October 27 — Join Councils Meeting—Halloween!!!

The joint meeting of the Peninsula Council and the San Francisco Council of Lions Clubs was held at the Elks Lodge in South San Francisco on October 27. Attendance was very good considering that the Giants were playing in the World Series that night. And, they won.

The San Francisco Council of Lions Clubs did a great job in organizing and running the meeting. The food was very good and desert left you wanting more. This event is a lot of fun every year, and this year was not exception. Check out some of the costumes on this and the next page. In some cases you had to really look hard to see who was behind the mask and make-up.

The attendee's sported some very creative costumes, and the judging was difficult.

Third PCL Dinner — November 22, 2010

The third meeting of the PCL was hosted by the Redwood City Sunrise Lions Club. It was held at the Iron Gate Restaurant in San Carlos. The room was filled with happy Lions and the food was wonderful.

When the bell sounded to start the meeting the entire PCL board was there to cheer Lion Rudy on..

This was the meeting where the club president's presented their "Bridge-to-Lionism" projects. There were some really elaborate bridges, and some very simple ones made from only the items in the kit given to them by PCL President Rudy.

Club President's Reports on Upcoming Events

The following reports were delivered on November 22, 2010. It is important to have all, or as many as possible, of the clubs present their activities that have planned for the next month or so. In that way the various clubs can make sure they do not schedule an event that would conflict.

Note: Before our next meeting, please e-mail me a copy of your typed report. Remember that PCL President Rudy only wants to have reports on upcoming events and joint projects. Past accomplishments are tremendously appreciated, but not required in your report.

Thank you Club Presidents for your hard work and for all you do for Lionism and your Club. PCL: Secretary/Bulletin Editor Lion Dan Andersen.

Report: October was a very busy month for us starting at our regular meeting when we had Assemblyman Jerry Hill as a guest speaker updating us on the state of affairs in Sacramento, including the state budget crisis.

The weekend of October 16/17 was the Half Moon Bay Pumpkin Festival which is one of our clubs biggest events of the year. We sold our famous bbq'd hamburgers and grilled corn on the cob. Saturday had to have been one of our busiest (and best \$\$) days ever,

Club President's Reports — Continued

but the weather turned wet and cold on Sunday the 17th and we only sold a small percentage of what we had the previous day. We had great participation from our club members as well as three of the local high school sports teams (girls volleyball, girls basket ball, and the track and field team) who helped us and shared in the profits. We also donated all of our left over stock (burgers, buns, corn and soda) to the Coastside Adult Day Health Center.

One week later on October 25 we were at it again with a golf tournament at the Crystal Springs Golf Club that we partnered with the Burlingame Lions. It was a small tournament by past standards with 48 golfers, but the weather was great and it was a successful fund raiser for Half Moon Bay.

We had two regular meetings in November with a visitation from the Millbrae Club at our first meeting on November 1st and a group of coaches from Half Moon Bay High School at our November 15 meeting. The coaches thanked us for letting their kids help out at Pumpkin Festival and make some money for their teams.

Due to a conflict with last month's PCL meeting, we moved our club board meeting to the first week in November where we agreed on the amount to disburse to our helpers during pumpkin festival. We also agreed to donate \$500 to Coastside Hope's Adopt-a-Family program for the holidays. We will also ask club members to make donations to this cause in lieu of a gift exchange at our clubs Holiday Dinner on December 13.

And the Holiday Dinner is the only event we have planned for the month of December. Come January 1, we will be back at it getting ready for Student Speaker, Senior Night Out, Dream Machines, and Rebuilding Together as well as other programs and events.

Warm Hands and Feet Project

Fellow Lions:

Each Wednesday evening the Rose Home and Bayview Hunters Point Lions feed the homeless at 5th & Bryant Streets as they wait to enter the shelter. Hot soup is served from the back of a pickup truck to about 100 souls. They are all hungry and grateful. The temperature is in the 30's and 40's.

The WARM HANDS & FEET PROJECT will provide gloves and socks to the homeless. It is one small gesture we can do to make them a little more comfortable.

We are collecting new knit gloves and socks to distribute each Wednesday evening.

Please consider as an individual donation or a club project - please act now. Contact Lion Ken on the peninsula and Lion Gwen Strain in San Francisco.

Thank you and God bless,

Lions Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions International Purposes

To Organize, charter and supervise service clubs to be known as Lions clubs.

To Coordinate the activities and standardize the administration of Lions clubs.

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
