Health Fair 2009 a Success

Winning 4C4 Peace Poster from SF Korean-American Lions

A crowd of 180 parishioners and 50 volunteers joined Health Fair at Holy Angels Church Hall, Sunday, November 15, 2009. The joint venture was sponsored by the South San Francisco Golden Gate Lions with SF Host Lions, SF Fil-Am Lions, and SF Marina North Beach Lions.

Services rendered included glucose, blood pressure, body mass index, breast self-examination, consultations and of course vision screenings. Free glucose monitoring kits were available courtesy of Ms. Stephanie Starr of CSI Medical, Jennifer McFarland of Roche Diagnostics, and Kimberly Todd of Lincare.

DG Ken Ibarra graced the event, whose chairs are Lion Dr. Tina Manio with the assistance of Lion Rudy Pedagat and Lion Ora Seyler.

Grab your bell-bottoms, tie-dye t-shirts and join us for the 2010 District 4C4 Convention, "Magical Mystery Tour". See page 10.

TEAM MATES !!!

The Lions D-4C4 through SF TCCWA Lions are now "teamed up" with SFPD **Operation Dream** and the SF49er's.

The acronym DREAM stands for Diverse Response to Education Activities and Mentorship. SFPD Officers will be at the December 14, 2009 Monday Night Football game collecting toys for this worthy cause.

You can bring a little joy to a child's life by dropping a new unwrapped toy into one of the many red or green "Operation Dream Holiday Toy Patrol" barrels, or send your

donation to Operation Dream, 3401 17th Street, San Francisco, CA 94110

Credit to the Lions of D-4C4 for volunteer time and toy donations and to TCCWA for coordinating this effort with the SF Police Department's "Operation Dream" and the SF49er's to make this event even more successful.

Special thanks to TCCWA, for coordinating Lions from D-4C4 Chinatown, Geneva/Mission, the Castro Lions and TCCWA.
Lion Maria Gonzalez, SF TCCWA

Millbrae Lions Family Assistance Program

Each year the Millbrae Lions Club provides assistance those in need in the community. This year the MLC has

joined forces with the Millbrae Leos Club to collect food and toys for donation to the Samaritan House, a non-profit health and human services agency that provides a broad range of services and resources to low-income residents in San Mateo County. Services include case management, clothing, medical care, food, shelter, employment assistance, and food and toys for the holidays. All services are provided free of charge to low-income families. The MLC chose the Samaritan House because the agency's mission to promote self-sufficiency. Lions and members of the public are encouraged to drop off food and toy (must be a new toy, in its original packaging and NOT wrapped) donations through December 18 to 333 San Rey Avenue, Millbrae.

Thank you!

Lion President Lynn Azzopardi, Millbrae

Does your club participate in the Peace Poster Contest? It's a great opportunity for outreach, public awareness, and perhaps even a springboard for an art career for a talented young person.

Burlingame Lions Cook for Music

The Burlingame Lions Club cooked over 500 hamburgers and hot dogs to support the music program at Burlingame High School. The event included the band marching down Burlingame Avenue two times during the day. Seven Lions cooked for four hours to help raise money to help out the music program at the high school. There were also home made bakery items, and T-shirts available.

Burlingame Lions Oktoberfest a Big Success

The second annual Oktoberfest was a great success. The San Mateo Elks Lodge band played and even brought their Alpine horn. Lion President Kevin Keilty tried to get it to make some noise, to no avail.

The meal was prepared by new Lion Ning, and included Sauerbraten, spatzle, gravy, salad, rolls, and a great cake from Copenhagen Bakery. Everyone had a good time and joined on the grand march.

PROJECT FIN (Families in Need)

Hello fellow Lions

The below letter is one of few letters coming into Project FIN. If you are interested in helping this family please contact me.

Lion Gwen 1st Vice Pres. BVHP Lions

*Hello, my name is Deanna and I ran across your program while searching the web for places who adopt families for the holidays. We are a family of 4 (I will be having another baby in a few weeks)!! We are both on Calworks and have recently got jobs thru the jobs now program... I will be starting this week and my boyfriend started almost 2 weeks ago. So we are trying to stay stable. Unfortunately we pay \$1250 for rent each month and will not be able to have gifts for our son really while having to buy all the new stuff for the new baby. Please give me a call if we can be apart of the fin program... I also am helping my church with creating a resource book, and would like to add you and possibly meet to discuss all of your helpfulness. Thanks

A LOT OF LIONISM IN SAN FRANCISCO

The Lions Clubs of District 4-C4 were well represented in volunteering at the Project Homeless Connect on October 28. Lead by the Castro Lions Club this program was promoted throughout the District 4-C4. As a result members and their spouses from over 14 clubs were volunteering their time in the vision center. The Lead was Karen Flynn of the Castro Lions and Dr. Kathleen Kennedy also of the Castro Lions was providing eye exams. The Lion color of yellow was seen by over 605 people receiving free eye glasses and exams.

