APRIL 2004

We Serve

WORLDWIDE INDUCTION DAY IS APRIL 28, 2004

This will be a night to remember for many new Lions and for many of us seasoned ones. It has been a while since we have done a large Induction Celebration on this scale and people are really excited.

Our District Governor will officially Induct the new Lions, we will have Guest Speakers and many of our favorite PDGS to do the various honors.

The dinner will be a choice of Beef or Fish, Vegetarian only on advance request, includes the full dinner for \$25.00. Forms are included in the newsletter for sending your reservations and for sending in the names of your new Lions and their Sponsors. There will be special Certificates that are signed by Dr Tae-Sup Lee, the International President.

The Club that brings the most new Lions will receive a special award and the Club with the largest attendance, even if you have no inductees that night,

will also receive a special award.

Encourage your new Lions to invite their friends and families to join them for this special occasion. You only become a Lion once and it is a very special occasion in one's life.

Bring your camera's for pictures but please be respectful of the fact that we are going to have a great many people there and photos will be taken on the side, later, with each individual new Lion.

If your Club had already made arrangements for a new Lion Induction, please forward the name to us and we will make sure that the New Lion is also given a special certificate if the President or Lion is there to receive it.

It is important that we have a headcount for this restaurant. Lion Eve's email is still down due to remodeling so please phone her at 650-322-8088 and

send you checks to her as soon as possible with your dinner choices, payable to SF Council of Lions @ \$25 per person, to 115 Emma Lane, Menlo Park, CA 94025.

AWARDS 3/20/04**

There are never enough words to say thank you for all the work behind the scenes that make an event happen. The many details that are pulled together and make it seem effortless to the attendees. I want everyone to know, while many of us did work on this, without the work of one person, this event, like so many others, would have been far more difficult to have put on.

Our current President of the San Francisco Council of Lions is a tireless worker and supporter of the Council. On this event she spent hours on the phone and in person coordinating people and clubs and the restaurant to keep things running smoothly

between all the far flung entities involved.

A Special Appreciation and Thanks to Lion Eve Santos for an Outstanding Job on this event and many others from her Board of the Council.

We all came together in a flurry of excitement and details and had a wonderful time, were able to recognize and honor the work of some outstanding people in our community and to be honored in turn by the presence of some very fine Lions.

Next Year, we'll see you there.

**COUNCIL PRESIDENT'S MESSAGE
BY LION PRESIDENT EVE SANTOS**

Dear Lions,

What a great event! The San Francisco Council Peace Officers and firefighters Awards Night was attended by the Police, Firefighters and Sheriffs of San Francisco, their relative and friends, Lions and honored guests. Thank you to all the San Francisco Clubs, The Castro, Chinatown, Fil-Am, Marina-North Beach, Nikkei, Ocean-Ingleside, Park-Presidio, San Francisco Bay and West O'Twin Peaks, who participated in this community commemoration. You all did it, and I am proud of your selected honorees. . . A C.S.I., Police Officers and Inspectors, Fire Marshall and Captain Sheriff. A Certificate of Appreciation was given to Police chief Heather Fong and Fire Chief Joanne Hayes-White represented by Deputy Fire Chief Lorrie Kalos, all remarkable women.

Thanks to the San Francisco Council Officers, Lion Woody Howard, PDG Larry Wong, Lion Linda Lopez-Wood, and Lion Gail Wood, who worked so energetically to pull this event together in a fairly short time. My special thanks to our Master of Ceremony, IPDG Michelle Jester, who livened the evening.

The highlight of our April 28th meeting will be the Induction of New Members of District 4-C4 Clubs, in keeping with the Annual Lions Clubs International Worldwide Induction Day in April. The San Francisco Council will

sponsor Worldwide Induction Day and Park-Presidio Lions will Host the event. The location is 34th Ave and Clement Street at the Lincoln Golf Course Restaurant in San Francisco. Our Guest Speaker will be our dynamic VDG Ray Rosenthal, our Inducting Officer will be our own District Governor, Jocelyn Mina, and many of our PDG's have agreed to take part in the special ceremony.

I encourage all clubs to join in this membership celebration by attending and supporting our new Lions. Please give the name (s) of your newest members to Lion Linda Lopez-Wood or myself so that a special Certificate of Membership will be presented to them. Invite all prospective members to witness this event and stimulate their awareness to our service organization and our motto, " We Serve".

Thank you for your support to make this worldwide event a success here in 4-C4.
