Bridge to Lionism

January/February 2011

A message from your PCL President

Fellow Lions,
Thank you all wonderful Lions who attended our last meeting. Thank you Burlingame Lions especially to President Lion Brad Floyd, Lion Jack Van Etten, Lion Toni Nava, and Lion Erick Winkler, what a great job. The raf-

file prizes were wonderful and almost everyone went home with some type of prize. Our utmost thanks.

For those of you who missed our last meeting, this month meeting will be hosted by San Bruno Lions at Don Pico's Mexican Bistro in San Bruno. San Bruno Lions assured us an awesome Mexican food, so don't forget to RSVP.

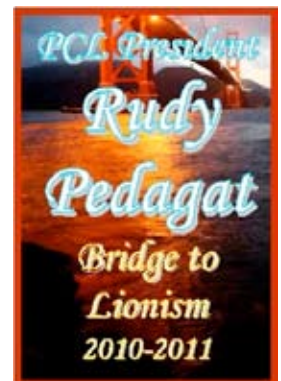

The Police and Fire Awards Night almost around the corner. We have a wonderful program on April

1st. Our keynote speaker will be Congressman Jackie Speier. Get your tickets as early as possible as it will be sold out fast. I'm happy to announce as off to date we have around 48 Police and Firefighter nominees and still we are expecting a few more. This will be a big affair.

I want to wish you all a belated Happy Valentines Day and to those celebrating the Chinese New Year "Gong Hei Fat Choi" or Have a prosperous year. Well see you all in the next meeting at Don Pico's Mexican Bistro.

January 24, 2011 — Hosted by the Burlingame Lions

The January PCL meeting was hosted by the Burlingame Lions Club, and held at the DoubleTree Hotel. As with all of our PCL meeting there is a great deal of camaraderie prior to the meeting, and a chance for Lions to meet fellow Lions.

lecting enough to cover all of the meals at the meeting. It was suggested that we increase the meal cost to \$30. However, that motion was tabled until we can get an exact count for the cost of the meals, on average, and separate out the raffle ticket money from the dinner income. This will be discussed at the

Lion President Rudy Pedagat got this started on time by asking the Burlingame President, Lion Brad Floyd, to lead us in the pledge, Lion Erik Winkler to start us off with a song—Burlingame O’Burlingame — wouldn’t you know that would be his selection. Lion PDG George Habeeb gave the invocation.

Secretary’s Report

Lion Dan Andersen gave a very brief report, and reminded everyone to make sure they got their parking tickets validated before they left the meeting. He asked that all the club presidents turn in their monthly reports after they had given them, and if possible to make sure they send him an e-mailed copy of the report, or a brief report that can be published in the next bulletin.

In the future, it would be great if all clubs could send in their reports in a way that they feel best describes their club’s upcoming activities.

Treasurer’s Report

There was no report this month. Our treasurer was unable to attend. It was mentioned that we are not col-

lecting enough to cover all of the meals at the meeting. It was suggested that we increase the meal cost to \$30. However, that motion was tabled until we can get an exact count for the cost of the meals, on average, and separate out the raffle ticket money from the dinner income. This will be discussed at the

First VP Report

Lion Marion Benavente announced the next meeting date of February 28, This meeting will be hosted by the San Bruno Lions Club. Lion Mario also reminded everyone that the annual Police and Firefighters award dinner is coming up. It’s on April 1, at the Crowne Plaza Hotel in Foster City. Make sure you contact Lion Sylvia Chu and make your reservations early because space fills up fast, and you don’t want to miss out on this fabulous event honoring of first responders. Club President's Reports on Upcoming Events

The following reports were delivered on January 24, 2011. It is important to have all, or as many as possible, of the clubs present their activities that have planned for the next month or so. In that way the various clubs can make sure they do not schedule an event that would conflict.

Note: Before our next meeting, please e-mail me a copy of your typed report. Remember that PCL President Rudy only wants to have reports on upcoming events and joint projects. Past accomplishments are tremendously appreciated, but not required in your report.

Thank you Club Presidents for your hard work and for all you do for Lionism and your Club. PCL: Secretary/Bulletin Editor Lion Dan Andersen.

Report: We maintain a membership of 25. We lost a few and gained a few, but our total membership remains the same. In December we partnered with Community Gatepath in Burlingame and "took over" their make a wish tree. A committee purchased and delivered presents to everyone on the tree. It was a fantastic day.

In February we will participate in the Polar Plunge with Nor Cal Special Olympics. It will take place at Chissy Field. 100% of our donations will go directly to them. About half of the club will participate. I sent a letter with an update on our activities to Tim Shriver and I'll let you know if I get a response.

This is a treasured tradition in Brisbane. One that has been going on for over 40 years.

Our upcoming events include a social night where Lions will present a sideshow and Certificates of Appreciation to community members who have the best display of Holiday Stars. This event is much anticipated by both the Club and those honored. We will also be inducting a Lion into the Club that night.

At our second meeting on January 17, we had a guest speaker named Tony Perra who told of his exploits hiking the Pacific Crest Trail from Mexico to Canada. Talk about inspirational and I think I have an idea for a Lions Fund raiser.

SERVICE

Did you know that a club that focuses on service projects provides for a dynamic and welcoming club experience for all members?

Did you know that service projects promote club energy, membership and boost each individual member's enjoyment, welcomes new members and reinforces the supportive atmosphere for each member?

WHY???

Each member not only knows who is doing what and what they should be doing; but they can talk about the service project to their friends, co-workers, neighbors and acquaintances and promote the difference that Lionism makes.

Sid L. Scruggs III, International President, said "There is no substitute for an outstretched hand offered in service. There is a light that emanates from each and every Lion member. You can see it in their eyes, you can see it in their smiles, and you can see it in the actions."

My job as a lion and Second Vice District Governor, is to serve and learn. "WE SERVE." You are doing a great job. Keep up your good work.

I am honored to serve you as Second Vice District Governor, The Key to Our Success in Through Service and Service Projects.

Message from PDG Maxine Frazier

District Convention

Packages concerning the upcoming convention will be distributed at the District Assembly on February 19. Make sure you get all of your forms in as soon as possible. It is going to be important to make sure you have the rooms you need for your members, and for your hospitality suites. There will be a \$50 charge to remove the furniture from your hospitality room.

If your club has members that require a special meal, please make sure that they are covered, and your special request form is submitted.

Special housing instructions should also be included. For example, if you want a first floor room, non-smoking, etc.

The 2012-2013 convention will be going back to the Radisson Hotel. The contract has been signed.

Hospitality room judging will take place on Friday night.

The grand gala dinner is on Saturday, so make your reservations early.

Lions Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions International Purposes

To Organize, charter and supervise service clubs to be known as Lions clubs.

To Coordinate the activities and standardize the administration of Lions clubs.

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
