Dear Fellow Lions,

It is an honor to take on the role as President of the San Francisco Council of Lions Clubs. At the same time, I fully recognize the responsibilities ahead of me.

During my years as a Lion, I have learned from you, fellow Lions, officers, past presidents, and past District Governors. For that, I thank you. I look forward to benefiting even more from your wisdom, advice, support and cooperation.

For those of you who attended our Installation Dinner on August 20th, 2011: thank you for your support! It was a privilege for all of us to witness International President Dr. Tam presence in the installation of our officers that evening. It was very memorable! Please enjoy the photos I have attached.

As a reminder, I would like to reiterate the goals I expect to reach during my term of office.

1. To work closer and promote the concept of "WE ARE FAMILY" among our clubs and members.
2. To increase attendance at Council club meetings.
3. To increase club participation in the Council's projects and activities.
4. To improve and enforce the club president's reporting procedure.

Let us journey together as a FAMILY towards these goals. Please come and join us for our upcoming meeting on Sept 28, 2011. Our hosting club will be the San Francisco Hispanic Lions Club at Saint Finn Barr Church, 415 Edna Street, San Francisco at 7pm.

Looking forward to seeing you all!

August 20, 2011

Dear Lion Macy,

Congratulations on your installation as President of the San Francisco Coordinating Council of Lions. I have confidence in your ability to lead the council and accomplish the goals you have set. The council has progressed a lot as evident by the increased attendance in both the monthly meetings and participation in the Annual SF Police, Firefighters and Sheriff's Awards Night. Thank you to all the club members support of the council.

This lion year, President Tam's theme is "I Believe," and "Planting of a million trees," your leadership will enhance the district by working cooperatively and collectively with the clubs in San Francisco and bringing forth Dr. Tam's theme and mine, which is "Our members First," "Reach for the Star". My goal is to honor and focus my energy on the members and offer every opportunity to our lion members for growth. Reaching out to the members will result in a positive experience for a Lion thus maximizing our service to the needy. Let us work together for the betterment of our community fulfilling our motto, "We Serve."

Congratulations to you and the San Francisco Coordinating Council of Lions Officers!

THE INTERNATIONAL ASSOCIATION OF LIONS CLUBS

From The Desk of
International President
Lion Wing-Kun Tam

July 19, 2011

Dear San Francisco Coordinating Council Lions:

I want to extend my warmest greetings as you gather together for your installation ceremonies. I am sure these ceremonies will spark an even higher level of service.

The theme of my presidential year is "I Believe." True belief involves courage, commitment and action. When we believe in our service mission, we can dramatically improve the world. With belief, we can achieve things that may seem impossible.

I am also encouraging clubs to be like families. Clubs should treat members with the care and concern they show to members of their family. If they do, their club will prosper and their service will be even greater.

Have a great year and believe in yourself and Lions. I believe in the power of your club to reach out to those in need and greatly improve your community.

Best regards,

Wing-Kun Tam, International President
The International Association of Lions Clubs

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubts against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

Lions International Purposes

TO CREATE and foster a spirit of understanding among the peoples of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

TO UNITE the clubs in the bonds of friendship, good fellowship and mutual understanding.

TO PROVIDE a forum for open discussion of all matters of public interest, provided, however, that partisan politics and sectarian religion shall not be debated by club members.

TO ENCOURAGE service-minded men to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

"United in Lionism We Serve"
