VISITATION FROM DISTRICT GOVERNOR LION DR. JUN VALERA: On January 6th, we had wonderful visit from DG Lion Dr. Jun Valera and members of his Cabinet - 1st Vice Governor John Hui, 2nd Vice Governor Kevin Guess, SFCCLC President August Valera plus members of Lion Dr. Jun's family, Lion Luisa Valera, Leo/Lion Tessa Valera and Leo/Lion Paul Carolina. A special project this year is DG Dr. Jun's to personally help club's in the District, especially those with declining membership. DG Dr. Jun and President Bill signed a pact that there will be a special effort between the District and our club to assist in membership recruitment among other issues. There will be direct conversations between the two and ideas will be brought back to our club for further discussion. DG Dr. Jun had a special certificate from LCI for the 50 years of Lionism by Lion David Fujita. Lion Bill will present the award at a future date. Congrats!

CITY OF HOPE: The District has made donations to the City of Hope a focus this year. Our club has made donations for many years and raises the money by asking at our monthly meetings that attendees put any loose change into the City of Hope can. We have not sent a donation the past 2+ years due to the pandemic. The contents of cans from the past couple years was recently counted and a total of \$115.35 was found. A check in this amount of money will be sent to City of Hope which does wonderful things for cancer among children.

2022 LYCA RAFFLE: Lion Donna has the raffle tickets for the members. Check with Lion Donna ASAP for the way you want to handle them this year ([ldrme@pacbell.net](mailto:ldrme@pacbell.net)).