Lead by our District Governor, Ken Ibarra, Second Vice District Governor, Esther Lee, and Cabinet Secretary, Rudy Pedagat, volunteers provided much needed services at the Bill Graham Auditorium. Some of the Lions Clubs with members volunteering their time were San Bruno, San Carlos, SSF Host, Burlingame, Marina North Beach, SSF Golden Gate, and Merced Heights. Other Lions Clubs at the function were Ocean Ingleside, San Mateo, Brisbane, SF Chinatown, SF Nikkei, and our newest club, Latino Professionals TCCWA. The Lions vests prompted many people to ask what were the Lions Clubs. We showed with our volunteer spirit.

The next date for Project Homeless Connect is December 9, 2009. Come join the other volunteers at this much needed event. Some food will be provided for the volunteers at this next event. It is close to BART and all that is needed is your valuable time. The people of San Francisco thank the Lions Clubs of District 4-C4 for their help and concern.

MEET REGION 3 - ZONE 2

San Carlos Lions Club

Chartered March 31, 1938 as the Lions Club of San Carlos-Belmont. With the onset of World War II the original group of charter members dwindled, however many prominent citizens were members and managed to carry on. In 1946 things picked up and the club numbered 40 active members and introduced Western Night and instigated a roast BBQ night, followed by White Cane, and Little League Baseball. During the Korean War the club started "Operation Popcorn"-a club project which involved sending popcorn to soldiers serving in Korea.

The Club participated in Chickens Ball in 1962 and has continued involvement in the show to be more visual in the community. A major project of love and a monumental undertaking known as the San Carlos Museum was completed and dedicated to the City of San Carlos as a lasting tribute to remind the community of Lions who cared.

The Club purchased a van for St. Anthony's Padua Dining Hall and joined with local Rotary and Kiwanis Club clubs to purchase a van for the City's Special Needs Children. The dream of deceased member Vince Bruno became a reality when the San Carlos Service Clubs for Seniors was founded. The clubs helps monthly with the "Caring Cupboard" a much-needed food program. In addition to all of their district committees and projects they maintain a high profile with their Adopt-A-Highway involvement.

Redwood Shores Lions Club

Chartered June 28, 1991 under the sponsorship of the Foster City Lions Club. The club is involved not only in multiple district committees and foundations, but in numerous local community projects such as Redwood City Homeless Shelter, Senior Citizens programs, and youth scholarship programs. The club helped renovate the Daytop house, a teen drug rehabilitation program and has established a partnership with Sandpiper School to provide not only financial assistance, but vol-

unteer services as well. In addition to local and district activity the club has also been active internationally. In 1992 the Club became a sister club with the Lions Club of Geelong Eastern Suburb Inc. of Australia and in 1994 formed a sister club relationship with the Lions Club of Bangkok Dusita and the Lions Club of Cha bahil, Nepal.

The club is very family friendly as they bring their children along to Sandpiper Community Center. The club continues to partner with clubs in their area in the "Save The Music" program. The club recently had a food tasting event for their scholarship program and is now engaged in their major fund raiser by selling of Lumpia, Bibinka, Leche Flan, Leche Flan Cake, and Tres Leches Cake.

Food Tasting Fundraiser

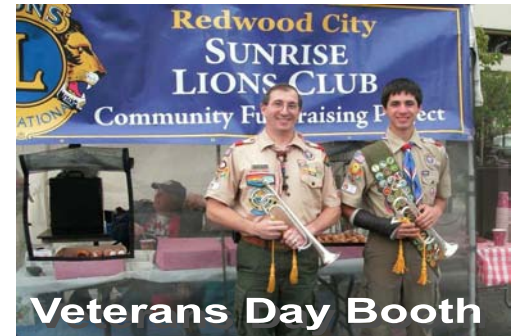

Although only 20 members strong, the club continues to serve the needs of Their Community and District 4-C4.

Redwood City Sunrise

Chartered on November 2, 1966 the Redwood City Sunrise Club was formed by many members of the Redwood City Downtown Club who felt that we needed a breakfast club to serve the needs of the community. The early fund raiser was a haunted house with an almost 2 month commitment from the membership earning them an award for the most outstanding service project among all service clubs in the area. It was known not only as a fund raiser, but also a "Fun Raiser". Former member Bob Rose (deceased) was instrumental in forming our District Eye Glass Collection program.

The club now raises funds by participating with food booths in the Palo Alto Concours d'Elegance, Redwood City 4th of July Parade,

Palo Alto Airport, and a Pancake Breakfast. In addition the club sponsored a Green Car Show which featured high mileage cars as well as electric vehicles and an experimental car from SJSU. Plans are to expand the show to include electric plug-ins and hopefully cars such as the Tesla. The club also co-sponsored a Veterans Day Program and gave

Veterans Day Booth

away 200 Hot Dogs with drinks and chips. The program received considerable coverage from TV and press and had many high profile dignitaries attending.

