MESSAGE FROM THE SFCCLC PRESIDENT

Dear Fellow Lions,

Happy New Year! The past 6 months of the term has gone smoothly and I would like to thank all the Clubs who participated in our monthly meetings.

The Joint meeting & Halloween event between SFCCLC and PCL on Oct 24, 2011 at Nick's Restaurant, hosted by Peninsula Council Lions was a very successful event. Everyone had lots of fun and enjoyed very much the costumes' contest portion. Thank you to those who participated and your kind support for the event.

As the New Year begins, we have a lot of work ahead of us. We have to prepare our 49th Annual Peace Officers, Firefighters, and Sheriffs Awards Banquet. This event is in recognition of their outstanding service to the communities they serve. Each Club President and their officers can start looking for a deserving award recipient (police officer or firefighter). For their guidance, an instruction on participation to the Peace Officers and Firefighters Awards was distributed to each club President.

Please Mark your calendar for April 7, 2012 at Patio Espanol, 2850 Alemany Blvd, San Francisco. Our Keynote Speaker will be our San Francisco Chief of Police, Greg Suhr. I will need all of your support to make this special event a success. The formal invitation will be ready at our next Council meeting on Jan 25, 2012 which will be hosted by Bayview Hunter's Point Lions Club.

Looking forward to seeing you all!

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubts against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

Lions International Purposes

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for open discussion of all matters of public interest, provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded men to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.
