First PCL Dinner — September 27, 2010

The first meeting of the year got off to a late start. President Rudy wanted to give everyone a chance to get to the meeting. There were three auto accidents that blocked the main arteries into Foster City.

Foster City Lions President, Eleanor Lindquist, began the meeting by welcoming everyone to Foster City, and introducing our New PCL President Rudy Pedagat. He thanked everyone for attending, and was happy to see so many Lions

Clubs represented.

Lion Paul Larson, PCL 2nd VP, gave a brief update on the upcoming meetings. There will be a joint SF-CLC/PCL Halloween meeting on Wednesday, October 27. It is going to be held at the Elks Lodge in SSF. The food is going to be provided by the California Catering Company, so make sure you get your reservations in early. They really need a good head count for this event. It always a sell out, and well attended by both Councils. The cost is only \$25 per person.

The next PCL meeting is being hosted by the Can Carlos Lions Club and will take place on Monday, November 22nd at the Iron Gate Restaurant.

Lion Dan Andersen, PCL Secretary/Bulletin Editor, asked all of the Club Presidents to make sure they sent him their monthly reports as part of an e-mail or in a MSWord document attached to the e-mail. In that way he can make sure that all of the information from each club in attendance, and even those that could not make it, is included in the bulletin.

Special Report

PDG Lion Ken Ibarra gave an update on the fire at 6:15 p.m. in San Bruno on September 9th in the Glennview area.

There were 50 first responder agencies that came to the aid of San Bruno. The fire caused 368 residents to be evacuated. Only 320 have been able to return to their homes. There were 37 homes destroyed, and 20 more that are uninhabitable.

The City has arranged for 24/7 security for the area.

As of the meeting, PG&E has not determined that actual cause of the rupture and explosion. There is expected to be a full report within the next few months. Senator Jackie Speier has asked for tighter controls and oversight for the States, natural gas lines.

PDG Ken thanks the Millbrae Lions for their quick response to the disaster. They were actually ready to help by midnight, but were not able to get onto the Recreation Center site until the next morning, when they cooked for the evacuated residents, fire fighters, and response personnel.

Lions Clubs International President, Sid Scruggs, here for the Lions Eye Foundation dinner, was able to visit the Millbrae Club's emergency kitchen and see for himself what was happening.

LCIF issued a \$10,000 grant to be used by the San Bruno Lions Club, if needed. At this time it may not be needed. The various clubs and Lions have donated over \$35,000 to the disaster fund in San Bruno.

The San Bruno Lions have a donated warehouse that is going to be used to store cloths and other items for use by the victims. They are also looking for new or like-new furniture.

This was a wake-up call for the District. Lion Jack Van Etten and the District Governor are working on a District-wide disaster program.

First PCL Dinner — September 27, 2010

PDG Lions Maxine Frazier gave a very nice report on the 50th Anniversary dinner for the Lions Eye Foundation of California/Nevada, Inc. She acknowledged those who help make the event a success: PDG Art Pignati, PDG Don Stanaway (who received a special award from the LCI president, Sid Scruggs for his 27 years of service to the foundation), Linda Dettman, Sandee Ige, Pat Phyllis, Lydia Taylor, Doris Melendez, Fred Summers, PCC Emil Kantola, PDG Mel Phillips, Jim Luner, Dan Andersen, and of course to herself as a chair and very busy contributor to the event.

She also told the group that she has a few collector's anniversary pins available for only \$5 each. There is a very limited supply. So, if you would like one, please contact PDG Maxine.

President Rudy gave out this year's President's contest T-shirts and instructions. The presidents are required to build a bridge.

Who is that shirted Lion who just could not get the shirt over his head?

Smile President Rudy. You only have 10 more months to go.

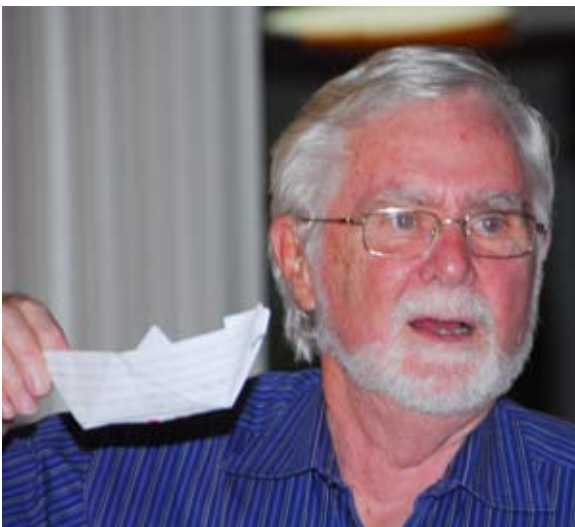

Our District Governor, Lions Mike Simonini and Lady Jane.

Foster City Lions Club President, Eleanor Lindquist give the President a welcoming kiss...

Eating is a big part of coming to the PCL meeting. The other is simply to meet and have fun with the other Lions in the PCL.

Our 2nd VDG seemed to be very busy showing the people at his table how to fold little boats, or is that a hat?

The 1st VDG gave some words of encouragement to President Rudy, and told him that she thought he would have a great year.

District Governor, Mike Simonini told how is thought the clubs response to the San Bruno fire was exceptional. He also said the he thought that the MD-4 web site was a good example for us to try and follow.

The next District meeting will be held on November 13, at the Mission Blue Center in Brisbane.

Club President's Reports on Upcoming Events

The following reports were delivered on September 27, 2010. It is important to have all, or as many as possible, of the clubs present their activities that are planned for the next month or so. In that way the various clubs can make sure they do not schedule an event that would conflict.

Note: Before our next meeting, please e-mail me a copy of your typed report. Remember that PCL President Rudy only wants to have reports on upcoming events and joint projects. Past accomplishments are tremendously appreciated, but not required in your report.

Thank you Club Presidents for your hard work and for all you do for Lionism and your Club. PCL: Secretary/Bulletin Editor Dan Andersen.

Lions Code of Ethics

To Show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To Seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

To Remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

To Hold friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

To Aid others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To Be Careful with my criticism and liberal with my praise; to build up and not destroy.

Lions International Purposes

To Organize, charter and supervise service clubs to be known as Lions clubs.

To Coordinate the activities and standardize the administration of Lions clubs.

To Create and foster a spirit of understanding among the peoples of the world.

To Promote the principles of good government and good citizenship.

To Take an active interest in the civic, cultural, social and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest; provided, however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