Sunrise is only 17 members strong, but remains a stalwart member of District 4-C4 by participating not only in District and International projects, but members spend many hours participating in Community Service. Club motto has been- "Last Down At Night- First Up In The Morning".

Redwood City Fair Oaks

Chartered April 20, 2008 under the sponsorship of the Redwood City Sunrise Lions. They participated in the Redwood City Fair Oaks Festival, have had garage sales, are selling Y&CA tickets, and most recently had their first major fund raiser. The Black and White Gala Dinner and Dance had over 200 in attendance with most of those attending being residents of the area. The transformation of the church hall with decorations, pillars, table decorations, table cloths, chair coverings, etc. was truly amazing as they only have 12 members. (See pictures page 9.)

President Carmen Chong has instilled the club with a sense of purpose and vibrancy to help the club serve the Community of Fair Oaks.

Region 1 North Zone 1 Update

Well the year is close to halfway over, and boy, has our zone been busy. We've held fundraisers, participated in district fundraisers and projects and held many projects of our own.

The Geneva Mission Lions Club is holding our 31st annual charity raffle on November 29, 2009. From the money that the club raises it supports the Lions Eye Foundation, Teen Challenge, St. Mary's Adult Day Health Center and many more programs in our community.

The Castro Lions Club held a total of four fundraisers to benefit the refurbishing of the Pink Triangle in the Castro District of San Francisco which was vandalized. They also sponsored a day of volunteering with Project Homeless Connect in which many Lions from the District attended and made a HUGE success.

The Korean American Lions Club hosted a Health Fair in Union Square in August and at the 2nd District Assembly meeting their peace poster won the district contest. Congratulations! (See page 1 for picture.)

The Nikkei Lions Club has been busy as well with fundraisers and planning for their upcoming crab feed in January. With the funds they raise the club supports incredible organizations like the Asian Woman's Shelter and many more.

Coming up in December is the TCCWA Lions Club's annual toy drive program called Operation Dream. This Lion's club has partnered with local police officer's to help distribute

thousands of toys to underprivileged children. And finally the Chinatown Lions Club has completed many projects in the past four months including hosting their annual health fair and giving to numerous charities. Their big annual event, the Miss Chinatown Pageant, will be held April 3rd, 2010.

In addition to all of these incredible projects many of the clubs in our zone have participated in White Cane Day, the Youth and Community Raffle and will participate in the Student Speaker Contest this coming winter. Region 1 North Zone 1 is an incredible zone and I am privileged to serve these very fine and extremely active clubs!

--- TASTE OF SSF ---

On the 5th of Nov, I attended the Chamber of Commerce of SSF fundraiser--TASTE OF SSF at the Conference Center. The idea is to taste samples of food (over 30 restaurants/ businesses participated and a few wine shops who gave out samples. After you got your plate of various food (for me it was the ethnic delicacies instead of the pizzas & sandwiches) you found an empty table to enjoy your "pickens" and hopefully meet some people from various walk of life etc, hence "networking".

My intentions were clear, get "new members" for the Lions Club. I wore my District's Cabinet red shirt with the Lions logo to make a statement. Did I make a mistake?? After 20 minutes there, a Rotarian I know walked up to me and said, "take that shirt off". I smiled at him, said hi and moved on because I just had a short conversation with a potential member from the School Board who I met a year ago & got his phone number and e-mail address for a follow up.

I am not fond of desserts unless it is chocolates but I decided to check the other side of the room where there were all sorts of cakes, cookies, pies & fresh fruits. Lo and behold in the corner was a table with little chocolate éclairs, which I love, some cookies and scones and a beautiful lady standing behind it. It was Lion Sylvia Chu, President of the Belmont Lions. But in this role, she is the Executive Director of Aegis Assisted Living. After talking to her, I picked up a flyer announcing her mixer on Mon. 16th of Nov from 530pm to 730pm & left for Belmont.

FROM THE DISTRICT GOVERNOR

Happy Thanksgiving

The holidays are upon us as we celebrate Thanksgiving and prepare for the season of giving. Traditionally, it is a time to give thanks to God for the harvest and express gratitude in general.

We celebrate by preparing feasts and gathering with friends and family. Lions love to eat – they also love to cook. The irony of the season, is that Lions try and perform activities of cooking and giving throughout the year. However, it has an added importance during Thanksgiving. Lions in our District and throughout the country celebrate by feeding others. Lions use their cooking skills to feed hundreds of those less fortunate. We don't think twice about it, because as Lions, we are always thankful for what we have and express our gratitude by helping others.

