DID YOU KNOW: Osaka Umeda Lions Club of Osaka, Japan is officially our Sister Lions Club. The sisterhood ceremonies were done in 1989. The first was done October 1st in San Francisco hosted by the Nikkei Lions Club and the second was done in Osaka hosted by the Osaka Umeda Lions on October 6th. Both clubs were represented by club members in each of the ceremonies. We have had many members acting as the club representative with the Osaka Umeda Lions Club over the years and often when they are in Japan, they make an effort to do a club visitation. Our present representative from the Nikkei Lions Club is Lion Reiko Hankins, who was fortunate to visit the Osaka Umeda Lions Club at their monthly meeting in October, 2019, some 30 years from the joining of the two clubs. Lion Reiko maintains contact with the Osaka Umeda Lions Club through Ms. Sasaki, their office lady. They also have not had a meeting since March 2020 due to the COVID 19 situation. If by chance, one of our members have an opportunity to visit Japan and the Osaka area, make sure you contact Lion Reiko ahead of time and who can relay that information to Ms. Sasaki and a possible visitation can be arranged. Many thanks to Lion Reiko who is ensuring that we have contact with our Sister Club and keeps up with their activities by their monthly newsletter that we receive.
