PRESIDENT'S MESSAGE

LIONS IN MOTION

"WE SERVE" is our San Francisco Global Business Lions Club's motto, inspiring us to work cooperatively as a team in serving people with humanitarian needs locally and worldwide. The mission of San Francisco Global Business Lions Club (SFGBLC) is to help the community and the world through service projects and donations to charitable organizations. Our service activities are aligned with Lions Clubs International with nearly 1.5 million Lions and Leos in 200 geographical areas and projects are organized according to our LCI goals in the areas of vision, youth, disaster relief, humanitarian, diabetes, hunger, environment, and childhood cancer.

NEWSLETTER

PRESIDENT'S MESSAGE (CONTINUED)

We also provide an environment to help our members connect and inform about their businesses, professions, and interests, so we can mutually benefit from each other, work together to make our community a better place for everyone, and enhance a better life for everyone nationally and internationally.

As a newly-established Specialty Club, SFGBLC chartered in June 2020 is moving forward with continued guidance and support from District 4-C4. With the leadership support from Assistant Executive Director Mark Casaclang, our completed Club Charter Application was forwarded and approved by Lions Clubs International. On behalf of our SFGBLC, we extend our gratitude to International Director Michael Banks for accepting the Keynote Speaker invitation and to 2019-2020 District Governor Helen Casaclang for installing our 2020-21 Officers on June 28, 2020. We also are appreciative of having the presence of Lions Past International Director / Specialty Clubs Program International Coordinator Sanjay Khetan and Past District Governor / Lions Clubs International Area 1 Specialty Clubs Coordinator Rajen Thapa. To enhance the knowledge of our officers and members, early this month, we conducted a New Member Orientation presented by 2019-20 District Governor Helen Casaclang and District Certified Guiding Lions Alison Wilson and SFGBLC Founder Margaret K. Lee.

Lastly, all of us may be different; however, as a team, we are diligently approaching the same direction in supporting people with humanitarian needs. Active service, encouragement and generosity will be the fuel of our Lion service journey. Let's bring hope where it is needed the most! Where there is a need, there is a Lion!

SAN FRANCISCO GLOBAL BUSINESS LIONS CLUB

Code of Ethics

TO SHOW

my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK

success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER

that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER

a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD

friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS

to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor, and means.

TO AID

others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL

with my criticism and liberal with my praise; to build up and not destroy.

In 1982, I started my business in the U.S. Since then, my business areas include insurance and health. I train people to maintain good health with good food supplements. I provide knowledge for obtaining long-term care and low-cost bank financing for insurance.

My interest is to organize golf tournaments for all Lions Clubs in our District 4-C4.

I belong to a band; and my group and I organize singing and dancing events in the Bay Area. Regarding traveling, our Club members and I are preparing to visit different Lions Clubs in different parts of the world.

San Francisco Global Business Lions Club was established at the end of June 2020. As a young club, we have a range of challenges and a lot to learn from. Nevertheless, all the members of the Club are very passionate about the organization and interested in learning.

With the support of Guiding Lions Margaret K. Lee and Alison Wilson, Zone Chair Lion Carol Fung, Region Chair Lion Maryah Tucker and District Governor Lion Fanny Chu, we are all on the right track to grow and serve our community. Our first signature project is now at the planning stage and will begin soon after the pandemic. We believe we would have a lot of fun.

Even our Club is quite young, we have very committed, loving, and talented members. This Newsletter is a perfect example showing that we are determined to do our best.
