## Peninsula Council of Lions Clubs

Volume 01, Issue 2

October, 2007

### President's Message

The year 2007 has begun with a great beginning. We had a great turnout at the South San Francisco Elk's Lodge and many thanks to President Sandee Ige and members of the South San Francisco Host Lions for hosting the first Peninsula Council of Lions dinner meeting. Thank you to all the clubs for their reports. Monday, October 22<sup>nd</sup> Pacifica Lions will host the special joint meeting at Nick's Restaurant in Pacifica. This is a joint Halloween meeting of the Peninsula and San Francisco Council. Wear your best costume and win a prize for best original, funniest and scariest. Please plan on attending and showing your support to both councils. Your council officers are actively working on the Police and Fireman's award banquet dinner on March 28, 2008. It is my goal to have a concise and informative fun meeting. I would like all attendees to get home at a reasonable time and feel that attending Peninsula Council is a positive experience.

A good listener is not only popular everywhere, but after a while they know something.  
Thank you in lionism,  
Lion Bob Wilson
