon homepage can be found at this link: <https://www.charityfootprints.com/SelfHelp/> and the August Self- Help newsletter outlining the August programs is pasted below.

I hope we can count on you to help us. Without dedicated sponsors like you, we would not be able to do the work we do to provide assistance and support to seniors in the Bay Area. In the first 100 days of Shelter in Place order, Self Help for the Elderly delivered over 300,000 meals to seniors in the Bay Area so they could stay safe at home in this pandemic. With increased demand, we are incurring significant costs beyond our normal operating budget. By joining this virtual fitness fundraiser, you can help us raise critical funds for the organization.

The sponsorship levels for your consideration can be found at this link: <https://www.charityfootprints.com/selfhelp/sponsor> Something else that you might want to consider is to sponsor \$100 for each senior on Millbrae Young at Heart team to walk. It would really encourage them to see your sponsorship. Our seniors have been the most impacted by this pandemic in harms, but also in staying at home. This virtual event is a way for them to get out without getting out and to see someone care enough to sponsor them would really light up their day.

I look forward to you joining the Millbrae Young at Heart team to virtually Walk to the Moon together to make a difference.

Pease contact me at 1139mui@gmail.com if you have any questions and/or need any additional information.

Sincerely,
Maggie Mui (1139mui@gmail.com)

Self-Help for the Elderly is a non-profit organization that promotes independence, well-being, and dignity for older adults through culturally aligned services and programs in the San Francisco Bay Area. We serve over 40,000 older adults each year in San Francisco, San Mateo, Santa Clara, Alameda and Contra Costa counties.

In the first 100 days of the Shelter in Place order, Self-Help for the Elderly delivered over 300,000 meals to seniors in the Bay Area so they can stay safe at home in this pandemic. With increased demand, we are incurring significant costs beyond normal operating budget. By joining this virtual event, you can help us raise critical funds for the organization.

LIONS CODE OF ETHICS / OBJECTIVES

LIONS CODE OF ETHICS:

- To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.
- To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.
- To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.
- Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.
- To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.
- Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.
- To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.
- To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

LIONS OBJECTIVES:

- To CREATE and foster a spirit of understanding among the peoples of the world.
- To UNITE the clubs in the bonds of friendship, good fellowship, and mutual understanding.
- To TAKE an active interest in the civic, cultural, social, and moral welfare of the community.
- To PROMOTE the principles of good government and good citizenship.
- To ENCOURAGE service minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
