- Plastic Recycling Project --> RESULTS!!
    - The first 3 park benches (of the 11 earned so far) have been installed in/around the parks and trails in Millbrae.
    - Bench #4 will be installed early April, and 7 more are in-transit.
    - The community has been very vocal and appreciative about the entire project - and now that the tangible results are showing up, there is more community involvement than ever!
    - It is fantastic to be part of something so meaningful - keeping plastic out of landfills (over 6,000 pounds so far), beautifying the community, making parks and trails more 'pedestrian-friendly', and creating a city/county wide project that so many can be a part of and benefit from. Leoism/Lionism at its BEST!
    - Special shout out to Bay Area Leos and San Carlos Leos - contributing to the Millbrae project/benches!
    - There will be an outdoor bench dedication ceremony in late April, and the Millbrae Lions Club will be honoring the Millbrae LEOs on LEO's Appreciation Night @ Green Hills Country Club on April 20th.
      - LEO's are being treated to dinner and an awards ceremony! Millbrae MOJO!
