

PENINSULA COUNCIL OF LIONS

We Serve

PRESIDENT'S MESSAGE

I'd like to take this opportunity to thank the South San Francisco Host Lions Club for hosting our first Peninsula Coordinating Council of Lions Clubs dinner meeting for the 2005 - 2006 year. Not only did the Luxor Restaurant provided a tasty meal, but the location and atmosphere both contributed to a great evening of fun and fellowship.

Our District Governor, Eugene Chan, was present at our dinner meeting and provided detailed information about contributions that can be made through our district to assist the victims of Hurricane Katrina and how clubs and individual contributors can qualify for Helen Keller Awards.

Also, accolades continue for our Vice District Governor, Al Russell, who was instrumental in founding the East Palo Alto Lions Club and is now working on creating a Lions Club in Belmont. On behalf of all the Lions Clubs and members in the Peninsula Council of Lions Clubs, thank you Eugene and Al for all the great work.

The other PCL officers and I inherit an absolutely outstanding organization because of those who have served the PCL before us. Every past member of the PCL has worked hard to create and build a foundation for future excellence. Each of you has made our job this year easier. Thank you all for your love for Lionism and the PCL.

This year, my focus will be to create a link to the District website to provide a calendar of events and to place our monthly bulletins "on line." Our PCL officers have been working with our District Web masters (Charles Nelson and Al Thomas) to make this a reality for this year. We will continue to mail out the bulletins to the clubs and district, but the website will be an alternative way for the PCL to communicate and coordinate information, events and our monthly dinner meetings.

Besides providing and sharing information between and among Lions Clubs, the PCL will again be working on the Annual PCL Police and Fire Awards Banquet. I've already secured our keynote speaker - former San Francisco Mayor and Police Chief, Frank Jordan. His years of service to protect the citizens in San Francisco and the lifetime sacrifices he has made to the public are second to none. I believe he will be one of the best keynote speakers we've ever had for the Police and Fire Awards Banquet.

Don't forget that our next regularly scheduled PCL dinner meeting (October 24, 2005) will be a "combined" meeting with the SF Council. The dinner will be held at Nick's Restaurant and hosted by the Pacifica Lions Club. Remember to wear your Halloween costume, as there will be a costume contest and prizes will be awarded for various categories - so don't miss out on the fun! Once again, thank you Lions for allowing me to lead YOUR Peninsula Council of Lions Clubs. My love of what the Lions Clubs do, and my love of law enforcement public service are both near and dear to my heart. So, I'll continue to thank you for this great honor that you have given me in these bulletins throughout the year. God bless you and your families, and God bless our Lions Clubs. See you in October!