You've heard me mention it many times before – the simple acts of kindness that mean so much to the ones on the receiving end. We are all very aware of the challenging times that many are experiencing – some for many months with little relief forthcoming. And yes, we are aware of our own financial limitations, trying to budget our own lives while gauging our own charity. This is why this season, this point in time, is so critical to our membership and our communities. It is up to all of us to do our part in making a difference in someone's life during this difficult time – even if we are also struggling. Lions have the giving spirit, the selfless attitude that there's someone else who is less fortunate. It is our unofficial duty to step forward and allow all to participate in the season – no one should be left out.

I ask all fellow Lions to participate in their own Thanksgiving "project" or partner with another club or organization helping with their event. Please remember, it's not the size of the event nor how many lives you help.

What's most important is that we all do our part, even if for one moment and one person. The more we touch lives coupled with our ongoing service, will clearly extend the season of giving year round.

While I am on the subject of thanks, I would like to extend my heartfelt thanks to all Lions, especially our Cabinet officers. I cannot be more grateful and proud of our District leaders, who have shown their tireless commitment to our members. As we continue to visit the clubs and attend projects, I am continually pleased to see their enthusiasm and hard work with both the District and their own clubs. For this, I am truly grateful.

May you all have a healthy and blessed holiday season. Please keep those who are experiencing challenges in your prayers and close to your hearts. Amy and I want to wish everyone a Happy Thanksgiving.

All You Need Is Love,

DG Ken

FROM THE 1st VICE DISTRICT GOVERNOR

Hello fellow Lions

November has been a very busy month, with club visitations, 2nd cabinet meeting and many clubs having Thanksgiving dinners for the homeless.

It's been great going to all the clubs and hearing about the projects both the ongoing ones as well the new ones, keep up the POSITIVE work.

The 2nd Cabinet (assembly) meeting was TERRIFIC. It was rewarding to see all the clubs that took time from their busy schedules to come to the meeting. Remember if you want to be the leader of your club you ATTEND these meetings.

Great job by Region and Zone 2 chairs.

Remember that we not only need NEW members but we also have to KEEP the members we have.

Have a wonderful Thanksgiving

Thank You

FROM THE 2nd VICE DISTRICT GOVERNOR

What is a LION?
Why did I join the
LIONS?

These are questions that we should ask ourselves occasionally, truthful answers should get a LION back, "on track."

A LION is an individual who unselfishly volunteers service to the community and it is clearly understood that there is no remuneration for any service volunteered local or otherwise. Alone, we can also serve our community but as a group like the LIONS we can do more. Remember that there is strength in numbers. With every service we provide as

LIONS you feel pride and greater satisfaction that you were able to help someone. You feel proud that you were able to provide a needy family warm clothing which if you didn't come to their rescue they would have felt the chill of the cold winter nights. A roof over their head; a wheelchair for the disabled; the gift of sight through surgeries we sponsored or through eyeglasses we donate. I can go on and on but you know all these because YOU were a part of these services.

Joining the LIONS gave us opportunities to interact with more individuals like yourselves, we grow, we learn and become effective leaders in our field. And personally for me, it is the true friendships that I found to be more meaningful and lasting. As volunteers, we try to serve everyone in need within our

means and if it is more involved we seek the help of other LIONS by helping others. Let me leave you with LCI's Mission Statement, "To empower volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs."

Happy Thanksgiving to you all!
Lion 2nd DG Esther

FROM LIONS INTERNATIONAL

Lions Clubs International recently earned honorable recognition for its outstanding service in diabetes from the International Diabetes Federation. At the 20th World Diabetes Congress, October 19-22, in Montreal, Canada, Professor Martin Silink, 2006-2009 president of the International Diabetes Federation, presented the award to Lions Clubs International during the General Council assembly of its more than 200 member associations representing more than 160 countries. The award recognizes Lions Clubs International formally as one of the prominent global leaders in humanitarian and community services, and for its consideration for diabetes as a growing global concern.

The diabetes epidemic will affect close to 440 million by 2030 if the current trend is not addressed. On behalf of Lions Clubs International, President Eberhard Wirfs states that the association "will continue to encourage its membership to become increasingly involved with diabetes-related projects and activities in response to this growing epidemic."

LIONS OBJECTIVES

- To Create** and foster a spirit of understanding among the peoples of the world.
- To Promote** the principles of good government and good citizenship.
- To Take** an active interest in the civic, cultural, social and moral welfare of the community.
- To Unite** the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To Provide** a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.
- To Encourage** service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

SUNSHINE REPORT:

Condolences to Lion Billy Camota, SF Highland Lions, and to the Camota family, on the loss of his older sister.

Frank Spadarella, past president of Mission Lions Club passed away October 4th at the age of 84. He succeeded his parents in ownership of Toto's Pizza Restaurant.
