Excerpt from our President's Message, from our last Installation:

We have a diverse and service minded membership that are always open to new ideas to serve. I want to thank you for your service and commitment to our community. Where there is a need, there is a Lion!

Lion Carol Fung

We met socially distanced at our general meeting on February 7, 2021 at Harajuiku and watched the Super Bowl. The Super Bowl football pool fundraiser was a successful fundraiser! Our general meeting on February 25, 2021, we supported Chinatown Red's Place followed by a private tour of Lion's Den Lounge given by Lion Steven Lee. Our general meeting on May 27, 2021, we had guests from Lions Veterans Charities. Lion Kevin Kielty (Executive Director), Lion Kevin Guess and Lion Maryah Tucker (Trustees) and Lion Rich Lee (Advisor). They updated our members on the projects they are planning for the coming year. As always it was a fun and productive meeting at Lion's Den. Our last meeting on June 24, 2021 included 20 members/guests and two new members signed up to join our club.

SERVICE PROJECTS

We've served the Sunset community at the Sunset Mercantile's Farmer's Market one Sunday a month since August 23, 2020. We continue to hand out hand sanitizer to those entering the farmers market. Our Lions booth plays a crucial role in educating our community about our Lions Club service projects and goodwill. We are now an active stop where the community looks forward to picking up a free book or happily dropping off their donations.

On January 17, 2021 we started our first book drive and are happy with how well it has been received by the local community. We will continue the book drive next year.

Sunset Mercantile Farmer's Market

The Lunar New Year Celebration on February 21, 2021 was a testament of our club and the way we are building a deeper relationship with the Sunset Mercantile Farmers Market and the sunset community. We received positive feedback from the organizers of the Lunar New Year celebration, with an overall tone welcoming our organization and partnership. Our non-perishable food drive benefiting SF-Marin Food Bank was a huge success! Due to your generous donations we collected almost 500 lbs of food!

“

"Encourage Each Other and Build Each Other Up"

Our focus this year is to encourage each other and build each other up! We know this year has been challenging for everyone and we want to be intentional as a club to be a positive and enriching community of Lions! We appreciate everyone's dedication and time to serving in 2020 and onward in 2021! Although the Covid-19 pandemic affected so many of us, we will have a successful year of service!

SERVICE PROJECTS

On March 6, we volunteered and took a trip to the local SF Marin Food. This year our Lions continue to show their kindness with their time or eagerness to donate.

SF Marin Food Bank

Eye Glass Collection

Our club has an on-going prescription eyeglass collection project. Please contact Lion Carol if you would like an eyeglass collection box to be displayed at your place of business. Show the community that your business supports community service. Bring your used eyeglasses to the Farmer's Market, we will have a collection box.

Our club participated in the Annual San Francisco Veterans Lions Club Bikes4Vets distribution project. This was a collaboration with the SF Police Department, SF Veterans Lions, Lions Veterans Charities, SFSOMA Rotary Club and other Lions Clubs in District 4-C4 including our own SFULC.

This year it will be held on November 20, 2021. To further support the project, our members will volunteer on the 3rd Wednesday of each month starting with June 16, 2021 to repair/inventory of approximately 100+ bikes.

Bikes4Vets

We know our members are serving individually at their comfort level during this pandemic. Please email Lion Jenny at jenster418@gmail.com with details about your service to ensure your service time is properly reported on MyLCI. Our club receives credit for every hour you serve!

RECENT PROJECTS:

On April 18, we collected from our members and the community travel sized personal items like toothpaste, toothpaste, dental floss and body care items and made over 213 care packages. On June 18, 2021 we delivered the care packages to two local women shelters on behalf of our club and community. More packages will be made to benefit other local shelters.

Sunset Mercantile Farmer's Market

On June 13 at the Outer Sunset market, we continued to educate the community about our Lions and LEOs club and support the Farmer's Market. This Sunday we gave away a mini personal alarm to the Senior community.
